Appomattox The Last Campaign:

Appomattox Burleigh Cushing Rodick, 1965 This book deals with peace as well as war It includes information on the armistice negotiations the peace terms and good will that developed between the two armies after the surrender

Appomattox 1865 Ron Field, 2015-03-20 From an internationally renowned expert on US history this highly illustrated title details the curtain closing campaign of the American Civil War in the East Ulysses S Grant's Army of the Potomac and Robert E Lee's Army of Northern Virginia faced up to one another one last time resulting in Lee conducting a desperate series of withdrawals and retreats down the line of the Richmond and Danville Railroad hoping to join forces with General Joseph E Johnston's Army of Tennessee This book with informative full colour illustrations and maps tells the full story of the skirmishes and pursuits that led directly to Lee's surrender as his frantic efforts to extricate his forces from ever more perilous positions became increasingly untenable **The Era of the Civil War--1820-1876** Louise A. Arnold-Friend, US Army Military History Institute, 1982 **A Guest of Mr. Lincoln** Col. Jayson A. Altieri US Army Ret., 2024-02-20 A Guest of Mr Lincoln The Wartime Service of Sergeant Joseph W Wheelless Company K 32nd NC Infantry Regiment Confederate States Army is a must read story of four years of America's colorful history It is also the story of how the Wheelless family came from England to America in the late 1600's and spread out across the new Republic to participate in its growth from infancy during the American Revolution to the Internet Age and beyond This book is a story about the legacy of the Wheelless family and how Joseph survived four years of the bloodiest war ever fought in North America The book also provides snapshots of Joseph's life and experiences before during and after the war most based on available documents letters and newspapers of the day and some based on suppositions This book is not a political statement about the war or its aftermath it simply adds another chapter to the story of the Wheelless long history that helps educate current and future generations **The Era of the Civil War--1820-1876** US Army Military History Research Collection, Benjamin Franklin Cooling (III), 1974 **Spring 1865** Perry D. Jamieson, 2015 When Gen Robert E Lee fled from Petersburg and Richmond Virginia in April 1865 many observers did not realize that the Civil War had reached its nadir A large number of Confederates from Jefferson Davis down to the rank and file were determined to continue fighting Though Union successes had nearly extinguished the Confederacy's hope for an outright victory the South still believed it could force the Union to grant a negotiated peace that would salvage some of its war aims As evidence of the Confederacy's determination two major Union campaigns along with a number of smaller engagements were required to quell the continued organized Confederate military resistance In Spring 1865 Perry D Jamieson juxtaposes for the first time the major campaign against Lee that ended at Appomattox and Gen William T Sherman's march north through the Carolinas which culminated in Gen Joseph E Johnston's surrender at Bennett Place Jamieson also addresses the efforts required to put down armed resistance in the Deep South and the Trans Mississippi As both sides fought for political goals following Lee's surrender these campaigns had significant consequences for the political military

Urbanek,2009-09-30 The U S Civil War is not only the history of Americans killing Americans on the battlefields but also a drama of cause and effect and how the conflict perpetually changed the lives of the people communities and a national conscience But do people have the awareness and understanding of the overall nature and upshots of it Aimed at providing readers with valuable information on the Civil War the rise and spread of slavery and other relevant issues author Walter F Urbanek presents his book entitled Conviction Against Convention Quick witted and neatly written Conviction Against Convention is an educational tool that offers a plethora of information on the Civil War Urbanek s major goal is to provide the readers with a comprehensive description of the institution of slavery that led up to the war He points out the mobilization for war a soldier s life in camp their music the naval warfare the battles they fought and their weapons He also shares about the life of the prisoners of war and how they suffered from various inhumane conditions In this book Urbanek offers a vivid portrayal of how economics encouraged not only the use of slavery but also provoked a certain belief related to racism and bigotry Serving as a mirror into the past this book is also designed for the veterans to be able to relate to the fears sorrows and joys of those who had stepped forward to accept the challenge It provides a glimpse of the lives of the commanding generals responsible for organizing equipping training planning implementing and leading their command in war against the enemy It is my hope that when the reader completes the book he or she will have a better understanding and appreciation for the soldiers who participated in America s bloodiest and most costly war a war fought not against nations but rather pitting brother against brother and conviction against convention Urbanek stated adding to his hope that Conviction Against Convention will open the minds of the people to prevent the failures and sins of their ancestors from recurring Lee's Tar Heels Earl J. Hess,2003-04-03 The Pettigrew Kirkland MacRae Brigade was one of North Carolina s best known and most successful units during the Civil War Formed in 1862 the brigade spent nearly a year protecting supply lines before being thrust into its first major combat at Gettysburg There James Johnston Pettigrew s men pushed back the Union s famed Iron Brigade in vicious fighting on July 1 and played a key role in Pickett s Charge on July 3 in the process earning a reputation as one of the hardest fighting units in Robert E Lee s Army of Northern Virginia Despite suffering heavy losses during the Gettysburg campaign the brigade went on to prove its valor in a host of other engagements It marched with Lee to Appomattox and was among the last Confederate units to lay down arms in the surrender ceremony Earl Hess tells the story of the men of the Pettigrew Kirkland MacRae Brigade and especially the famous 26th North Carolina chronicling the brigade s formation and growth under Pettigrew and its subsequent exploits under William W Kirkland and William MacRae Beyond recounting the brigade s military engagements Hess draws on letters diaries memoirs and service records to explore the camp life medical care social backgrounds and political attitudes of these gallant Tar Heels He also addresses the continuing debate between North Carolinians and Virginians over the failure of Pickett s Charge **The 2nd**
