

Anno's Britain is a detailed, colorful illustration of a medieval town. In the center, a large stone building with a dark roof and two flags (one red and white, one blue and white) stands on a raised platform. To its left is a large, dark-roofed building with a gabled roof. To its right is a smaller, dark-roofed building with a gabled roof. In the foreground, there are several smaller buildings, including a large, dark-roofed building with a gabled roof and a smaller, dark-roofed building. The town is surrounded by green fields and trees. In the background, a large stone building with a gabled roof and a tower is visible. The title 'ANNO'S BRITAIN' is written in a red, stylized font in the upper center of the image.

Anno's Britain Mitsumasa Anno,1985 The illustrations lead the reader on a journey through Great Britain moving freely through time and space Anno Domini: The Story of Christianity in the British Isles Frances Marrow,2018-05-15 Written for the general reader with an interest in how Christianity spread and developed throughout the British Isles Anno Domini The Story of Christianity in the British Isles explores the progress of Christianity in all four countries It also looks at how it contributed greatly to the formation of our culture in the process The book explores the theme of Christianity thoroughly but step by step taking the reader through the early centuries where the Saints played major roles to spread the faith and inspire others on to the arrival of St Augustine in the South and how the mission that followed led to the gradual ascendancy of the Church of Rome over the Celtic churches It then takes the reader through the English Reformation imparting facts and outlooks on the situation in an easy to understand way exploring the religious dissent that followed for many centuries until society learned to live peaceably with religious differences Finally we come to the twenty first century where traditional values have lapsed and secularisation has increased And the story continues as Christians of every persuasion are challenged to respond to present issues A clear well laid out and thoroughly researched book that explains the progress of Christianity with an enthusiasm that should infect its reader Anno Domini will interest the mind and inspire the heart *Saint Columba* Edward Alexander Cooke,1893 *A Catalogue of the Harleian Manuscripts in the British Museum* British Museum,1808
