Approaching Hoofbeats The Four Horsemen Of The Apocalypse:

Approaching Hoofbeats Billy Graham,1983 In John s vision of the Apocalypse we find the warning the hope and the direction we all need *Chetyre vsadnika-- (Otkrovenie Ioana Bogoslova)* Billy Graham,1986 [Exalting Jesus in Revelation](#) Daniel L. Akin,2016-11 Edited by David Platt Daniel L Akin and Tony Merida this new commentary series projected to be 48 volumes takes a Christ centered approach to expositing each book of the Bible *The Grand Finale* Anton Wessels,2020-07-13 We often hear that we are living in apocalyptic times Wars like those in the Middle East are just more signs that the end is near That however is a misunderstanding of the message of the Bible and the Qur an The basic meaning of apocalypse is disclosure revelation bringing to light what is happening now and what has happened throughout all of history The apocalypse is not about making predictions about the future but about determining who bears responsibility for injustice in the world In that sense all times including ours are apocalyptic though in a different way than what is usually thought Since the devastating Greek conquest of the world by Alexander the Great there have been apocalyptic insights and revelatory readings of the whole Hebrew Bible The same is true of the New Testament with Rome as the world power then The same apocalyptic message is confirmed by the Qur an when the Byzantines and the Persians fought for mastery of the world The apocalyptic message is that God will put an end to the unjust dominion of violence money and lies God s kingdom will certainly arrive but not through violence after all there is no violence in God Diognetus *The End* Mark Hitchcock,2012-07-06 A Comprehensive Guide to Bible Prophecy and the End of Days The end times have seen a great amount of interest within the last two decades but there hasn t been a comprehensive overview of biblical prophecy and eschatology for more than five decades Mark Hitchcock s book is a thorough resource for the twenty first century The End will do for eschatology what Randy Alcorn s Heaven did for people s understanding of heaven It will provide a solid biblical foundation for Christians to explore the essential truths around this topic the end of the world In a clear and understandable way The End lays out How to interpret Bible prophecy The key prophecy passages in Scripture What you need to know about the Tribulation the Antichrist and signs of the last days The strengths and weaknesses of the different views on the Rapture the Millennium and the chronology of the end times events The book of Revelation doesn t need to feel daunting The End will give you confidence in and hope for the future as it points you toward the second coming of Christ [Library Lin's Curated Collection of Superlative Nonfiction](#) Linda Maxie,2022-05-05 Trust a librarian to help you find books you ll want to read Library Lin s Curated Collection of Superlative Nonfiction is a librarian s A list of nonfiction books organized by subject area just like a library Linda Maxie Library Lin combed through 65 best books lists going back a century She reviewed tens of thousands of books sorted them according to the Dewey Decimal Classification system and selected an entire library s worth for you to browse without leaving home Here you ll find Summaries of outstanding titles in every subject Suggestions for locating reading material specific to your needs and interests In this broad survey of all the nonfiction categories you will

America's Pastor Grant Wacker,2014-11-07 More than a conventional biography Grant Wacker s interpretive study deepens our understanding of why Billy Graham has mattered so much to so many and how his uncanny ability to appropriate trends in the wider culture allowed him to transform his born again theology into a moral vocabulary capturing the aspirations and fears of average Americans

Billy Graham Ken Garfield,The Charlotte Observer,2013-10-01 Celebrating the life and legacy of one of America s best known religious figures in words and photographs this book traces the amazing journey of the lanky farm boy from Charlotte North Carolina who grew up to preach to more than 200 million people in stadiums and arenas around the world Written by a journalist who covered Graham and his ministry for more than a decade Billy Graham A Life in Pictures chronicles the preacher s rise his friendship with U S presidents his spectacular crusades and his work in building a religious organization that continues with his son Franklin as its leader It also offers a glimpse into Graham s rich family life and how he managed to maintain his integrity while other religious personalities despite or perhaps because of their large followings were losing theirs The book provides a fitting tribute to one of the most important religious leaders of the 20th century a man of unimpeachable character who influenced millions around the globe

THE SIXTH SEAL II Cliff Kelly,2024-01-30 Today we are witnessing the historically powerful American Order experiencing perhaps its greatest peril as it struggles against the tidal wave of new challenges from Covid 19 the rapid rise of Christian Nationalism large scale Apostasy and an increasingly divided nation streaming toward increased violence and possibly even Civil War Dr Kelly takes on these growing trends by examining Scripture by Scripture the Sixth Chapter of the Book of Revelation as a Template to help explain the reasons for the current Crisis and where America is likely headed if we do not effectively and biblically confront it He argues that these events constitute the many Birth Pangs leading up to the stunning Return of Jesus Christ to rescue His true Church and judge the nations But before that Day Christians in America and around the world must prepare to move through those first tumultuous Seals as God sifts and separates the true follower of Christ from the impostors This is a riveting ride and the reader is urged to have a Bible and a notepad close by as we explore what Dr Kelly termed in the first edition of this book The End of History as We Know It 2

Unlocking the Last Days Jeff Lasseigne,2011-03-01 The very title of the last book of the Bible means unveiling Yet this mysterious and confusing book seems to do anything but unveil especially when we read it on our own Unlocking the Last Days takes readers through key parts of this misunderstood book using a verse by verse approach that clearly communicates God s truth warnings and promises Both Bible teachers and students will find this book a welcome aid to understanding an intriguing piece of the Scriptures

apocalyptic genre One answer she argues is that the books provide a sense of identification and communal belonging that counters the social atomization that characterizes modern life This also helps explain why they appeal to female readers despite the deeply patriarchal worldview they promote Tracing the evolution of the genre of rapture fiction Frykholm notes that at one time such narratives expressed a sense of alienation from modern life and protest against the loss of tradition and the marginalization of conservative religious views Now however evangelicalism s renewed popular appeal has rendered such themes obsolete Left Behind evinces a new embrace of technology and consumer goods as tools for God s work while retaining a protest against modernity s transformation of traditional family life Drawing on extensive interviews with readers of the novels Rapture Culture sheds light on a mindset that is little understood and far more common than many of us suppose

The English Civil Wars in the Literary Imagination Claude J. Summers,Ted-Larry Pebworth,1999

The Revelation of Jesus Christ David Crenshaw,2020-08-10 While many theological commentaries have been written on the book of Revelation this one has been written as an easy to understand commentary for those without a seminary education It is not an in depth theological treatise for the use of trained pastors The author is a pastor who has spent more than twenty five years studying and teaching the book of the Revelation in various conservative churches It is unique in that it addresses the issues of the book of Revelation from what is known as the realized millennial or what Dr Jay E Adams described as the orthodox preterist position This position affirms that the events of Revelation are past preterist with the exception of the events in the last two chapters The main attraction to most readers will be the fact it does not use footnotes or endnotes and is therefore much easier to read and understand It will also be attractive because it biblically addresses the erroneous view present in much of the modern church that the events of the Revelation are still future to our time Additionally the book establishes how the events described in the Revelation are related to Old Testament practices and prophecies and it demonstrates the faithfulness of God in keeping His promises to His people
