Book Of Twelve Winds An Aikido Master:

The Book of Twelve Winds Karl E. Geis, 1998-03-01 Martial arts practitioners will find inspiration in Karl Geis's moving memoir of a life devoted to the study and the teaching of aikido. Here are the author's early days, the wisdom he absorbed from his father and later applied to his martial arts education, the ways in which aikido helped him come to terms with the frustrations of daily life, the factors that moved him to become sensei, the lessons he has learned from his students and how his relationships with them have changed. The book discusses aikido, its techniques and philosophical underpinnings in vivid detail but more important, paints a humane portrait of a life lived in the martial arts. Martial Arts Biographies Rob Jacob, 2005 Martial Arts Biographies: An Annotated Bibliography lists hundreds of martial arts related biographies and autobiographies. Most of the entries are annotated, giving a synopsis of the relevant material in the book. Included are listings for martial artists of Karate, Kung Fu, Aikido, Judo, Jiu Jitsu, Tae Kwon Do, Ninjutsu, Tai Chi, and many other styles. Appendices list productive sources for new and used books and contact information for major publishers of martial arts books. Martial Arts Biographies: An Annotated Bibliography is a useful resource for martial arts researchers, readers, book collectors, and libraries. **Forthcoming Books** Rose Arny, 2003 Beyond Self-Defense Shihan Michelle, CMA, 2024-03-26 A feminist forward guide to setting boundaries, assessing safety, and defusing violence by a six-time karate world champion. Tools and skills to build confidence, fight back, and live life on your own terms. Disclaimer: this is not your average self-defense book. As an educator, martial artist, movement analyst, somatic therapist, and rape crisis advocate, Shihan Michelle explains why self-defense doesn't work to prevent assault; it's too late when you're in a fight. Instead, Michelle champions self-offense, a preventative personal protection strategy invested in defusing trouble before violence becomes necessary. Beyond Self-Defense empowers you to prevent and de-escalate violence without resorting to physical contact. Including personal stories, interactive practices, and reflective prompts, this practical, accessible, and timely handbook teaches you how to craft your own unique protection protocols. Topics include how to use your body weight to fend off attacks, recognize the emotional triggers of others before they escalate, unlearn common biases about safety and vulnerability, use space and time to get the upper hand, and control situations before they become unsafe. Challenge patriarchal social standards and claim your voice and your space. The founder and lead instructor of Self-Offense Services, Michelle is a sixth-degree black belt in Full Contact karate who gives workshops in assault prevention, boundaries, listening, de-escalation, and bullying prevention. **Journal of Asian Martial Arts**, 2007 **The Cumulative Book Index**, 1996 A world list of books in the English language. **Black Belt**, 2002-09 The oldest and most respected martial arts title in the industry, this popular monthly magazine addresses the needs of martial artists of all levels by providing them with information about every style of self-defense in the world, including techniques and strategies.
