Teaching Dance as Art in Education Brenda Pugh McCutchen, 2006 Brenda McCutchen provides an integrated approach to dance education using

four cornerstones dancing and performing creating and composing historical and cultural inquiry and analysing and critiquing She also illustrates the main developmental aspects of dance **Doing Dramaturgy** Maaike Bleeker, 2023-01-01

This book explores how doing dramaturgy is informed by today's highly diverse field of theatre dance and performance It does so in dialogue with fourteen performances and their makers tracing the thinking through practice that underlies these creations The first part of the book looks at how dramaturgs participate in practices of thinking making and introduces a dramaturgical mode of looking at performances and the processes in which they are created The second part of the book discusses the performances and creative processes of Manuela Infante Julian Hetzel Ivo van Hove Anouk van Dijk Falk Richter Milo Rau Kris Verdonck Death Centre Hotel Modern Jr cE sA r Emio Greco and Pieter C Scholten Dries Verhoeven the LGB Society of Mind Sanja Mitrovi and Amanda Pi a Showing how ways of making and ways of doing dramaturgy mutually inform each other this book is an essential resource for students and others aspiring to develop their own dramaturgical practice Closing the Capabilities Gap Ortrud Leßmann, Hans-Uwe Otto, Holger Ziegler, 2011-03-08

The volume relates the Capabilities Approach to research and practice in education welfare economics and social policy Thus it challenges traditional objectives and approaches in these fields The authors suggest a capabilities perspective that calls into question the metric of success of these disciplines and in the fields of politics It moves the attention away from economic growth and human capital towards autonomy and agency freedom of young individuals Especially with respect to the young this implies a substantial shift of perspectives Young persons have been particularly highlighted in the political debate on the one hand side they are one of the groups with the highest risk to face situations of poverty on the other hand side young persons are the main focus group of educational strategies in the form of investments in human capital which dominate the discourse In this context the capability perspective implies a provoking shift of paradigms because it takes place against the background of capitalist societies redefining their notion of the public and diminishing the collective responsibility for the vulnerable The volume discusses whether and in how far the capabilities perspective makes a difference and provides additional value in terms of promoting democracy and justice on a social level as well as well being on the level of individual particularly young individuals **Advances in Critical Care Research and Application: 2011 Edition** , 2012-01-09
