Copyright Office,1948 **Life Is...A Journey Worth Fighting For** Sofia Villarreal,2018-09-12 *Life Is A Journey Worth Fighting For* Everyone has a story to tell Whether we are young or old our story began the moment we took our first breath Every one of us chooses the life that we want to live and the story that we want to leave behind the moment we take our last breath The story of our life is what we make it as we live and learn each day Life is a journey of personal growth and learning experiences It is about lessons learned and actions taken to improve the quality of life This book will take you through a teenage girl s journey through life Her struggles continued after she dropped out of school got married at the age of fifteen going on sixteen and becoming a young teenage mother who managed to finish high school and ultimately obtain a PhD Both she and her husband were also struck with cancer but no matter what obstacles came her way she continued to trust in God and kept moving forward with many dreams for her future Some facets of life such as life is an opportunity beauty a dream a game a promise sorrow a song a struggle a tragedy an adventure luck too precious life is life fight for it are words that spoke to her as she came across a poem that inspired her to write this book She immediately began reflecting on her life and making connections to the words and her interpretation of the message in the poem A feeling overcame her as if the poem was telling her life story She experienced the facets of life stated above at

different stages in her life and in different situations As a result she came to the conclusion that life is a journey worth fighting for Life is not perfect and people should not pretend that it is Some have to work harder than others in order to facilitate their journey through life Challenges such as bullying growing pains dropping out of school dealing with a failed relationship or marriage loss of income or job job reassignment drug abuse alcoholism getting older and disease are just a few of the struggles that we may experience at different points in life At times we may have to put up a good fight and not give up by overcoming obstacles that may interfere with the quality of life the life God wants for us that will ultimately lead us to eternal life No matter what age one may be or what obstacles come our way we should never stop dreaming
