Announcing The Word Of God:

Announcing the Kingdom Arthur F. Glasser, Charles E. Van Engen, Dean S. Gilliland, Shawn B. Redford, 2003-09-01
Announcing the Kingdom provides a comprehensive survey of the biblical foundation of mission. It investigates the development of the kingdom of God theme in the Old Testament, describing what the concept tells us about God's mission in creation, the flood, and the covenant with Abraham. It then describes God's mission through the nation of Israel during the exodus at Mt Sinai and through the kings of Israel. The book then examines God's mission as Israel is sent into exile, and the stage is set for the Messiah's coming. Finally, the book considers the fulfillment of the kingdom of God through Jesus Christ and the church. It examines Jesus' parables and ministry, his proclamation of God's kingdom among the nations, and the work of the Holy Spirit through the church. *Announcing the Kingdom* is the product of Arthur Glasser's more than thirty years of teaching and has been used by thousands of students at Fuller Theological Seminary. Now revised by Glasser's colleagues, this study provides mission workers and students with a new understanding of their calling and its biblical foundation.

Enflamed by the Sacramental Word Vincent J. Pastore, 2010-04-15
Christian proclamation says Dietrich Bonhoeffer is the living Christ walking among the people. Preachers know that Jesus is the living Word and that the Spirit of Jesus animates the preaching event. Preaching is an epiclesis, an invocation of the Holy Spirit over God's holy people. As such, it must touch their imagination. Pastore proposes that preaching is the living ecclesial presence of Jesus Christ, Sacramental Word of the God of the poor. The Word speaks from the imagination of the poor, the economic poor but also the new poor of the twenty-first century: entire indigenous cultures, women, those marginalized because of their sexuality, undocumented immigrants, in dominant cultures, and many others. All Christian preachers in every context are called to solidarity with the poor. **GOD'S**

CALL FOR REPENTANCE (PART - I) Antony I Raj, 2023-05-11
This book helps the reader to understand how important he/she is in the eyes of God. Also, this book enlightens people on how the evil spirits are deceiving them to commit sin and makes them slaves of sin and abuse their body, which is the temple of the Holy Ghost, thereby they indulge in sin endlessly. Further, this book enlightens on how the sinfulness of people makes them lose the blessings which are promised to them by God in obedience. The author's endeavor is to enlighten people on how to overcome their weaknesses and sinful desires that makes them fall in sin repeatedly. Thereby, they can overcome their sinful nature, glorify God, and become an instrument in God's hand to be used in the work of SALVATION and receive eternal life, which was promised by Jesus Christ. Reader is advised to read **GOD'S CALL FOR REPENTANCE PART I** and **GOD'S CALL FOR REPENTANCE PART II** to harvest full benefits.

Rebeck, 1997-10 The meaning and significance of the Christian faith are diminished when its key words are not understood Christians have a special vocabulary of holy words but often have difficulty explaining what those words mean As a result blessings of understanding and spiritual comfort are less than full This book is designed to help

Christians express and appreciate the most important of faith's Holy Words. We assume for example that everyone knows what holy or glory or sin mean. But when we explore the history of these words we uncover a new depth of understanding. Preachers and lay leaders will find this resource helpful in their sermon preparation and Bible study. The index lists over 130 frequently used words, numbers and phrases which have special significance in biblical and religious writings. Some examples are amen, benediction, clergy, devil, Eucharist, kyrie, love, Yahweh and numbers such as 1, 3, 4, 7, 10, 40 and 70 x 7. Also included is an eight lesson guide that will help users conduct a fascinating group study.

New Perspectives for Evangelical Theology Tom Greggs, 2009-12-04. This title addresses some of the major themes within evangelical theology including election, the Holy Spirit, eschatology and sanctification. It examines the Bible and the Church and has chapters on worship and the sacraments.

New Testament TransLine Michael Magill, 2008-07-18. Second Edition. The republishing of the New Testament TransLine has given me the opportunity to fix all the typos that have been brought to my attention. I give thanks to all who helped by pointing out these things. In addition, I have produced the forthcoming Disciples Literal New Testament, tentative title, which is a simplified version of this book about one third its size. It is the same translation found in this volume but now presented in paragraph format, no outline, with interpretive section headings and a few notes. Moving the translation to paragraph format required changes to the punctuation and these are now incorporated into this volume as well. Some improvements to the outline structure of The New Testament TransLine were also made as an outcome of viewing the text in paragraphs. May God bless you as you study His Word and may God use these two works according to His good pleasure. In contradiction to the tenor and direction of our current world, the Word of God will stand forever as objective truth corresponding to true reality from God's point of view. It is not truth for me or true because it works for me but it is truth from God and therefore truth for everyone. Michael Magill, April 2008.

Lange's Commentary of the Holy Scriptures Johann Peter Lange, 2024-08-28. The original 63 volumes set are now reduced to 9 volumes. We have completed volumes 1, 6, 9 which are the New Testament. Lord willing, during 2023-2024 we will try to complete volumes 2, 5 which are the Old Testament. This volume was published between 1867-1874. In contrast to the extreme skeptical critical mode which came to characterize much of German scholarship in the 19th century, Lange represented a more traditional conservative and Evangelical approach shared in common with men such as E. W. Hengstenberg. He was also a Reformed minister and the Commentaries reflect this combination of conservative criticism, Evangelical theology and homiletics in a way that is unique. For each passage that is covered, a consistent approach is adopted throughout. After giving the text in translation along with textual notes as footnotes, three different kinds of commentary are presented: EXEGETICAL AND CRITICAL, DOCTRINAL AND ETHICAL, HOMILETICAL AND PRACTICAL. This gives you three times the value. For each verse you select a drop down box will appear allowing you to choose from each of these areas or kinds of commentary. For detailed analysis go to the exegetical critical notes for sermon ideas and pastoral insights select the Homiletical notes.
