Annotated Bibliography Of European Anglicisms:

An Annotated Bibliography of European Anglicisms Manfred Görlach, 2023 This is a bibliography of all significant work charting the importation of English into European languages The book is divided by language with each entry accompanied by a critical description of its contents

An Annotated Bibliography of European Anglicisms Manfred Görlach, 2002-05-09 This companion volume to the Dictionary of European Anglicisms and English in Europe also edited by Professor Görlach provides a critical bibliography of works concerned with the import of English words and phrases into sixteen European languages The book covers an international range of foreign word dictionaries etymological dictionaries and general dictionaries books and articles devoted to the influence of English on the language in question works restricted to individual levels of influence e.g. phonology morphology etc. works dealing with the English influence in specific fields in individual styles regions or social classes corpus oriented studies and major works documenting earlier influences of English

A Dictionary of European Anglicisms Manfred Görlach, 2005-06-16 A Dictionary of European Anglicisms documents the spread of English in Europe It provides the first exhaustive and up to date account of British and American English words that have been imported into the main languages of Europe English which imported thousands of words from French and Latin mainly after 1066 is now by far the world's biggest lexical exporter and the trade is growing as English continues to dominate various fields ranging from pop music to electronic communication Several countries have monitored the inflow of anglicisms and some have tried to block it But language as lexicographers have always found and as this book demonstrates once more respects neither boundary nor law The dictionary not only shows which words have been exported where but how the process of importation can change a word's form and function sometimes subtly at others remarkably as in the transformation of painkiller to Bulgarian jack of all trades The book provides a systematic description of the lexical input of English into Icelandic Norwegian Dutch German Russian Polish Croatian Bulgarian French Spanish Italian Romanian Finnish Hungarian Albanian and Greek Each entry has a brief definition of the loan word followed by information on its history and distribution variations in its spelling meaning and pronunciation its route of transmission if not direct from English its degree of acceptance and usage restrictions and its native equivalents and derivatives Grids showing distribution patterns across Europe accompany many of the entries The Dictionary of European Anglicisms is a scholarly tour de force French imported early nineteenth century and the result of a prodigious research effort across Europe masterminded and directed by Manfred Görlach It is a unique resource for comparative analysis and the study of linguistic variation and change It will fascinate linguists and word watchers of all persuasions

Anglicisms in Europe Roswitha Fischer, Hanna Pulaczewska, 2010-09-13 The present volume deals with the influence of the English lexis on other European languages in various fields of discourse social attitudes towards this phenomenon and its reflections in recent lexicographical work It contains some of the papers read at the conference Anglicisms in Europe 2006 which took place at the University of Regensburg Germany It links

linguistic aspects with psychological social political and cultural issues tracing relationships and differences between the respective research interests and findings Its aim is to put the influx of anglicisms into languages other than English into a wide perspective encompassing the European heterogeneity of cultures traditions and developments The volume is divided into four parts which reflect the particular foci of interest in the recent research on anglicisms in the languages of Europe I Cognitive and Semantic Approaches to Anglicisms comprising articles that deal with the cognitive communicative and semantic motivation for contact induced innovation II Attitudes Towards the Influx of Anglicisms with contributions about various national attitudes towards anglicisms and their reflection in the respective languages III The Use of Anglicisms in Specialized Discourse with articles focussing on particular practices and domains such as business sports the sciences and on language varieties used in communication within particular subcultures and IV Anglicisms in Dictionaries comprising articles that deal with the existing dictionaries of anglicisms in European languages and provide a future oriented perspective by making suggestions and recommendations regarding future lexicographic works
