Sandra Cabot MD, Wendy Perkins,2011-04-01 Christianity in Crisis Hank Hanegraaff,2012-06-18 Nearly two decades ago Hank Hanegraaff's award winning Christianity in Crisis alerted the world to the dangers of a cultic movement within Christianity that threatened to undermine the very foundation of biblical faith But in the 21st century there are new dangers new teachers who threaten to do more damage than the last These are not obscure teachers that Hanegraaff unmasks We know their names We have seen their faces sat in their churches and heard them shamelessly preach and promote the false pretexts of a give to get gospel They are virtual rock stars who command the attention of presidential candidates and media moguls Through make believe miracles urban legends counterfeit Christs and twisted theological reasoning they peddle an occult brand of metaphysics that continues to shipwreck the faith of millions around the globe God cannot do anything in this earthly realm unless we give Him permission Keep saying it I have equality with God talk yourself into it Being poor is a sin The Jews were not rejecting Jesus as Messiah it was Jesus who was refusing to be the Messiah to the Jews You create your own world the same way God creates His He speaks and things happen you speak and they happen Christianity in Crisis 21st Century exposes darkness to light pointing us back to a Christianity centered in Christ From the Preface Having lost the ability to think biblically postmodern Christians are being transformed from cultural change agents and initiators into cultural conformists and imitators Pop culture beckons and postmodern Christians have taken the bait As a result the biblical model of faith has given way to an increasingly bizarre array of fads and formulas *Behind the Scenes* Antonette Smith,2019-04-15 Behind the Scenes is the sequel to The Real Antonette Come Forth book series Behind the Scenes is just what the title means behind all the frontage you've seen and read concerning her life The process to her freedom was a journey in itself Many dead end roads she faced The U turns she had to make the traffic signs pointing her in the right direction speed signs changing her pace to victory the different methods of transportation to her destiny the one way streets she took alone to recovery stopping along the way for repairs by Jesus Under construction the entire process by the Holy Spirit All of her steps ordered by her Father Jehovah Meeting many strangers angels tutors teachers and guides as she traveled this sometimes tedious and lonely road Many do not enter signs on her road to obedience No parking signs indicating this isn't a rest stop to keep moving Even with all the winding roads delays in her process in Behind the Scenes you will see how she reached her wealth in God her prosperity in life health in her body and wholeness in her mind You are something for the Books You had a rough life but look at you now Beautiful just Beautiful You are a good person I am honored to know you Joan Sherman Kenner Louisiana Girl OMG look at you You look great considering all you have gone through You should know what you want and don't want with all your life experiences Amazing remarkable woman so glad to know you Anne Mary Anne Neuman Belle Chase Louisiana

symptoms Fight anxiety and win the war against your worries Think you worry too much You re not alone over 25 million Americans suffer from some form of anxiety Help is here in this friendly guide which offers sound advice on identifying anxiety triggers through taking self tests improving your eating habits relaxing and finding support for you and your loved ones Praise for Overcoming Anxiety For Dummies In Overcoming Anxiety For Dummies Elliot and Smith have provided a timely and informative description of the reasons why people become anxious and what they can do about it Steven D Hollon PhD Professor of Psychology Vanderbilt University Nashville Tennessee

The Prosperity Gospel in Africa Marius Nel,2020-06-15 Africans prevailing interest in the prosperity gospel is not only connected to the influence of American prosperity teachers reaching a worldwide audience through their imaginative use of the media but is also related to the African worldview and African traditional religion and its lasting influence on contemporary Africans and the way they think about prosperity as well as their interest in prosperity in post colonial Africa The research from a classical Pentecostal perspective about the impact of the prosperity message on Africa is necessary timely and relevant because of its influence in the African Pentecostal movement and its potential to harm the faith of believers leading to the potential disillusionment of Christian believers who put their trust and money in formulas and recipes that seemingly only work for others especially the prosperity leaders who lead by example with incredulous riches and wealth

Gradual Reformation Intolerable C. Matthew McMahon,Anthony Burgess,2014-09-28 How hard is it to encourage the people of God toward biblical Reformation and actually see it occur Is there room for a new Reformation today What should Christians think concerning revival today and reforming in the power of the Gospel Could there actually be a present day biblical reformation In the first part of the work beginning with Leviticus 26 23 24 McMahon demonstrates that Reformation ought not to be gradual but immediate Gospel truth dictates spiritual action and God requires his church to be reformed by him through the power of the transforming word of God In the second part Anthony Burgess explains Judges 6 From this text he demonstrates both individual devotion and meaningful reform within the church Set in an era marked by deep religious and societal shifts Burgess s work stands out as a powerful request for spiritual reformation He pushes believers to move beyond mere routine practices and emphasizes a genuine holiness that combines belief with action He draws attention to the current importance of a swift reform highlighting the risks of inaction and secular distractions Reformation in this way he says should be immediate He meticulously details the qualities vital for real reformation acting both as a tender minister and a biblical critic against those who reject reform in the church He spotlights the importance of understanding passion authenticity humility courage and wisdom while also warning against the pitfalls of shallow faith This work isn t just a historical or theological study it serves as a biblical guide for those yearning for spiritual growth and reform before the eyes of King Jesus
