Appomattox Campaign March 29 April 9 1865:

The Appomattox Campaign Chris Calkins, 2011 **The Appomattox Campaign** Chris Calkins, 1997-07-21 Previous accounts of the Civil War's last major campaign have often neglected the actual maneuvers and tactics of the units involved. This new addition to the Great Campaigns series features a tactical approach to the final drama of the Civil War. Innovative maps, sidebars, and charts complement a dramatic narrative. The fall of Petersburg and Richmond, the last battles at Five Forks, Sailor's Creek, and Dinwiddie Court House, and the final surrender at Appomattox are all described by an author whose knowledge of the historical sources is equaled by his familiarity with the area over which the armies marched and fought. The author provides a day-to-day narrative of this fascinating campaign with a series of specially commissioned maps that make clear the complex series of maneuvers that finally brought Lee's beleaguered army to bay. Special sidebars highlight many incidents and personalities of the campaign, including never-before-published information on African Americans in Confederate service. Record-keeping, especially for the Confederates, was difficult in the last hectic days of the war, and readers will find here the most complete order of battle available for both sides. *A Guest of Mr. Lincoln* Col. Jayson A. Altieri US Army Ret., 2024-02-20 A Guest of Mr. Lincoln: The Wartime Service of Sergeant Joseph W. Wheelless, Company K, 32nd NC Infantry Regiment, Confederate States Army, is a must-read story of four years of America's colorful history. It is also the story of how the Wheelless family came from England to America in the late 1600s and spread out across the new Republic to participate in its growth from infancy during the American Revolution to the Internet Age and beyond. This book is a story about the legacy of the Wheelless family and how Joseph survived four years of the bloodiest war ever fought in North America. The book also provides snapshots of Joseph's life and experiences before, during, and after the war, most based on available documents, letters, and newspapers of the day, and some based on suppositions. This book is not a political statement about the war or its aftermath; it simply adds another chapter to the story of the Wheelless long history that helps educate current and future generations. *Appomattox Campaign* Dhirubhai Patel, 2020-10-30 The Appomattox campaign was a series of American Civil War battles fought March 29–April 9, 1865, in Virginia that concluded with the surrender of Confederate General Robert E. Victors in Blue Albert Castel, Brooks D. Simpson, 2015-11-20 Make no mistake the Confederacy had the will and valor to fight But the Union had the manpower the money the materiel and most important the generals Although the South had

arguably the best commander in the Civil War in Robert E Lee the North's full house beat their one of a kind Flawed individually the Union's top officers nevertheless proved collectively superior across a diverse array of battlefields and ultimately produced a victory for the Union Now acclaimed author Albert Castel brings his inimitable style insight and wit to a new reconsideration of these generals With the assistance of Brooks Simpson another leading light in this field Castel has produced a remarkable capstone volume to a distinguished career In it he reassesses how battles and campaigns forged a decisive Northern victory reevaluates the generalship of the victors and lays bare the sometimes vicious rivalries among the Union generals and their effect on the war From Shiloh to the Shenandoah Chickamauga to Chattanooga Castel provides fresh accounts of how the Union commanders especially Grant Sherman Sheridan Thomas and Meade but also Halleck Schofield and Rosecrans outmaneuvered and outfought their Confederate opponents He asks of each why he won Was it through superior skill strength of arms enemy blunders or sheer chance What were his objectives and how did he realize them Did he accomplish more or less than could be expected under the circumstances And if less what could he have done to achieve more and why did he not do it Castel also sheds new light on the war within the war the intense rivalries in the upper ranks complicated by the presence in the army of high ranking non West Pointers with political wagons attached to the stars on their shoulders A decade in the writing *Victors in Blue* brims with novel even outrageous interpretations that are sure to stir debate As certain as the Union achieved victory it will inform provoke and enliven sesquicentennial discussions of the Civil War

Senate Documents USA Senate, 1866 *Remembering the Civil War* Caroline E. Janney, 2013-06-03 As early as 1865 survivors of the Civil War were acutely aware that people were purposefully shaping what would be remembered about the war and what would be omitted from the historical record In *Remembering the Civil War* Caroline E Janney examines how the war generation men and women black and white Unionists and Confederates crafted and protected their memories of the nation's greatest conflict Janney maintains that the participants never fully embraced the reconciliation so famously represented in handshakes across stone walls Instead both Union and Confederate veterans and most especially their respective women's organizations clung tenaciously to their own causes well into the twentieth century Janney explores the subtle yet important differences between reunion and reconciliation and argues that the Unionist and Emancipationist memories of the war never completely gave way to the story Confederates told She challenges the idea that white northerners and southerners salved their war wounds through shared ideas about race and shows that debates about slavery often proved to be among the most powerful obstacles to reconciliation

The 4th North Carolina Cavalry in the Civil War Neil Hunter Raiford, 2015-09-03 In April 1862 the Civil War was entering its second year and North Carolina was rallying to supply more troops for the Confederacy The Partisan Ranger Act passed by the Confederate Congress on April 21 prompted local leaders to recruit companies of irregular soldiers for service in the Confederate Army Seven such companies were banded together into a regiment to form the 4th North Carolina Cavalry a true cross section of North Carolina it contained

soldiers from the largest urban areas and smallest rural areas from fifteen counties This history of the 4th North Carolina Cavalry is based largely on primary source material the official records letters diaries and recollections of the soldiers The 4th North Carolina saw action in North Carolina Virginia Maryland and Pennsylvania and was a part of General Lee s Army of Northern Virginia The roster comprises a large part of the book and provides biographical genealogical and military information about each soldier Supplemental Report of the Joint Committee on the Conduct of the War ,1866

"Happiness Is Not My Companion" David M. Jordan,2001-05-28 The valorous but troubled career of the Civil War general best known for defending Little Round Top and averting a Union defeat at Gettysburg The lieutenant colonel of a New York regiment and rising star in the Army of the Potomac Gouverneur K Warren performed heroically at Gettysburg For his service at Bristoe Station and Mine Run he was awarded command of the Fifth Corps for the 1864 Virginia campaign But Warren s peculiarities of temperament and personality put a cloud over his service at the Wilderness and Spotsylvania and cost him the confidence of his superiors Grant and Meade He was summarily relieved of his command by Philip Sheridan after winning the Battle of Five Forks just eight days before Appomattox Warren continued as an engineer of distinction in the Army after the war but he was determined to clear his name before a board of inquiry which conducted an exhaustive investigation into the battle Warren s conduct and Sheridan s arbitrary action However the findings of the court vindicating Warren were not made public until shortly after his death For this major biography of Gouverneur Warren David M Jordan utilizes Warren s own voluminous collection of letters papers orders and other items saved by his family as well as the letters and writings of such contemporaries as his aide and brother in law Washington Roebling Andrew Humphreys Winfield Hancock George Gordon Meade and Ulysses S Grant Jordan presents a vivid account of the life and times of a complex military figure *The Brotherhood of Battle* Jerald L. Marsh,2012-03-22 Stories of generals and battles of the American Civil War have been told and retold but relatively little has been written about the common soldiers who fought in the war In his thoroughly researched history of the Civil War soldiers and families of the upstate New York town of Newark Valley Jerry Marsh sheds light on the lives of three hundred and nineteen soldiers of the town He tells of the preacher s son who prayed to be a faithful soldier under the Stars and Stripes and the Banner of Jesus the eleven families who sent their father and son s to the war the seventy sets of brothers who served the youths and older men who misrepresented their ages to enlist the seventy four men killed or wounded in battle and thirty nine who died of disease the families who brought their dead or dying sons back to be buried at home and the veterans who became productive citizens in New York and across the expanding nation Marsh s narrative is enhanced by photographs letters diaries and anecdotes from descendants of the courageous soldiers who fought to save the Union and ensure the freedom of all citizens of the new nation Annual Report of the Adjutant General of the State of Wisconsin Adjutant General of the State of Wisconsin,2022-03-07 Reprint of the original first published in 1866 Annual Reports of the Adjutant General of the State of Wisconsin for the Years ...
