After describing the meaning of intention, explaining how the connection to intention can become corroded, and then detailing how we can reconnect with intention to create an ideal life, Karen reveals why taking concrete action steps is so important to success and provides a formula to manifest dreams and fulfill wishes through the spiritual concept, the Power of I Am. She relies on her diverse experience with meditation to offer additional insight into how others can overcome ordinary consciousness and realize miracles. The Power of I Am blends personal stories with the teachings of Dr. Wayne Dyer to help anyone tap into the amazing power of manifestation to create a dream life.
