Aquarius Rising Book III Fred Zengel, 2005-05-31 At the bidding of Frank the mystic among them he Mary Paul Capo Helen and Barbara reunite again to celebrate the Harmonic Convergence in August 1987 Although the explicit focus of this reunion is the Zapotec and Mayan prophetic tradition as much or more about our human condition is revealed through the interaction of these six friends who by now have matured from hippies into yuppies Turn Off Your Mind Gary Lachman, 2011 How did a decade that dawned with the Age of Aquarius end in Altamont and the Manson Family bloodbath The 1960s were a time of revolution political social psychedelic sexual But there was another revolution that many historians forget the rise of a powerful current that permeated pop culture and has been a central influence on it ever since It was a magical revolution a revival of the occult Previously rejected and ridiculed beliefs took centre stage reaching the Beatles and the Rolling Stones saturating the the hippies and flower power hitting the big screen with Rosemary's Baby and the bookshelves with Lord of the Rings The Tarot I Ching astrology Kabbala yogis witchcraft UFOs Aleister Crowley Yin Yang and the Tibetan Book of the Dead now became the common currency they are today But the vibes went bad the auras darkened Did that darker undercurrent win out Gary Lachman here charts this explosion its rise and fall and its enduring legacy This text refers to an out of print or unavailable edition of this title *Deep Green Resistance* Derrick Jensen, Aric McBay, Lierre Keith, 2011-01-04 For years Derrick Jensen has asked his audiences Do you think this culture will undergo a voluntary transformation to a sane and sustainable way of life No one ever says yes Deep Green Resistance starts where the environmental movement leaves off industrial civilization is incompatible with life Technology can't fix it and shopping no matter how green won't stop it To save this planet we need a serious resistance movement that can bring down the industrial economy Deep Green Resistance evaluates strategic options for resistance from nonviolence to guerrilla warfare and the conditions required for those options to be successful It provides an exploration of organizational structures recruitment security and target selection for both aboveground and underground action Deep Green Resistance also discusses a culture of resistance and the crucial support role that it can play Deep Green Resistance is a plan of action for anyone determined to fight for this planet and win **New Age & the Last Days Deception** Billy Crone, 2019-03 Some would say New Age refers to those flower loving freewheeling people in the 60s who wore tinfoil triangles on their head Others will remark it has to do with those who fear for the ecosystem Still some will give you a blank stare and say they have no idea what you're talking about Yet little do any of these people realize that the beliefs and teachings of the New Age Movement have not only permeated virtually every sector of our society but they are leading mankind towards the greatest time of deceit this planet has ever seen Therefore this book New Age the Last Days Deception seeks to give you the reader an in depth insight into the background and beliefs of the New Age Movement and how they are attempting to lead and deceive our planet Here you will discover such shocking facts as The Basics of New Age New Age in Society The Beliefs of New Age New Age Astrology The
