knowing where they came from or how they got here And there is much much more We also learn of others whose work historically spanned these deserts from Hadji Ali Hi Jolly the first Moslem Arab to bring camels to America to Robert Forbes an Arizonan who explored the desert oases of the Sahara These men crossed not only oceans but political and cultural barriers as well We are we recognize builders of walls and borders but with all the talk of homeland today Nabhan reminds us that quite often borders are simply lines drawn in the sand
