El amor debe ser una realidad en nuestra existencia no solo un sueño o el tema de unos versos. Es un terreno que ha de cobrar vida. Y nunca es demasiado tarde para experimentar amor por primera vez. Debemos aprender a amar ya que muy pocas personas saben cómo hacerlo. Todo el mundo piensa que el amor es necesario que la vida sin él carece de sentido. Pero son muy pocos los que verdaderamente saben cómo amar y todo lo que hacen en nombre del amor no es amor sino cualquier otra cosa. El amor muchas veces se funde con otros muchos conceptos: celos, clara odios, posesión, dominación, ego. Todos ellos venenos que destruyen. El verdadero amar significa deshacerse de todas estas interferencias. Solo entonces en ese preciso momento un amor de una calidad inédita florece a nuestro alrededor. **#vidasincole** Marta Obiols Llistar, 2022-05-22 En el año 2012 después de reiteradas experiencias decepcionantes en varias escuelas de Atlanta Marta Obiols toma la valiente decisión de sacar a sus tres hijos del sistema escolar y educarlos en casa. Siempre pensando en el bienestar de los tres niños está licenciada en Educación Especial apostando por el unschooling, una modalidad del homeschooling, educación en casa que permite a los niños guiar su propio aprendizaje a su ritmo y en un entorno amigable y favorecedor de su curiosidad natural. Así pues la mujer que nunca soñó con ser ama de casa y mucho menos con criar a sus hijos sin escuela se vio sumergida en una vida que jamás se imaginó pero que resultó muy gratificante. Y sus niños libres de repente para jugar y explorar pasiones como montar a caballo o tirar al arco se convirtieron en estudiantes voluntarios de la vida absorbiendo conocimientos y aprendiendo sin cesar y por placer. En el camino de la educación libre Marta, su marido y sus tres hijos han pasado por algunos momentos complicados pero sobre todo han disfrutado experiencias vitales maravillosas irrepetibles e inesperadas compartidas con familias afines que han ido conociendo en distintas cooperativas de educación en casa. **vidasincole** recorre el camino a la felicidad de una familia que sigue educando fuera del sistema educativo escolar. **PEDRINHO APRENDE A CANTAR — Vol. 1**, **Historia del violín** Zdenko Silvela, 2003. **Experiencias, Annotated Instructor's Edition** Diane Ceo-DiFrancesco, 2019-10-15 Experiencias offers carefully sequenced activities pre-tested in the authors' own classes that focus on personal interaction and real communication. All face-to-face activities are easily adaptable for digital environments and writing assignments. Recycling Throughout both volumes Experiencias incorporates activities that recycle previously learned material but with new topics which allows students to continue mastering vocabulary and structures encountered earlier in the program. **Quechua de Huarás, en Español e Inglés: Glosario** Menandra Mosquera, 2012-11-30 This glossary has been prepared in order to leave a record of the Quechua spoken by the people of Huarás and surrounding areas in the mid 20th century. Huarás capital of the Region Department of Ancash, Peru has a distinct form of Quechua. That dialect was endangered due to a massive earthquake.

on May 31 1970 Tens of thousands of people died and the city was destroyed Many of the survivors left the area Once rebuilt Huar s was repopulated with people new to the area who use Spanish or a different dialect to communicate Since then technological influences such as the Internet also reinforce the use of Spanish to the detriment of the local Quechua Born in Huar s I was raised in a bilingual environment Spanish and Quechua Although I left the area to attend the university I could always feel at home upon returning until that earthquake Since then it seems strange to return to an unfamiliar city due to people language and environment I hope this glossary will help the newer generations better understand not only their grandparents and ancestors but the culture from which they come Language and culture are intimately tied and much more than words is lost when a language dies The Inca Empire Tahuantinsuyo was invaded by Spain in 1532 At that time Quechua was spoken never written throughout the Inca civilization with many dialects Since then the Spanish language has been imposed but in Huar s never did it replace Quechua to the extent that it did in 1970 This glossary contains words several verb forms and phrases It is written with the expectation that it may help to preserve the inherited Quechua so that Huar s may remain bilingual It is written for huarasinos the people of Huar s If others find it useful better yet The glossary is in Quechua To facilitate access to the Quechua indices in Spanish and in English are included M Mosquera *Investigación musical y nuevas tecnologías.
