New Mexico Magazine, 2012-07 Greenland Gill Campbell, Alistair Campbell, 2024-07-07 New from Bradt Greenland is the first standalone travel guidebook to the country from a mainstream publisher Targeted at independent travellers but equally serving those visiting on organised tours or cruises this guide combines essential information such as getting around on an island lacking roads connecting the major settlements with advice on what to see and do and where to stay and eat Every chapter is infused with Greenland's remarkable combination of pristine nature and traditional culture which sets it apart from Arctic neighbours and which makes a trip so rewarding The world's largest island but also part of the Kingdom of Denmark Greenland sits near the top of the world a vast expanse of white in a planet full of green blue and brown Today's visitors relish opportunities for close encounters with immense icebergs and glaciers The epic scenery provides the backdrop to the numerous activities on offer from visiting the Arctic's largest ice sheet or taking to the sea in search of 13 species of whale and from hiking the 160 km long Arctic Circle Trail to seeking out musk oxen walrus and the rare polar bear Greenland in winter is another world when long polar nights are brightened by the mesmerising northern lights and the reflections of the snow It remains a snowy paradise until spring the best time to travel by dog sled or snowmobile across the frozen tundra To relax afterwards why not close your trip with a few days of nature inspired art eclectic culture and fine dining in the diminutive capital Nuuk Greenland has always been a destination for pioneering explorers be they the Inuit who arrived from the west the Norsemen who came from the east or mariners seeking the Northwest Passage Part of the attraction for today's visitors is to experience

an element of the challenges they faced Although travel within Greenland can be tricky given limited infrastructure and often adverse weather conditions it can also be a remarkably easy place in which to travel with the right planning a flexible attitude and the right advice which is precisely where Bradt's Greenland comes in Let it be your guide to a truly staggering country **American Birds** ,1988 *BBC Wildlife* ,1994 *Iceland, Greenland & the Faroe Islands* Deanna Swaney,1994 This frosty area is still largely unexplored by travelers Surprising because where else can you experience hot lava fields spectacular geysers and waterfalls active volcanoes frozen lakes glaciers the northern lights and the midnight sun This practical guidebook reveals the dramatic beauty of this region available to travelers of all budgets and styles **California** Edan Lepucki,2014-07-08 The world Cal and Frida have always known is gone and they've left the crumbling city of Los Angeles far behind them They now live in a shack in the wilderness working side by side to make their days tolerable in the face of hardship and isolation Mourning a past they can't reclaim they seek solace in each other But the tentative existence they've built for themselves is thrown into doubt when Frida finds out she's pregnant Terrified of the unknown and unsure of their ability to raise a child alone Cal and Frida set out for the nearest settlement a guarded and paranoid community with dark secrets These people can offer them security but Cal and Frida soon realize this community poses dangers of its own In this unfamiliar world where everything and everyone can be perceived as a threat the couple must quickly decide whom to trust A gripping and provocative debut novel by a stunning new talent California imagines a frighteningly realistic near future in which clashes between mankind's dark nature and deep seated resilience force us to question how far we will go to protect the ones we love In her arresting debut novel Edan Lepucki conjures a lush intricate deeply disturbing vision of the future then masterfully exploits its dramatic possibilities Jennifer Egan author of *A Visit from the Goon Squad* **National Parks of the West** Fodor's Travel Publications, Inc.
