The Book of Jubilees Joseph B. Lumpkin, 2006-02 The Book of Jubilees also known as The Little Genesis and The Apocalypse of Moses opens with an extraordinary claim of authorship It is attributed to the very hand of Moses penned while he was on Mount Sinai as an angel of God dictated to him regarding those events that transpired from the beginning of the world The story is written from the viewpoint of the angel The angelic monolog takes place after the exodus of the children of Israel out of Egypt The setting is atop Mount Sinai where Moses was summoned by God The text then unfolds as the angel reveals heaven's viewpoint of history We are led through the creation of man Adam's fall from grace the union of fallen

angles and earthly women the birth of demonic offspring the cleansing of the earth by flood and the astonishing claim that
 mans very nature was somehow changed bringing about a man with less sinful qualities than his antediluvian counterpart
