Ann Landers Talks to Teen-agers about Sex Ann Landers,1983 **Ann Landers Talks to Teen-Agers about Sex** Ann LANDERS (pseud.),1963 **Ann Landers Teen Sex** Ann Landers,1981-11-12 The Trouble with Normal Mary Louise Adams,1997-01-01 In the years after the Second World War economic and social factors combined to produce an intense concern over the sexual development and behaviour of young people In a context where heterosexuality and normality were understood to be synonymous and assumed to be necessary for social and national stability teenagers were the target of a range of materials and practices meant to turn young people into proper heterosexuals In this study Mary Louise Adams explores discourses about youth and their place in the production and reproduction of heterosexual norms She examines debates over juvenile delinquency indecent literature and sex education to show not why heterosexuality became a peculiar obsession in English Canada following the Second World War as much as how it came to hold such sway Drawing on feminist theory cultural studies and lesbian gay studies The Trouble with Normal is the first Canadian study of youth as a sexual and moral category Adams looks not only at sexual material aimed at teenagers but also at sexual discourses generally for what they had to say about young people and for the ways in which youth as a concept made those discourses work She argues that postwar insecurities about young people narrowed the sexual possibilities of both young people and adults While much of the recent history of sexuality examines sexuality from the margins The Trouble with Normal is firmly committed to examining the centre to unpacking normality itself As the first book length study of the history of sexuality in postwar Canada it will make an important contribution to the growing international literature on sexual regulation **Dear Abby, I'm Gay** Andrew E. Stoner,2021-07-13 What role did America s newspaper advice columnists play in shaping and forming societal attitudes toward LGBTQ people throughout the 20th century They served the dual function of offering advice and satisfying the curious They also often provided the first mention of homosexuality outside of newspaper crime blotters More than 100 million readers regularly read the columns This book chronicles some of the most popular and widely circulated newspaper columns between the 1930s and 2000 including Ann Landers Dear Abby Helen Help Us Dr Joyce Brothers The Worry Clinic Dear Meg Ask Beth and Savage Love It examines the function of these columns regarding the place of LGBTQ people in America and what role they played in forming a public opinion From these columns we learn not only the framework of how straight Americans understood their homosexual brethren but also how attitudes and feelings continued to evolve

Swinging Single Hilary Radner,Moya Lockett,1999 Critics and defenders alike connect today s widespread anxieties about sexuality and culture to the political activism of the 1960s and the counterculture s preoccupation with the individual pursuit of pleasure In contrast the essays in Swindling Single attribute the new sexual mores of that era not to its political upheavals but to a confluence of social cultural and economic factors that encouraged personal gratification and altered traditionally defined gender roles Contributors analyze a broad range of topics the commercialization of avant garde and

exploitation films new visions of female sexuality in *That Girl* and *The Avengers* the social context of such cultural icons as Hugh Hefner and Charles Manson the intersection of race and sexuality in Eldridge Cleaver's *Soul on Ice* and depictions of sexual pleasure in pornography and scientific films *Sex Guides* Patty Campbell, 2017-04-07 The history of the sex guide for adolescents documents the quite unconscious movement of Western culture's ideas about sex and youth revealing the heritage of our own sexual beliefs and codes of behaviour The first section of this book first published in 1986 traces the development of the sex guide examining 400 books from 1892 to the 1980s The second section comprises a detailed analysis of the patterns content and usefulness of all the contemporary manifestations of the genre The history of the teen sex manual is a fascinating revelation of American attitudes towards adolescent sexuality *Modern Dating* Garner Ted Armstrong, 1969
