

The book cover features a reproduction of a Renaissance painting, likely by Hans Holbein the Younger, depicting a man in a green robe with a fur collar. He is holding a book or a set of papers. In the background, another face is visible, and there are architectural elements. The title 'APRIL BLOOD' is printed in large, white, serif capital letters across the center of the cover.

April Blood Florence And The Plot Against The Medici:

April Blood Lauro Martines, 2003-04-24 One of the world's leading historians of Renaissance Italy brings to life here the vibrant and violent society of fifteenth century Florence. His disturbing narrative opens up an entire culture revealing the dark side of Renaissance man and politician Lorenzo de Medici. On a Sunday in April 1478 assassins attacked Lorenzo and his brother as they attended Mass in the cathedral of Florence. Lorenzo scrambled to safety as Giuliano bled to death on the cathedral floor. April Blood moves outward in time and space from that murderous event unfolding a story of tangled passions, ambition, treachery and revenge. The conspiracy was led by one of the city's most noble clans, the Pazzi financiers who feared and resented the Medici's swaggering new role as political bosses, but the web of intrigue spread through all of Italy. Bankers, mercenaries, the Duke of Urbino, the King of Naples and Pope Sixtus IV entered secretly into the plot. Florence was plunged into a peninsular war and Lorenzo was soon fighting for his own and his family's survival. The failed assassination doomed the Pazzi. Medici revenge was swift and brutal: plotters were hanged or beheaded, innocents were hacked to pieces and bodies were put out to dangle from the windows of the government palace. All remaining members of the larger Pazzi clan were forced to change their surname and every public sign or symbol of the family was expunged or destroyed. April Blood offers us a fresh portrait of Renaissance Florence where dazzling artistic achievements went side by side with violence, craft and bare knuckle politics. At the center of the canvas is the figure of Lorenzo, the Magnificent, poet, statesman, connoisseur, patron of the arts and ruthless boss of bosses. This extraordinarily vivid account of a turning point in the Italian Renaissance is bound to become a lasting work of history.

[Dynastic Marriages 1612/1615](#) Margaret M. McGowan, 2016-04-29 The union of the two royal houses, the Habsburgs and the Bourbons, in the early seventeenth century illustrates the extent to which marriage was a tool of government in Renaissance Europe and festivals a manifestation of power and cultural superiority. With contributions from scholars representing a range of disciplines, this volume provides an all-round view of the sequence of festivals and events surrounding the dynastic marriages which were agreed upon in 1612 but not celebrated until 1615, owing to the constant interruption of festivities by Protestant uprisings. The occasion inspired an extraordinary range of records: from exchanges of political pamphlets, descriptions of festivities, visual materials, the music of songs and ballets and the impressions of witnesses and participants. The study of these remarkable sources shows how a team of scholars from diverse disciplines can bring into focus again the creative genius of artists, painters, architects and costume designers, musicians and poets, experts in equestrianism, in pyrotechnics and in the use of symbolic languages. Their artistic efforts were staged against a background of intense political diplomacy and continuing civil strife, and yet the determination of Marie de Medici and her advisers and of the Duke of Lerma brought to a triumphant conclusion negotiations and spectacular commemorations whose legacy was to inform festival art throughout European courts for decades. In addition to printed and manuscript sources, the volume identifies ways of giving future researchers access to festival texts and studies through

digitization making the book both an in depth analysis of a particular occasion and a blueprint for future engagement with digital festival resources

A Short History of the Italian Renaissance Kenneth R. Bartlett, 2013-07-17 Award winning lecturer Kenneth R Bartlett applies his decades of experience teaching the Italian Renaissance to this beautifully illustrated overview In his introductory Note to the Reader Bartlett first explains why he chose Jacob Burckhardt s classic narrative to guide students through the complex history of the Renaissance and then provides his own contemporary interpretation of that narrative Over seventy color illustrations genealogies of important Renaissance families eight maps a list of popes a timeline of events a bibliography and an index are included

Sun Tzu in Space Gregory D. Miller, 2023-03-14 Sun Tzu in Space provides a novel way of thinking about the future connecting international relations history and science fiction to better understand some of the various paths for future human activities in space Simultaneously it provides a way to use science fiction to help students and the public learn about international relations and the cyclical nature of history Author Gregory D Miller uses case studies history and foundational international relations concepts to draw big or at least possible conclusions about humanity s future in space By combining the lessons of science fiction and the facts of the past Miller presents possible outcomes with a goal of illuminating where things could go wrong or wonderfully right as humans venture forth into space in greater numbers in the in the decades to come

The Politics of Law in Late Medieval and Renaissance Italy Lawrin Armstrong, Julius Kirshner, 2011-03-30 The Politics of Law in Late Medieval and Renaissance Italy features original contributions by international scholars on the fortieth anniversary of the publication of Lauro Martines Lawyers and Statecraft in Renaissance Florence which is recognized as a groundbreaking study challenging traditional approaches to both Florentine and legal history Essays by leading historians examine the professional social and political functions of Italian jurists from the thirteenth to the late fifteenth centuries The volume also examines the use of emergency powers the critical role played by jurists in mediating the rule of law and the adjudication of political crimes The Politics of Law in Late Medieval and Renaissance Italy provides both an assessment of Martines pioneering archival scholarship as well as fresh insights into the interplay of law and politics in late medieval and Renaissance Italy

Mummies, Cannibals and Vampires Richard Sugg, 2015-11-06 Mummies Cannibals and Vampires charts in vivid detail the largely forgotten history of European corpse medicine which saw kings ladies gentlemen priests and scientists prescribe swallow or wear human blood flesh bone fat brains and skin in an attempt to heal themselves of epilepsy bruising wounds sores plague cancer gout and depression In this comprehensive and accessible text Richard Sugg shows that far from being a medieval therapy corpse medicine was at its height during the social and scientific revolutions of early modern Britain surviving well into the eighteenth century and amongst the poor lingering stubbornly on into the time of Queen Victoria Ranging from the execution scaffolds of Germany and Scandinavia through the courts and laboratories of Italy France and Britain to the battlefields of Holland and Ireland and on to the tribal man eating of the Americas Mummies Cannibals and Vampires argues that the real

cannibals were in fact the Europeans Picking our way through the bloodstained shadows of this remarkable secret history we encounter medicine cut from bodies living and dead sacks of human fat harvested after a gun battle gloves made of human skin and the first mummy to appear on the London stage Lit by the uncanny glow of a lamp filled with human blood this second edition includes new material on exo cannibalism skull medicine the blood drinking of Scandinavian executions Victorian corpse stroking and the magical powers of candles made from human fat In our quest to understand the strange paradox of routine Christian cannibalism we move from the Catholic vampirism of the Eucharist through the routine filth and discomfort of early modern bodies and in to the potent numinous source of corpse medicine s ultimate power the human soul itself Now accompanied by a companion website with supplementary articles interviews with the author related images summaries of key topics and a glossary the second edition of *Mummies Cannibals and Vampires* is an essential read for anyone interested in the history of medicine early modern history and the darker hidden past of European Christendom

Ippolita Maria Sforza Jeryldene M. Wood, 2020-06-26 In April 1455 ten year old Ippolita Maria Sforza a daughter of the Duke and Duchess of Milan was betrothed to the seven year old crown prince of the Kingdom of Naples as a symbol of peace and reconciliation between the two rival states This first full scale biography of Ippolita Maria follows her life as it unfolds at the rival courts of Milan and Naples amid a cast of characters whose political intrigues too often provoked assassinations insurrections and wars She was conscious of her duty to preserve peace despite the strains created by her husband s arrogance her father in law s duplicity and her Milanese brothers contentiousness The duchess s intelligence and charm calmed the habitual discord between her families and in time her diplomatic savvy and her great friendship with Lorenzo de Medici of Florence made her a key player in the volatile politics of the peninsula for almost 20 years Drawing on her letters and contemporary chronicles memoirs and texts this biography offers a rare look into the private life of a Renaissance woman who attempted to preserve a sense of self while coping with a tempestuous marriage dutifully giving birth to three children and supervising a large household under trying political circumstances *Machiavelli and the Orders of Violence* Yves Winter, 2018-09-20 Niccol Machiavelli is the most prominent and notorious theorist of violence in the history of European political thought prominent because he is the first to candidly discuss the role of violence in politics and notorious because he treats violence as virtue rather than as vice In this original interpretation Yves Winter reconstructs Machiavelli s theory of violence and shows how it challenges moral and metaphysical ideas Winter attributes two central theses to Machiavelli first violence is not a generic technology of government but a strategy that tends to correlate with inequality and class conflict and second violence is best understood not in terms of conventional notions of law enforcement coercion or the proverbial last resort but as performance Most political violence is effective not because it physically compels another agent who is thus coerced rather it produces political effects by appealing to an audience As such this book shows how in Machiavelli s world violence is designed to be perceived experienced remembered and narrated *Brilliant Bodies* Timothy McCall, 2022-02-09

Italian court culture of the fifteenth century was a golden age gleaming with dazzling princes splendid surfaces and luminous images that separated the lords from the literally lackluster masses In *Brilliant Bodies* Timothy McCall describes and interprets the Renaissance glitterati gorgeously dressed and adorned men to reveal how charismatic bodies in the palazzo and the piazza seduced audiences and materialized power Fifteenth century Italian courts put men on display Here men were peacocks attracting attention with scintillating brocades shining armor sparkling jewels and glistening swords spurs and sequins McCall s investigation of these spectacular masculinities challenges widely held assumptions about appropriate male display and adornment Interpreting surviving objects visual representations in a wide range of media and a diverse array of primary textual sources McCall argues that Renaissance masculine dress was a political phenomenon that fashioned power and patriarchal authority *Brilliant Bodies* describes and recontextualizes the technical construction and cultural meanings of attire casts a critical eye toward the complex and entangled relations between bodies and clothing and explores the negotiations among makers wearers and materials This groundbreaking study of masculinity makes an important intervention in the history of male ornamentation and fashion by examining a period when the public display of splendid men not only supported but also constituted authority It will appeal to specialists in art history and fashion history as well as scholars working at the intersections of gender and politics in quattrocento Italy

Wives, Widows, Mistresses, and Nuns in Early Modern Italy Katherine A. McIver, 2016-12-05 Through a visually oriented investigation of historical invisibility in early modern Italy the essays in this volume recover those women wives widows mistresses the illegitimate who have been erased from history in modern literature rendered invisible or obscured by history or scholarship as well as those who were overshadowed by male relatives political accident or spatial location A multi faceted invisibility of the individual and of the object is the thread that unites the chapters in this volume Though some women chose to be invisible for example the cloistered nun these essays show that in fact their voices are heard or seen through their commissions and their patronage of the arts which afforded them some visibility Invisibility is also examined in terms of commissions which are no longer extant or are inaccessible What is revealed throughout the essays is a new way of looking at works of art a new way to visualize the past by addressing representational invisibility the marginalized or absent subject or object and historical invisibility to discover who does the looking and how this shapes how something or someone is visible or invisible The result is a more nuanced understanding of the place of women and gender in early modern Italy

Music and Culture in the Middle Ages and Beyond Benjamin Brand, David J. Rothenberg, 2016-10-27 The essays in this volume offer diverse innovative approaches to medieval music and culture

April Blood Lauro Martines, 2011-01-31 In April 1478 a plot to murder the two heads of the powerful Medici family dramatically miscarried The younger of the two brothers was killed but Lorenzo the Magnificent the brilliant poet and connoisseur escaped A bloodbath followed and all of Italy was at once affected as it emerged that the Pope the King of Naples and the Duke of Urbino were deeply implicated in the plot and that binding treaties required Milan and

Venice to assist Florence If the conspirators had succeeded and Lorenzo had been killed the future of the Medici family and indeed of the Florentine state would have been utterly transformed [Ulwencreutz's The Royal Families in Europe V](#) Lars Ulwencreutz,2013-10-30 Ulwencreutz s Royal Families in Europe V A brief history of the ruling houses during the last 2000 years From the house of La Tour d Auvergne to the house of Zahringen **Globalism in the Middle Ages and the Early Modern Age** Albrecht Classen,2023-09-05 Although it is fashionable among modernists to claim that globalism emerged only since ca 1800 the opposite can well be documented through careful comparative and transdisciplinary studies as this volume demonstrates offering a wide range of innovative perspectives on often neglected literary philosophical historical or medical documents Texts images ideas knowledge and objects migrated throughout the world already in the pre modern world even if the quantitative level compared to the modern world might have been different In fact by means of translations and trade for instance global connections were established and maintained over the centuries Archetypal motifs developed in many literatures indicate how much pre modern people actually shared But we also discover hard core facts of global economic exchange import of exotic medicine and on another level intensive intellectual debates on religious issues Literary evidence serves best to expose the extent to which contacts with people in foreign countries were imaginable often desirable and at times feared of course The pre modern world was much more on the move and reached out to distant lands out of curiosity economic interests and political and military concerns Diplomats crisscrossed the continents and artists poets and craftsmen traveled widely We can identify for instance both the Vikings and the Arabs as global players long before the rise of modern globalism so this volume promises to rewrite many of our traditional notions about pre modern worldviews economic conditions and the literary sharing on a global level as perhaps best expressed by the genre of the fable **Visualizing Medieval Medicine and Natural History, 1200-1550** Jean A. Givens,Karen M. Reeds,Alain Touwaide,2016-12-05 Images in medieval and early modern treatises on medicine pharmacy and natural history often confound our expectations about the functions of medical and scientific illustrations They do not look very much like the things they purport to portray and their actual usefulness in everyday medical practice or teaching is not obvious By looking at works as diverse as herbals jewellery surgery manuals lay health guides cinquecento paintings manuscripts of Pliny s Natural History and Leonardo s notebooks Visualizing Medieval Medicine and Natural History 1200 1550 addresses fundamental questions about the interplay of art and science from the thirteenth to the mid sixteenth century What counts as a medical illustration in the Middle Ages What are the purposes and audiences of the illustrations in medieval medical pharmaceutical and natural history texts How are images used to clarify expand authenticate and replace these texts How do images of natural objects observed phenomena and theoretical concepts amplify texts and convey complex cultural attitudes What features lead us to regard some of these images as typically medieval while other exactly contemporary images strike us as Renaissance or early modern in character Art historians medical historians historians of science and specialists in manuscripts and early printed books will welcome

this wide ranging interdisciplinary examination of the role of visualization in early scientific inquiry The Pleasant Nights - Volume 2 Don Beecher, 2012-10-19 Renowned today for his contribution to the rise of the modern European fairy tale Giovan Francesco Straparola c 1480 c 1557 is particularly known for his dazzling anthology The Pleasant Nights Originally published in Venice in 1550 and 1553 this collection features seventy three folk stories fables jests and pseudo histories including nine tales we might now designate for mature readers and seventeen proto fairy tales Nearly all of these stories including classics such as Puss in Boots made their first ever appearance in this collection together the tales comprise one of the most varied and engaging Renaissance miscellanies ever produced Its appeal sustained it through twenty six editions in the first sixty years This full critical edition of The Pleasant Nights presents these stories in English for the first time in over a century The text takes its inspiration from the celebrated Waters translation which is entirely revised here to render it both more faithful to the original and more sparkishly idiomatic than ever before The stories are accompanied by a rich sampling of illustrations including originals from nineteenth century English and French versions of the text As a comprehensive critical and historical edition these volumes contain far more information on the stories than can be found in any existing studies literary histories or Italian editions of the work Donald Beecher provides a lengthy introduction discussing Straparola as an author the nature of fairy tales and their passage through oral culture and how this phenomenon provides a new reservoir of stories for literary adaptation Moreover the stories all feature extensive commentaries analysing not only their themes but also their fascinating provenances drawing on thousands of analogue tales going back to ancient Sanskrit Persian and Arabic stories Immensely entertaining and readable The Pleasant Nights will appeal to anyone interested in fairy tales ancient stories and folk creations Such readers will also enjoy Beecher's academically solid and erudite commentaries which unfold in a manner as light and amusing as the stories themselves *The Jewish-Christian Encounter in Medieval Preaching* Jonathan Adams, Jussi Hanska, 2014-10-03 This book explores the complexity of preaching as a phenomenon in the medieval Jewish Christian encounter This was not only an encounter as physical meeting or confrontation such as the forced attendance of Jews at Christian sermons that took place across Europe but also an imaginary or theological encounter in which Jews remained a figure from a distant constructed time and place who served only to underline and verify Christian teachings Contributors also explore the Jewish response to Christian anti Jewish preaching in their own preaching and religious instruction **Print and Power in Early Modern Europe (1500-1800)** Nina Lamal, Jamie Cumby, Helmer J. Helmers, 2021-06-08 Print in the early modern period could make or break power This volume addresses one of the most urgent and topical questions in early modern history how did European authorities use a new medium with such tremendous potential The eighteen contributors develop new perspectives on the relationship between the rise of print and the changing relationships between subjects and rulers by analysing print's role in early modern bureaucracy the techniques of printed propaganda genres and strategies of state communication While print is often still thought of as an emancipating and disruptive force of change in early modern

societies the resulting picture shows how instrumental print was in strengthening existing power structures Contributors Renaud Adam Martin Christ Jamie Cumby Arthur der Weduwen Nora Epstein Andreas Golob Helmer Helmers Jan Hillgruber Rindert Jagersma Justyna Kiliaczyk Zi ba Nina Lamal Margaret Meserve Rachel Midura Gautier Mingous Ernesto E Oyarbide Magaña Caren Reimann Chelsea Reutchke Celyn David Richards Paolo Sachet Forrest Strickland and Ramon Voges *The Medicis* Heather Lehr Wagner, 2005 Profiles the powerful financial dynasty of the House of Medici of Renaissance era Italy

The Da Vinci Globe Stefaan Missinne, 2019-01-17 A chance discovery at a distinguished London map fair in 2012 by a Belgian globe collector produced the most unique of finds a distinct globe with mysterious images such as old ships sailors a volcano a hybrid monster pentimenti waving patterns conic individualised mountains curving rivers vigorous coastal lines chiaroscuro and an unresolved triangular anagram which remains an enigma The globe is hand engraved in great detail on ostrich egg shells from Pavia by a left handed Renaissance genius of unquestionable quality It shows secret knowledge of the map world from the time of Columbus Cabral Amerigo Vespucci and Leonardo da Vinci Central and North America are covered by a vast ocean The da Vinci globe originates from Florence and dates from 1504 It marks the first time ever that the names of countries such as Brazil Germania Arabia and Judea have appeared on a globe A Leonardo drawing for this globe showing the coast of the New World and Africa has been discovered in the British Library This book brings the reader through a fabulous journey of scholars maps riddles rebuses iconographic symbols and enigmatic phrases such as HIC SVNT DRACONES to illuminate the da Vinci globe It details 500 years of mystery fine scholarship and expert forensic testing at numerous material science laboratories the world over The da Vinci globe now takes its rightful place surpassing the Lenox globe its copper cast identical twin as the most mysterious globe of our time As such this monograph is an essential text in Leonardo studies and in the history of cartography

Unveiling the Magic of Words: A Overview of "**April Blood Florence And The Plot Against The Medici**"

In a global defined by information and interconnectivity, the enchanting power of words has acquired unparalleled significance. Their ability to kindle emotions, provoke contemplation, and ignite transformative change is actually awe-inspiring. Enter the realm of "**April Blood Florence And The Plot Against The Medici**," a mesmerizing literary masterpiece penned by a distinguished author, guiding readers on a profound journey to unravel the secrets and potential hidden within every word. In this critique, we shall delve to the book is central themes, examine its distinctive writing style, and assess its profound impact on the souls of its readers.

April Blood Florence And The Plot Against The Medici Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free April Blood Florence And The Plot Against The Medici PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals

fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free April Blood Florence And The Plot Against The Medici PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of April Blood Florence And The Plot Against The Medici free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About April Blood Florence And The Plot Against The Medici Books

1. Where can I buy April Blood Florence And The Plot Against The Medici books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a April Blood Florence And The Plot Against The Medici book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of April Blood Florence And The Plot Against The Medici books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.

5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
7. What are April Blood Florence And The Plot Against The Medici audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.
9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.
10. Can I read April Blood Florence And The Plot Against The Medici books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
