**Journal of the Royal Asiatic Society of Great Britain & Ireland** Royal Asiatic Society of Great Britain and Ireland,1874 With appendices      *Function and Class in Linguistic Description* Mário Alberto Perini,2021-09-22 This book deals with the traditional problem of the classification of linguistic units with a primary focus on word classes The approach is descriptive rather than theoretical and is based on the use of distinctive features analogous to the ones used in phonology which entails a radical reworking of the traditional classification The first part presents some basic notions such as the use of distinctive features and the role of word classes in grammar classification by prototypes and the use of world knowledge as a resource to assign thematic relations to constituents in the sentence In the second part some descriptive problems are examined namely the classification of verbs according to valency connectives adverbs and the internal constituents of the NP and the classification of units larger than words This book will be of use as a guide for linguists working on the description of natural languages as well as a resource for students on courses in linguistic theory and description      **Official Catalogue** United States Centennial Commission,1876      **Report of the Chief of Engineers U.S. Army** United States. Army. Corps of Engineers,1883 Includes the Report of the Mississippi River Commission 1881 19      **Report of the Special Study of**

**Securities Markets of the Securities and Exchange Commission** United States. Securities and Exchange Commission, 1964     **Faulkner and psychology** Donald M. Kartiganer, 1994 Characteristically William Faulkner minimized his familiarity with the theories of psychology that were current during the years of his apprenticeship as a writer especially those of Freud Yet Faulkner's works prove to be a trove for psychological study These original papers from the annual Faulkner and Yoknapatawpha Conference held in 1991 at the University of Mississippi vary widely in their approaches to recent psychological speculation about Faulkner's texts In recent years psychological analysis of literature has shifted largely from investigation of a writer's life to a focus on the work itself Whether applying the theories of Freud and Lacan drawing upon theoretical work in women's studies and men's studies or emphasizing the rigid determinacy of psychological pressure the essays included in this collection show Faulkner's works to be unquestionably rich in psychological materials     *Report of special study of securities markets of the Securities and Exchange Commission* United States. Securities and Exchange Commission, 1968     **The Supplement to the Penny Cyclopaedia of the Society for the Diffusion of Useful Knowledge** , 1846     **The Disciples—Second Edition** D. Duane Cummins, 2023-07-14 This new second edition refined updated and revised contains the story of those 15 years along with revisions in how a humble gathering evolved over two centuries into the Christian Church Disciples of Christ a modern denomination of international stature The Disciples A Struggle for Reformation Revised Edition discusses how Disciples progressed from congregationalism to Covenant how they survived the tumult of Civil War how they developed a ministry of missions on a global scale and how they met the brutal challenge of 21st century COVID     *Delphi Collected Works of Carolyn Wells (Illustrated)* Carolyn Wells, 2019-04-26 Famous today as the creator of the reserved and scholarly detective Fleming Stone Carolyn Wells was a prolific American writer of popular mystery novels celebrated for their intricate plots and engaging characters The first novel in the series The Clue 1909 features on the Haycraft Queen Cornerstone list of essential mysteries Throughout her career Wells produced over 170 titles including children's stories detective novels anthologies and humorous and nonsense writings This eBook presents Wells collected works with numerous illustrations rare texts appearing in digital print for the first time informative introductions and the usual Delphi bonus material Version 1 Beautifully illustrated with images relating to Wells life and works Concise introductions to the major texts 73 novels with individual contents tables Features many rare novels appearing for the first time in digital publishing Images of how the books were first published giving your eReader a taste of the original texts Excellent formatting of the texts The complete Patty Fairfield and Marjorie Maynard series Famous children's books are fully illustrated with their original artwork Includes Wells rare poetry collections available in no other collection Features Wells seminal non fiction work The Technique of the Mystery Story Features the author's autobiography The Rest of My Life first time in digital print discover Wells literary life Scholarly ordering of texts into chronological order and genres Please visit [www.delphiclassics.com](http://www.delphiclassics.com) to browse through our range of exciting titles CONTENTS The Fleming
