

An artistic illustration of a desktop pond ecosystem. At the top, a green fern frond arches over the scene. Below it, a blue circular object, possibly a CD or a small pond, is visible. The background is a light blue gradient. In the foreground, a brown, textured, conical object, resembling a tree stump or a piece of wood, sits on a sandy surface. A small green starfish is attached to the side of this object. Two fish, one larger and one smaller, are swimming in the water. The larger fish is yellow and purple, while the smaller one is white and purple. In the bottom right corner, there are several red, branching, coral-like structures. The title 'Aquatic Habitats' is written in large, bold, orange letters, and the subtitle 'Exploring Desktop Ponds' is written in smaller, black letters below it.
