Joseph Crawford

Anne Rice And Sexual Politics The Early Novels:

Anne Rice and Sexual Politics James R. Keller, 2015-11-16 From the vampires Lestat and Louis to a sexually liberated Sleeping Beauty novelist Anne Rice has created a host of characters who are notable for their paradoxical combinations of the deviant and the conventional Exit to Eden for example ends with the sado masochistic protagonists embarking on a traditional monogamous heterosexual relationship while the vampires often long to exchange their erotic immortality for ordinary mortal lives and loves This scholarly analysis of the seemingly incompatible elements of the subversive and the socially acceptable in Rice's early work covers her career from the landmark Interview with the Vampire 1976 to Lasher 1993 Each chapter tackles a different aspect of Rice's conflicting portrayals of sexual issues including homophobia pedophilia castration anxiety and the vast array of gender stereotypes and roles that her novels so often interpret and exploit This study is appropriate both for readers of Rice's writing and those intrigued by issues of sexual politics and the ways in which a popular author both embraces and repudiates some of the most shocking concepts of sexuality An index and bibliography are included to aid research *Encyclopedia of the American Novel* Abby H. P. Werlock, 2015-04-22 Praise for the print edition no other reference work on American fiction brings together such an array of authors and texts as this **The Vampire in Folklore, History, Literature, Film and Television**, 2015-09-18 This comprehensive bibliography covers writings about vampires and related creatures from the 19th century to the present More than 6 000 entries document the vampire's penetration of Western culture from scholarly discourse to popular culture politics and cook books Sections by topic list works covering various aspects including general sources folklore and history vampires in literature music and art metaphorical vampires and the contemporary vampire community Vampires from film and television from Bela Lugosi's Dracula to Buffy the Vampire Slayer True Blood and the Twilight Saga are well represented *Reading the Vegetarian Vampire* Sophie Dungan, 2022-11-30 This Pivot traces the rise of the so called vegetarian vampire in popular culture and contemporary vampire fiction while also exploring how the shift in the diet of some vampires from human to animal or synthetic blood responds to a growing ecological awareness that is rapidly reshaping our understanding of relations with others species The book introduces the trope of the vegetarian vampire as well as important critical contexts for its discussion the Anthropocene food studies and the modern practice politics and ideologies of vegetarianism Drawing on references to recent historical contexts and developments in the genre more broadly the book investigates the vegetarian vampire's relationship to other more violent and monstrous forms of the vampire in popular twenty first century horror cinema and television Texts discussed include Interview with the Vampire Buffy the Vampire Slayer Twilight The Vampire Diaries and True Blood *Reading the Vegetarian Vampire* examines a new aspect of contemporary interest in considering vampire fiction **The Twilight of the Gothic?** Joseph Crawford, 2014-05-15 This book explores the history of the paranormal romance genre from its origins in the revisionist horror fiction of the 1970s via its emergence as a minor sub

genre of romantic fiction in the early 1990s to its contemporary expansion in recent years into an often controversial genre of mainstream fiction Tracing the genre from its roots in older Gothic fiction written by and for women it explores the interconnected histories of Gothic and romantic fiction from Ann Radcliffe and Jane Austen in the eighteenth century to Buffy Twilight True Blood and The Vampire Diaries in the present day In doing so it investigates the extent to which the post Twilight paranormal romance really does represent a break from older traditions of Gothic fiction and just what it is about the genre that has made it so extraordinarily divisive captivating millions of readers whilst simultaneously infuriating and repelling so many others

Victorian Vogue Dianne F. Sadoff, 2010 Ranging from cinematic images of Jane Austen's estates to Oscar Wilde's drawing rooms Dianne F. Sadoff looks at popular heritage films often featuring Hollywood stars that have been adapted from nineteenth century novels Victorian Vogue argues that heritage films perform different cultural functions at key historical moments in the twentieth century According to Sadoff they are characterized by a double historical consciousness one that is as attentive to the concerns of the time of production as to those of the Victorian period If James Whale's *Frankenstein* and Tod Browning's *Dracula* exploited post Depression fear in the 1930s the horror films of the 1950s used the genre to explore homosexual panic 1970s movies elaborated the sexuality only hinted at in the thirties and films of the 1990s indulged the pleasures of consumption Taking a broad view of the relationships among film literature and current events Sadoff contrasts films not merely with their nineteenth century source novels but with crucial historical moments in the twentieth century showing their cultural use in interpreting the present not just the past

The Vampire in Literature: A Comparison of Bram Stoker's *Dracula* and Anne Rice's *Interview with the Vampire* Janina

Nußbaumer, 2013-09 The figure of the vampire has been around for centuries and has lost none of its fascination Although the portrayal of the vampire in literature today has not much in common with its historical origins the vampire belief is based on true events Bram Stoker's novel *Dracula* laid the foundation for the success story of the vampire He created something sinister a monster in the shape of a gentleman The evil of the Victorian society was personified in the form of the revenant Boundaries between good and evil human and non human death and life are blurred and unrecognizable in his book In contrast Anne Rice creates a world where humans and vampires live next to each other Her vampires resemble human beings not only in terms of their bodies but also in terms of their minds There is no horror detectable but amazement and identification with the revenants by the reader In this context the differentiation of the constructed images of the vampires in the two novels *Dracula* by Bram Stoker and *Interview with the Vampire* by Anne Rice is analyzed Thereby the study investigates those elements that have been adopted those ones that have developed over the time and the consequences that go along with the manner of construction

Fantasy Fiction into Film Leslie Stratyner, James R. Keller, 2015-01-21 This work examines the symbolism of fantasy fiction literal and figurative representation in fantastic film adaptations and the imaginative differences between page and screen Essays focus on movies adapted from various types of fantasy fiction novels

short stories and graphic novels and study the transformation and literal translation from text to film in the Lord of the Rings The Chronicles of Narnia Charlie and the Chocolate Factory Howl's Moving Castle Finding Neverland The Wizard of Oz Wicked and Practical Magic **The New Queer Aesthetic on Television** James R. Keller, Leslie Stratyner, 2014-11-04 Television is awash with newly embraced gay and lesbian themes that have crossed over into the collective pop culture of America Dramas like Queer As Folk and The L Word comedies like Will Grace and even reality shows including the popular Queer Eye for the Straight Guy signify a new commercial acceptance of homosexuality that has never been seen before in the United States However the increasing exposure has prompted critics to argue that the gay and lesbian representation on television is oversimplified and is rife with one dimensional characters Ultimately the viewers will decide the future of homosexuality and homosexual characters on television The text offers essays that explore such topics as the politics of representation and the clash of progressive and regressive social agendas in television and the emphasis on the search for a space for gays lesbians bisexuals and the transgendered within the mainstream media The book contains criticisms of characters in such shows as Six Feet Under Queer As Folk Friends and Ellen *Encyclopedia of Feminist Literature* Mary Ellen Snodgrass, 2014-05-14 An accessible one volume encyclopedia this addition to the Literary Movements series is a comprehensive reference guide to the history and development of feminist literature from early fairy tales to works by great women writers of today Hundred **V for Vendetta as Cultural Pastiche** James R. Keller, 2014-11-04 The 2005 James McTeigue and Wachowski Brothers film V for Vendetta represents a postmodern pastiche a collection of fragments pasted together from the original Moore and Lloyd graphic novel of the same name along with numerous allusions to literature history cinema music art politics and medicine Paralleling the graphic novel the film simultaneously reflects a range of authorial contributions and influences This work examines in detail the intersecting texts of V for Vendetta Subjects include the alternative dimensions of the cinematic narrative represented in the film's conspicuous placement of the painting The Lady of Shalott in V's home the film's overt allusions to the AIDS panic of the 1980s and the ways in which antecedent narratives such as Terry Gilliam's Brazil Huxley's Brave New World and Bradbury's Fahrenheit 451 represent shadow texts frequently crossing through the overall V for Vendetta narrative **Urban Culture and the Modern City** Ágnes Györke, Tamás Juhász, 2024-03-15 When consulting key works on urban studies the absence of Central and Eastern European towns is striking Cities such as Vienna Budapest Prague and Trieste where such notable figures as Freud Ferenczi Kafka and Joyce lived and worked are rarely studied in a translocal framework as if Central and Eastern Europe were still a blind spot of European modernity This volume expands the scope of literary urban studies by focusing on Budapest and Hungarian small towns offering in depth analyses of the intriguing link between literature the arts and material culture in the 20th and 21st centuries The case studies situate Hungarian urban culture within the global flow of ideas as they explore the period of modernism the mid century and the post 1989 era in a context that moves well beyond the borders of the country **Almost**

Shakespeare James R. Keller, Leslie Stratyner, 2014-11-04 In the past two decades Othello has tried out for the basketball team Macbeth has taken over a fast food joint and King Lear has moved to an Iowa farm Shakespeare is everywhere in popular culture This collection of essays addresses the use of Shakespearean narratives themes imagery and characterizations in non Shakespearean cinema The essays explore how Shakespeare and his work are manipulated within the popular media and explore topics such as racism jealousy misogyny and nationality The submissions concentrate on film and television programs that are adaptations of Shakespearean plays including My Own Private Idaho CSI Miami A Thousand Acres Prospero's Books O 10 Things I Hate About You Withnail and I Get Over It and The West Wing Each chapter includes notes and a list of works cited A full bibliography completes the work it is divided into bibliographies and filmographies general studies and essays derivatives based on a single play derivatives based on several and derivatives based on Shakespeare as a character Instructors considering this book for use in a course may request an examination copy here

Food, Film and Culture James R. Keller, 2014-11-04 Culinary imagery much like sexual and violent imagery is a key cinematic device used to elicit a sensory response from an audience In many films culinary imagery is central enough to constitute a new subgenre defined by films in which food production preparation service and consumption play a major part in the development of character structure or theme This book defines the food film genre and analyzes the relationship between cinematic food imagery and various cultural constructs including politics family identity race ethnicity nationality gender and religion Chapters examine these themes in several well known food films such as The Cook the Thief His Wife and Her Lover Chocolat Babette's Feast and Eat Drink Man Woman and lesser known productions including Felicia's Journey Kitchen Stories Magic Kitchen and Chinese Feast The work includes a filmography of movies within the food genre

Instructors considering this book for use in a course may request an examination copy here *The Deep End of South Park* Leslie Stratyner, James R. Keller, 2014-01-10 No American television show of the past decade has been vilified as has Comedy Central's South Park This is the show that has featured in turn a nine year old boy enmeshed in an affair with Ben Affleck a maniacal Mel Gibson smearing feces everywhere and the misadventures of Mr Hankey the Christmas Poo a talking bouncing singing piece of poop While it's not always an exercise in good taste South Park is a socially significant satire that has also devoted entire episodes to interpretations of Great Expectations Ken Burns Civil War and Hamlet This volume explores the popularity and cultural relevance of South Park and its place as an artistically and politically worthy satire **Queer**

(Un)Friendly Film and Television James R. Keller, 2010-06-28 In the past representations of alternative lifestyles on film were even in their most explicit forms faint and ambiguous and the television industry was even more conservative But in more recent years thanks in part to the success of such films as Philadelphia The Birdcage To Wong Fu and In Out and television programs such as Will Grace a collective effort is underway to construct a positive new public image for gays and lesbians This work studies recent cinematic and television depictions of gays and lesbians It examines the gay male

conversion fantasy in *Get Real* Beautiful Thing I Think I Do and Billy's Hollywood Screen Kiss the metaphor of the aging artist as a teacher to young gay men in *Love and Death on Long Island* and *Gods and Monsters* gay violence in *Shakespeare and The Talented Mr Ripley* unacknowledged homophobia and theories of traditional masculinity in *Gladiator* the ethical complexities of the human genome project and genetic screening for the gene associated with homosexuality in *Twilight* of the Golds profanity and protest masculinity in *The Usual Suspects* the controversy arising when the cast of *Will Grace* urged Californians to vote against the Knight Initiative refusing recognition to same sex marriages male egotism in *Flawless* gay parenting and other family issues in *The Birdcage* *The Object of My Affection* and *The Next Best Thing* and rehabilitating homophobia in *American Beauty* *Urbania* *Oz* *Kiss Me* *Guido* *Chuck Buck* and *Billy Elliot* *Supernatural Literature of the World: P-Z* S. T. Joshi, Stefan R. Dziemianowicz, 2005 Approximately one thousand alphabetically arranged entries cover authors themes and works of the nineteenth through twenty first centuries including Alexander Dumas Charles Baudelaire Daphne du Maurier Katherine Dunn Shirley Jackson and A R Morlan *Encyclopedia of the Vampire* S. T. Joshi, 2010-11-04 An exhaustive work covering the full range of topics relating to vampires including literature film and television and folklore *Encyclopedia of the Vampire* *The Living Dead in Myth Legend and Popular Culture* is a comprehensive encyclopedia relating to all phases of vampirism in literature film and television in folklore and in world culture Although previous encyclopedias have attempted to chart this terrain no prior work contains the depth of information the breadth of scope and the up to date coverage of this volume With contributions from many leading critics of horror and supernatural literature and media the encyclopedia offers entries on leading authors of vampire literature Bram Stoker Anne Rice Stephenie Meyer on important individual literary works *Dracula* and *Interview with the Vampire* on celebrated vampire films the many different adaptations of *Dracula* the *Twilight* series *Love at First Bite* and on television shows *Buffy the Vampire Slayer* and *Angel* It also covers other significant topics pertaining to vampires such as vampires in world folklore humorous vampire films and vampire lifestyle **Journal of Popular Culture** Popular culture association (Etats-Unis)., Modern language association of America. Popular literature section, Midwest modern language association (Etats-Unis). Popular culture section, Historical Dictionary of Gothic Literature William Hughes, 2013 Literary fashions come and go but some hang around longer than others like Gothic literature which has existed ever since *The Castle of Otranto* in 1764 During this long while it has spread from England to the rest of Great Britain and across to the continent and off to America and Australia filling in the gaps more recently Most of it is in English but hardly all and it has adopted all styles from romanticism to modernism to postmodernism and even adjusted to feminist and queer literature and science fiction We have all read some Gothic tales or if not read then seen them in the cinema since they adapt well to film treatment and it would be hard to find anyone who has not heard of ghosts and vampires let alone *Count Dracula* and *Frankenstein* On the other hand some of us are inveterate Gothic fans reading one book or story after the other *The Historical Dictionary of Gothic Literature* follows this long and winding path

first in an extensive chronology and then a useful introduction which explains the nature of Gothic and shows how it has evolved Obviously the dictionary section has entries on major writers and some of the best known works but also on geographical variants like Irish Scottish or Russian Gothic and Female Gothic Queer Gothic and Science Fiction This is provided in over 200 often substantial and always intriguing entries More can be found in a detailed bibliography including general works but also more specialized ones on different styles and genres and also specific authors This book should certainly interest the fans but also more serious researchers

As recognized, adventure as with ease as experience nearly lesson, amusement, as well as union can be gotten by just checking out a books **Anne Rice And Sexual Politics The Early Novels** along with it is not directly done, you could say you will even more almost this life, in the region of the world.

We have the funds for you this proper as competently as easy way to get those all. We give Anne Rice And Sexual Politics The Early Novels and numerous ebook collections from fictions to scientific research in any way. accompanied by them is this Anne Rice And Sexual Politics The Early Novels that can be your partner.
