episodes events and incidences characters dialogues and some other very interesting phenomena underlying a few more fanciful and also to some extent more factual descriptions of life or living pertaining to family and the outward society It has been divided into two parts Part 1st is based on 1 to 8 chapters and the Part 2nd covers as many as 9 to 14 chapters in all This novel is really speaking a mixture of tragedy romance and comedy Hence the running spirit of the story looks like a perfect novel because of the fact that I preferred to choose such a new style it corresponds to my taste There is a variety of wonderful imaginations which are attempted to be produced in such a way as to look like the real one As such the role of imagination has also been tried to be highly lighted it was necessary from the literary point of view In its analysis the book is entitled as The Skyfall which basically contains five love stories three wide spread kingdoms and eight devastative battles The main Story is related to a person s deep love and lust for obtaining a state and becoming a king of such a kingdom or state Apparently he looks normal but internally he is a villain having the madness for achieving his goal The Skyfall the name appears dreadful may it be so because apparently the meaning of the title so given is bursting forth of the sky May not nowhere happen so if any how anywhere It happens the result will be shaking heart disastrous and horrible But it is certain that it will happen at every cost before the day of judgment the so called Qayamat when the whole universe will be destroyed and nothing shall remain in being except God However in spite of all this I have tried my best to create a healthy and harmonious atmosphere an amusing as well as a most charming situation along with a peculiar pleasantness and also a tinge of sweetness in putting up the scenes the characters the dialogues etc running between the major figures of the story or novel hero and heroine if there in and so on It s of course a nice book of fictions or story or stories in which basically the characters of L W Doson A Adams A Doson L Lorenzo R Doson Am Doson M Arden B Jonson R D Spenser M Robinson and J Watson have artistically been produced to read and relish the sweet sour and saline flavors implied there in A brief account of their different characters has also been given in the onward passages I believe that the story of the novel must have all that which the readers may desire and expect I have been passionate to a plausible extent to enrich the story of the novel with some of the heart touching experiences of life I am sure that the readers will find in it the flavor of their personal interests viz pain pleasure pathos thrill dismay terror excitement horror love hate sympathy apathy and also so much so that But apart from all these qualities it has been my strenuous efforts to shield out the story from the suspense with a view to let the readers feel free and entirely relaxed

**Venetia** Benjamin Disraeli, 1853 The beauty of the young Venetia was not the hereditary gift of her beautiful mother It was not from Lady Annabel that Venetia Herbert had derived those seraphic locks that fell over her shoulders and down her neck in golden streams nor that clear grey eye even whose childish glance might perplex the gaze of manhood nor that little aquiline nose that gave a haughty expression to a countenance that had never yet dreamed of pride nor that radiant complexion that dazzled with its brilliancy like some winged minister of Raffael or Correggio The peasants that passed the lady and her daughter in their walks and who blessed her as they passed for all her grace and goodness often marveled why so fair a mother and so fair a child should be so dissimilar that one indeed might be compared to a starry night and the other to a sunny day *Robin Hood* Reginald De Koven, 1898
