

CONTEMPORARY APPROACHES TO CANADIAN HISTORY

Carl Berger

Approaches To Canadian History

D. A. Muise

Approaches To Canadian History:

Approaches to Canadian Economic History William Thomas Easterbrook, Melville Henry Watkins, 1988 Focusing mainly on the staple theory this collection of essays clearly shows the impact the great staple trades from cod and fur to newsprint and oil had upon Canadian history Other significant frames of reference the role of government the development of commercial agriculture the climate of enterprise and capital formation are also represented Contemporary Approaches to Canadian History Carl Berger, 1987 **Interdisciplinary Approaches to Canadian Society** Association for Canadian Studies, 1990 Far more than a bibliographic account of the major works in Canadian Studies Interdisciplinary Approaches to Canadian Society provides a broad examination of the state of this growing field of study Each chapter stresses the importance of the interdisciplinary and multidisciplinary approaches which have come to characterize Canadian Studies Also in an unprecedented collaborative effort almost all the chapters are jointly authored by anglophone and francophone scholars The works on Quebec and the francophone community respect the distinct nature of this facet of Canada As stated in the introduction this work is a primer in the field and a guide to further pursuits Its users will welcome it as a friendly introduction to an exciting country **Approaches to native history in Canada** D. A. Muise, 1978-01-01 The papers included in this volume concern the different ways in which Europeans have interacted with Native peoples such as through trade religious missions and land use Published in English *APPROACHES TO CANADIAN HISTORY; BY... AND OTHERS.*, 1967 Canadian History: Confederation to the present Martin Brook Taylor, Doug Owram, 1994-01-01 In these two volumes which replace the Reader's Guide to Canadian History experts provide a select and critical guide to historical writing about pre and post Confederation Canada with an emphasis on the most recent scholarship Cover **Essays in Canadian Economic History** Harold A. Innis, 2017-01-01 This volume collects Innis published and unpublished essays on economic history from 1929 to 1952 thereby charting the development of the arguments and ideas found in his books *The Fur Trade in Canada* and *The Cod Fisheries* **Historical Atlas of Canada: From the beginning to 1800** Donald P. (Peter) Kerr, 1987-01-01 Uses maps to illustrate the development of Canada from the last ice sheet to the end of the eighteenth century Prosopography Approaches and Applications K. S. B. Keats-Rohan, 2007 This collection of 29 essays ranging from ancient to modern history and including Arabic Islamic prosopography covers all aspects of prosopography as currently practised **Science, Technology and Canadian History** Richard A. Jarrell, Norman R. Ball, 2006-01-01 The first Conference on the Study of the History of Canadian Science and Technology held in Kingston Ontario in November 1978 marks the emergence of a new Canadian discipline This wide ranging bilingual collection of papers and workshops includes contributions by some of the historians scientists educators students archivists and government representatives present at the conference The papers discuss the nature of the new field its objectives and the problems of resources funding publishing and practical uses which face historians of Canadian science and technology Records of the workshops convey the flavour of

excitement present at the conference Included in the volume are an extensive bibliography and listings of museums and available collections research in progress and conference participants

New Possibilities for the Past Penney Clark, 2011-08-22 The place of history in school curricula has sparked heated debate in Canada Is Canadian history dead Who killed it Should history be put in the service of nation Can any history be truly inclusive New Possibilities for the Past advances the debate by shifting the focus from what should be included in a nation's history to how we should think about and teach the past Museum educators secondary school teachers historians and history educators document the state of history education research They go on to consider the implications of the research for classrooms from kindergarten to graduate school and in other contexts such as museums virtual environments and public institutional settings This book takes into consideration the perspectives of indigenous peoples the citizens of Quebec and advocates of citizenship education This volume sets a comprehensive research agenda for educators policy makers and historians to help students learn about and more importantly understand the significance of the past

Approaches to Canadian History, 1967 **Revisiting Human Rights in Canadian History** Jennifer Tunncliffe, Stephanie Bangarth, 2025-11-13 Through insightful essays Revisiting Human Rights in Canadian History challenges the national myths that celebrate Canada's inclusivity frame this country as a global human rights leader and minimize persistent inequalities at home Contributors to this volume critically examine how Canadian citizens and governments have historically understood and mobilized human rights as well as who has fought for benefitted from and been excluded from them Spanning topics such as incarceration and criminalization women's rights labour movements Indigenous sovereignty grassroots activism immigration and foreign policy this collection reflects the diversity of research driving the rapidly developing field of human rights Both a timely intervention and call to mobilize for social justice Revisiting Human Rights in Canadian History offers a nuanced reassessment of Canada's history and historiography of human rights

Undiplomatic History Asa McKercher, Philip Van Huizen, 2019-04-30 When the field of Canadian history underwent major shifts in the 1990s international history became marginalized and the focus turned away from foreign affairs Over the past decade however the study of Canada and the world has been revitalized Undiplomatic History charts these changes bringing together leading and emerging historians of Canadian international and transnational relations to take stock of recent developments and to outline the course of future research Following global trends in the wider historiography contributors explore new lenses of historical analysis such as race gender political economy identity religion and the environment and emphasize the relevance of non state actors including scientists athletes students and activists The essays in this volume challenge old ways of thinking and showcase how an exciting new generation of historians are asking novel questions about Canadians interactions with people and places beyond the country's borders From human rights to the environment and from medical internationalism to transnational feminism Undiplomatic History maps out a path toward a vibrant and inclusive understanding of what constitutes Canadian foreign policy in an age of global connectivity

Secondary Sources in the History of Canadian Medicine Charles G. Roland, 2006-01-01 This work is a bibliography of secondary sources in Canadian medical history

The Canadian Encyclopedia James H. Marsh, 1999 This edition of The Canadian Encyclopedia is the largest most comprehensive book ever published in Canada for the general reader It is COMPLETE every aspect of Canada from its rock formations to its rock bands is represented here It is UNABRIDGED all of the information in the four red volumes of the famous 1988 edition is contained here in this single volume It has been EXPANDED since 1988 teams of researchers have been diligently fleshing out old entries and recording new ones as a result the text from 1988 has grown by 50% to over 4 000 000 words It has been UPDATED the researchers and contributors worked hard to make the information as current as possible Other words apply to this extraordinary work of scholarship AUTHORITATIVE RELIABLE and READABLE Every entry is compiled by an expert Equally important every entry is written for a Canadian reader from the Canadian point of view The finished work many years in the making and the equivalent of forty average sized books is an extraordinary storehouse of information about our country This book deserves pride of place on the bookshelf in every Canadian Home It is no accident that the cover of this book is based on the Canadian flag For the proud truth is that this volume represents a great national achievement From its formal inception in 1979 this encyclopedia has always represented a vote of faith in Canada in Canada as a separate place whose natural worlds and whose peoples and their achievements deserve to be recorded and celebrated At the start of a new century and a new millennium in an increasingly borderless corporate world that seems ever more hostile to national distinctions and aspirations this Canadian Encyclopedia is offered in a spirit of defiance and of faith in our future The statistics behind this volume are staggering The opening sixty pages list the 250 Consultants the roughly 4 000 Contributors all experts in the field they describe and the scores of researchers editors typesetters proofreaders and others who contributed their skills to this massive project The 2 640 pages incorporate over 10 000 articles and over 4 000 000 words making it the largest some might say the greatest Canadian book ever published There are of course many special features These include a map of Canada a special page comparing the key statistics of the 23 major Canadian cities maps of our cities a variety of tables and photographs and finely detailed illustrations of our wildlife not to mention the colourful informative endpapers But above all the book is encyclopedic which the Canadian Oxford Dictionary describes as embracing all branches of learning This means that with rare exceptions there is satisfaction for the reader who seeks information on any Canadian subject From the first entry A mari usque ad mare from sea to sea which is Canada's motto and a good description of this volume's range to the Zouaves who mustered in Quebec to fight for the beleaguered Papacy there is the required summary of information clearly and accurately presented For the browser the constant variety of entries and the lure of regular cross references will provide hours of fascination The word encyclopedia derives from Greek expressions alluding to a grand circle of knowledge Our knowledge has expanded immeasurably since the time that one mind could encompass all that was known Yet now Canada's finest scientists

academics and specialists have distilled their knowledge of our country between the covers of one volume The result is a book for every Canadian who values learning and values Canada Theorizing Historical Consciousness Peter C. Seixas, 2004-01-01 Our understanding of the past shapes our sense of the present and the future this is historical consciousness While academic history public history and the study of collective memory are thriving enterprises there has been only sparse investigation of historical consciousness itself in a way that relates it to the policy questions it raises in the present With Theorizing Historical Consciousness Peter Seixas has brought together a diverse group of international scholars to address the problem of historical consciousness from the disciplinary perspectives of history historiography philosophy collective memory psychology and history education Historical consciousness has serious implications for international relations reparations claims fiscal initiatives immigration and indeed almost every contentious arena of public policy collective identity and personal experience Current policy debates are laced with mutually incompatible historical analogies and identity politics generate conflicting historical accounts Never has the idea of a straightforward one history that fits all been less workable Theorizing Historical Consciousness sets various theoretical approaches to the study of historical consciousness side by side enabling us to chart the future study of how people understand the past Marking the "Invisible" Andrea M. Hawkman, Sarah B. Shear, 2020-04-01 Substantial research has been put forth calling for the field of social studies education to engage in work dealing with the influence of race and racism within education and society Branch 2003 Chandler 2015 Chandler Husband 2010 King Ladson Billings 2003 Ooka Pang Rivera Ladson Billings 2003 Woyshner Bohan 2012 In order to challenge the presence of racism within social studies research must attend to the control that whiteness and white supremacy maintain within the field This edited volume builds from these previous works to take on whiteness and white supremacy directly in social studies education In Marking the Invisible editors assemble original contributions from scholars working to expose whiteness and disrupt white supremacy in the field of social studies education We argue for an articulation of whiteness within the field of social studies education in pursuit of directly challenging its influences on teaching learning and research Across 27 chapters authors call out the strategies deployed by white supremacy and acknowledge the depths by which it is used to control manipulate confine and define identities communities citizenships and historical narratives This edited volume promotes the reshaping of social studies education to support the histories experiences and lives of Students and Teachers of Color challenge settler colonialism and color evasiveness develop racial literacy and promote justice oriented teaching and learning Praise for Marking the Invisible As the theorization of race and racism continues to gain traction in social studies education this volume offers a much needed foundational grounding for the field From the foreword to the epilogue Marking the Invisible foregrounds conversations of whiteness in notions of supremacy dominance and rage The chapters offer an opportunity for social studies educators to position critical theories of race such as critical race theory intersectionality and settler colonialism at the forefront of critical examinations of whiteness

Any social studies educator researcher concerned with the theorization or teaching of race should engage with this text in their work Christopher L Busey University of Florida

Liberalism and Hegemony Jean-Francois Constant, Michel Ducharme, 2009-04-07 In 2000 Ian McKay a highly respected historian at Queen's University published an article in the Canadian Historical Review entitled The Liberal Order Framework A Prospectus for a Reconnaissance of Canadian History Written to address a crisis in Canadian history this detailed programmatic and well argued article had an immediate impact on the field Proposing that Canadian history should be mapped through a process of reconnaissance and that the Canadian state should be understood as a project of liberal rule in North America the essay prompted debate immediately upon publication Liberalism and Hegemony assembles some of Canada's finest historians to continue the debate sparked by McKay's essay The essays collected here explore the possibilities and limits presented by The Liberal Order Framework for various segments of Canadian history and within them the paramount influence of liberalism throughout the nineteenth and twentieth centuries is debated in the context of aboriginal history environmental history the history of the family the development of political thought and ideas and municipal governance Like McKay's The Liberal Order Framework which is included in this volume with a response to recent criticism Liberalism and Hegemony is a fascinating foray into current historical thought and provides the historical community with a book that will act both as a reference and a guide for future research

Canadian Books in Print 2002 Edited by Butler Marian, Marian Butler, 2002-02 Containing more than 48000 titles of which approximately 4000 have a 2001 imprint the author and title index is extensively cross referenced It offers a complete directory of Canadian publishers available listing the names and ISBN prefixes as well as the street e mail and web addresses
