The Anniversary is a thought provoking play that mirrors the socio political challenges faced by many Africans particularly in Cameroon The narrative unravels the nonchalance of a dictatorial regime to the suffering of its people and the eventual uprising against the long standing oppressive leadership The play highlights the theme of unity the role of women and people s power as critical elements in fighting against oppressive systems It draws parallels with the political landscape in Cameroon offering a prophetic reflection on the enduring nature of such regimes and the need to flush them out in order for the people to be truly free *The Derry Celebrations.
