Ann Richards Politician Feminist Survivor:

Ann Richards Dorothy Schainman Siegel, 1996 The exciting life and career of this former teacher and governor of Texas are recounted in this biography Ann Richards rose up the political ladder to become a Democratic leader in her state as well as a household name throughout the country *The Yankee Chick's Survival Guide to Texas* Sophia Dembling, 2001-12-27 In Texas Yankee is a loose term covering a lot of ground If you're not a Texan or a southerner you're a Yankee and therefore to many Texans suspect There are many rites of passage to being a Yankee in Texas the first time you spot a pickup with a gun rack the first time you realize that a week is a long time to go without Mexican food the first time you recognize a change in seasons your first thunderstorm your first honky tonk Culture Shock in Texas can be intense and is exacerbated by local rules of propriety that tell us to keep our mouths shut But here in this book we are going to talk all about it with good old Yankee outspokenness We'll clear the air share experiences orient newcomers and have some good laughs **Well-Dressed Role Models** Gale Eaton, 2006-06-08 This study provides a qualitative exploration of juvenile biographies of women a genre defined here as a book dealing with the whole or partial life of an individual and reviewed as nonfiction for readers in elementary middle or junior high school Beginning with a survey of juvenile material on Elizabeth Tudor published in England and the United States between 1852 and 2002 author Gale Eaton scrutinizes thirty-four books juvenile biographies histories and collected biographies for trends in both content and rhetoric *Well Dressed Role Models The Portrayal of Women in Biographies for Children* then goes on to look at close readings of books published in the United States in the years 1946 1971 and 1996 and presents a penetrating analysis of a genre that serves the needs of youth The findings of this study include the fact that juvenile biographies make role models out of women who in many cases never would have become famous by following all the rules for good girls By choice of subject and emphasis their authors dress the life stories of real women in the appropriate values of new generations Three appendixes providing annotated book lists for each of the three years analyzed conclude this study *Walking and Talking Feminist Rhetorics* Lindal Buchanan, Kathleen J. Ryan, 2010-01-12 *Walking and Talking Feminist Rhetorics* Landmark Essays and Controversies gathers significant oft-cited scholarship about feminism and rhetoric into one convenient volume Essays examine the formation of the vibrant and growing field of feminist rhetoric feminist historiographic research methods and methodologies and women's distinct sites genres and styles of rhetoric The book's most innovative and pedagogically useful feature is its presentation of controversies in the form of case studies each consisting of exchanges between or among scholars about significant questions Madeleine Albright Barbara Kramer, 2000 Describes the personal life and political career of Madeleine Albright the first woman to become Secretary of State **Claytie and the Lady** Sue Tolleson-Rinehart, Jeanie R. Stanley, 2010-07-22 It was like a remake of *The Cowboy and the Lady* except that this time they weren't friends The 1990 Texas governor's race pitted Republican Clayton Williams a politically conservative rancher and oil millionaire against Democrat Ann Richards an experienced progressive politician

noted for her toughness and quick wit Their differences offered voters a choice not only of policies and programs but also of stereotypes and myths of men s and women s proper roles Claytie and the Lady is the first in depth look at how gender affected the 1990 governor s race The authors analysis reveals that Ann Richards victory was a result of a unique combination of characteristics She was simultaneously tough enough to convince voters that she could lead and feminine enough to put them at ease At the same time she remained committed to the progressive and women s issues that had won her the early support of feminists and progressives The authors also show how Clayton Williams appeal to the Texas cowboy myth backfired when he broke the cowboy code of chivalry to women The authors set their discussion within the historical context of twentieth century Texas politics and the theoretical context of gender politics in order to pose a number of thought provoking questions about the effects of women s participation in political life Interviews with key players in the 1990 election including Governor Ann Richards add a lively and insightful counterpoint to the text *Rosie O'Donnell* Virginia Meachum,2000 A biography of a popular talk show host describing her childhood education and career in comedy the movies on Broadway and on television **The Catholic Library World** John M.
