with the answers is food writer Alison Pearlman In *Smart Casual The Transformation of Gourmet Restaurant Style in America* Pearlman investigates what she identifies as the increasing informality in the design of contemporary American restaurants By design Pearlman does not just mean architecture Her argument is more expansive she is as interested in the style and presentation of food the business plan and the marketing of chefs as she is in the restaurant s floor plan or menu design Pearlman takes us hungrily inside the kitchens and dining rooms of restaurants coast to coast from David Chang s Momofuku noodle bar in New York to the seasonal French inspired cuisine of Alice Waters and Thomas Keller in California to the deconstructed comfort food of Homaro Cantu s Moto in Chicago to explore the different forms and flavors this casualization is taking Through lively on the scene observation and interviews with major players and chefs *Smart Casual* will transport readers to restaurants around the country to learn the secrets to their success and popularity It is certain to give foodies and restaurant goers something delectable to chew on This study is erudite and hip written with both verve and a keen analytical eye Ken Albala author of *Beans A History* *Essential Pépin* Jacques Pépin, 2011-10-18 For the first time ever the legendary chef collects and updates the best recipes from his six decade career Featuring DVD clips demonstrating every technique a cook will ever need In his more than sixty years as a chef Jacques P pin has earned a reputation as a champion of simplicity His recipes are classics They find the shortest surest route to flavor avoiding complicated techniques Now in a book that celebrates his life in food the world s most famous cooking teacher winnows his favorite recipes from the thousands he has created streamlining them even further They include Onion Soup Lyonnaise Style which Jacques enjoyed as a young chef while bar crawling in Paris Linguine with Clam Sauce and Vegetables a frequent dinner chez Jacques Grilled Chicken with Tarragon Butter which he makes indoors in winter and outdoors in summer Five Peppercorn Steak his spin on a bistro classic M m s Apple Tart which his mother made every day in her Lyon restaurant and Warm Chocolate Fondue Souffl part cake part pudding part souffl and pure bliss *Essential P pin* spans the many styles of Jacques s cooking homey country French haute cuisine fast food Jacques style and fresh contemporary American dishes Many of the recipes are globally inspired from Mexico across Europe or the Far East In the DVD clips included in the ebook Jacques shines as a teacher as he demonstrates all the techniques a cook needs to know This truly is the essential P pin *Culinary Man and the Kitchen Brigade* Jordan Fallon, 2024-09-23 *Culinary Man and the Kitchen Brigade* offers an exploration of the field of normative subjectivity circulated within western fine dining traditions presenting a theoretical analysis of the governing relationship between the chef who embodies the Culinary Man and the fine dining brigade The book offers a unique treatment of western haute cuisine s interlocking regime of labor and aesthetics and theorizes the underexplored kitchen brigade as a model of disciplinary formation It deploys a heterogeneous set of disciplinary discourses and practices which have the effect of consolidating monopolies on epistemic authority and governance Each position within the brigade s hierarchy is subject to distinct though related disciplinary practices Thus chapters identify the specific practices pertinent to each brigade subject

while also illuminating how they fit together as a coherent hegemonic project The application of Wynterian and Foucauldian insight to the fine dining brigade offers a political theory of culinary work which departs from other food studies texts Notably this work offers an in depth treatment of the brigade s colonial dimensions which resonate with emerging critiques scholarly and general of the race and gender politics of restaurant labor The concluding chapters seek to identify where extant modes of resistance or alternative forms of culinary organization may hold the potential to move beyond the hegemonic overrepresentation of Culinary Man This book will be of great interest to students and scholars from across the social sciences and humanities interested in critical food studies political and cultural theory and popular culinary culture
