Bible Blindspots Jione Havea, Monica Jyotsna Melanchthon, 2021-11-03 Several of the ways and cultures that the Bible privileges or denounces slip by unnoticed When those the privileged and the denounced are not examined they fade into and hide in the blind spots of the Bible This collection of essays engages some of the subjects who face dispersion physical displacement that sparks ideological bias and othering ideologies that manifest in social distancing and political displacement These include among others the builders of Babel Samaritans Melchizedek Jezebel Judith Gomer Ruth slaves and mothers In addition to considering the drive to privilege or denounce the contributors also attend to subjects ignored because the Bible's blind spots are not examined These include planet Earth indigenous Australians Palestinians Dalits minjungs battered women sexual abuse victims religious minorities mothering men gays and foreigners This collection encourages interchanges and exchanges between dispersion and othering and between the Bible and context It flows in the currents of postcolonial and gendered studies and closes with a script that stages a biblical character at the intersection of the Bible's blind spots and modern readers' passions and commitments

Abingdon New Testament Commentaries: 1 Peter Dr. M. Eugene Boring, 2011-09-01 Identifying the theme of 1 Peter as how the church is to witness responsibly in a non

Christian world Boring emphasizes the necessity of a sympathetic historical understanding of those parts of the letter that collide with modern cultural values and understandings of what Christian commitment and theology require He gives special attention as well to the narrative world within which this ancient writer operated and to the strong affirmation of ecumenism implicit in the letter's amalgamation of traditions stemming from Peter and Paul respectively Through the years Professor Boring has shown himself to be a master of technical exegesis and theology wedded to great pastoral concern These twin talents are fittingly brought to bear on a New Testament document that shows the same union of rich theology and pastoral care Indeed the sober centrist yet moving commentary squares perfectly with the sober centrist yet moving document that is 1 Peter If this commentary is a popularization then it is a popularization of very high caliber a tremendous amount of research and insight is made available and intelligible to a wide public This commentary is not just a rehash of what everyone else has said on 1 Peter The innovative appendix detailing the narrative world of 1 Peter is alone worth the price of admission All in all an excellent contribution to present day literature on an often neglected book of the New Testament John P Meier The Catholic University of America Washington D C

Crispin, 2019-08-08 The Bible has been written by sixty six male prophets kings pharaohs and New Testament authors The Bible has been written by men for men and about men like Noah Abraham Isaac Jacob David Jesus and His Apostles Consequently the Bible is rather male oriented and one can see this in Apostle Paul who says women must not teach to be self controlled and pure to be busy at home to be kind and to be subject to their husbands so that no one will malign the word of God Titus 2 5 NIV *Forgotten Women of the Holy Bible* illuminates several outstanding women in Holy Scripture The author's timeless effort reveals meticulous research and fresh insights into thirty six important women who have been disregarded minimized and even forgotten in Holy Scripture Some of these remarkable women are Priscilla Tabitha Phoebe Joana Lydia Prophetess Miriam Judge Deborah Queen Esther Prophetess Anna and a female apostle named Junia who was in prison with Paul This treasure of chronicles on special women also includes Mother Mary her sister wife of Clopas and Mary Magdalene who stood at the cross with Jesus while the apostles were in hiding After the crucifixion Mary Magdalene and the other Mary bring spices to anoint the body of Jesus When the tomb is found empty these two women run to tell the apostles and the Risen Lord suddenly appears to them on the road The entire event is recorded in Matthew 28 1-10 NIV where the Risen Lord appears to at least two women perhaps more than two Suddenly Jesus met them Greetings he said They came to him clasped his feet and worshiped him Then Jesus said to them Do not be afraid Go and tell my brothers to go to Galilee there they will see me This Holy Scripture is one of many found in the Bible which have been ignored disregarded or totally lost to memory This Bible Study would benefit Christian pastors teachers lay students men and women alike
