United States. Congress. Senate. Appropriations Committee,1954 **Giant in the Shadows** Jason Emerson,2012-03-27
University Press Books for Public and Secondary Schools 2013 edition Book of the Year by the Illinois State historical Society
2013 Although he was Abraham and Mary Lincoln s oldest and last surviving son the details of Robert T Lincoln s life are
misunderstood by some and unknown to many others Nearly half a century after the last biography about Abraham Lincoln s
son was published historian and author Jason Emerson illuminates the life of this remarkable man and his achievements in
Giant in the Shadows The Life of Robert T Lincoln Emerson after nearly ten years of research draws upon previously
unavailable materials to offer the first truly definitive biography of the famous lawyer businessman and statesman who much
more than merely the son of America s most famous president made his own indelible mark on one of the most progressive
and dynamic eras in United States history Born in a boardinghouse but passing his last days at ease on a lavish country
estate Robert Lincoln played many roles during his lifetime As a president s son a Union soldier an ambassador to Great
Britain and a U S secretary of war Lincoln was indisputably a titan of his age Much like his father he became one of the
nation s most respected and influential men building a successful law practice in the city of Chicago serving shrewdly as
president of the Pullman Car Company and at one time even being considered as a candidate for the U S presidency Along
the way he bore witness to some of the most dramatic moments in America s history including Robert E Lee s surrender at
Appomattox Courthouse the advent of the railroad telephone electrical and automobile industries the circumstances
surrounding the assassinations of three presidents of the United States and the momentous presidential election of 1912
Giant in the Shadows also reveals Robert T Lincoln s complex relationships with his famous parents and includes previously
unpublished insights into their personalities Emerson reveals new details about Robert s role as his father s confidant during
the brutal years of the Civil War and his reaction to his father s murder his prosecution of the thieves who attempted to steal
his father s body in 1876 and the extraordinary measures he took to ensure it would never happen again as well as details
about the painful decision to have his mother committed to a mental facility In addition Emerson explores the relationship
between Robert and his children and exposes the actual story of his stewardship of the Lincoln legacy including what he and
his wife really destroyed and what was preserved Emerson also delves into the true reason Robert is not buried in the Lincoln
tomb in Springfield but instead was interred at Arlington National Cemetery Meticulously researched full of never before
seen photographs and new insight into historical events Giant in the Shadows is the missing chapter of the Lincoln family
story Emerson s riveting work is more than simply a biography it is a tale of American achievement in the Gilded Age and the
endurance of the Lincoln legacy Report United States. Congress. House,1954 **FAA Future Telecommunications**
