Arab Marco Polo Ibn Battuta:

The Arab Marco Polo Lucile McDonald, 1975-05-28 *The Arab Marco Polo, Ibn Battuta* Lucile Saunders McDonald, 1975 A biography of the fourteenth century Muslim scholar who traveled from his native Tangier to India and China several times through the Near East and to black Africa

Journeys to the Other Shore Euben, 2007-09 **Journeys to the Other Shore** Roxanne L. Euben, 2008-07-01 The contemporary world is increasingly defined by dizzying flows of people and ideas But while Western travel is associated with a pioneering spirit of discovery the dominant image of Muslim mobility is the jihadi who travels not to learn but to destroy Journeys to the Other Shore challenges these stereotypes by charting the common ways in which Muslim and Western travelers negotiate the dislocation of travel to unfamiliar and strange worlds In Roxanne Euben's groundbreaking excursion across cultures geography history genre and genders travel signifies not only a physical movement across lands and cultures but also an imaginative journey in which wonder about those who live differently makes it possible to see the world differently In the book we meet not only Herodotus but also Ibn Battuta the fourteenth century Moroccan traveler Tocqueville's journeys are set against a five year sojourn in nineteenth century Paris by the Egyptian writer and translator Rifa'a Rafi al-Tahtawi and Montesquieu's novel Persian Letters meets with the memoir of an East African princess Sayyida Salme This extraordinary book shows that curiosity about the unknown the quest to understand foreign cultures critical distance from one's own world and the desire to remake the foreign into the familiar are not the monopoly of any single civilization or epoch Euben demonstrates that the fluidity of identities cultures and borders associated with our postcolonial globalized world has a long history one shaped not only by Western power but also by an Islamic ethos of travel in search of knowledge

Study of the Arabic Texts Containing Material on South-East Asia Tibbetts, 1979-12 *Ibn Battuta* Tarek Mahfouz, 2011-07 Ibn Battuta was a Moroccan traveler geographer botanist and man of the law At times he was a Qadi or judge however he is best known as a traveler and explorer whose account documents his travels and excursions over a period of almost thirty years covering some 73 000 miles 117 000 km These journeys covered almost the entirety of the known Islamic world extending from present day North and West Africa to Pakistan India the Maldives Sri Lanka Southeast Asia and China a distance readily surpassing that of his predecessor and near contemporary Marco Polo This is his account of traveling written in Arabic

Seafaring in the Arabian Gulf and Oman Dionisius A. Agius, 2012-12-06 This book is a study of the seafaring communities of the Arabian Gulf and Oman in the past 150 years It analyses the significance of the dhow and how coastal communities interacted throughout their long tradition of seafaring In addition to archival material the work is based on extensive field research in which the voices of seamen were recorded in over 200 interviews The book provides an integrated study of dhow activity in the area concerned and examines the consciousness of belonging to the wider culture of the Indian ocean as it is expressed in boat building traditions navigational techniques crew organisation and port towns People of the Dhow brings together the different

measures of time past the sea its people and their material culture The Arabian Gulf and Oman have traditionally shared a common destiny within the Western Indian Ocean The seasonal monsoonal winds were fundamental to the physical and human unities of the seafaring communities producing a way of life in harmony with the natural world a world which was abruptly changed with the discovery of oil What remains is memories of a seafaring past a history of traditions and customs recorded here in the recollections of a dying generation and in the rich artistic heritage of the region Possessed by the Right Hand Bernard K. Freamon, 2019-05-20 In Possessed by the Right Hand the first comprehensive legal history of slavery in Islam ever offered to readers Bernard K Freamon an African American Muslim law professor provides a penetrating analysis of the problems of slavery and slave trading in Islamic history After examining the issues from pre Islamic times through to the nineteenth century Professor Freamon considers the impact of Western abolitionism arguing that such efforts have been a failure with the notion of abolition becoming nothing more than a cruel illusion He closes this ground breaking account with an examination of the slaving ideologies and actions of ISIS and Boko Haram asserting that Muslims now have an important and urgent responsibility to achieve true abolition under the aegis of Islamic law See Bernard Freamon live at Rutgers Law School October 8 2019 Listen to Possessed by the Right Hand An Interview with Prof Bernard Freamon from Network ReOrient on Anchor

Daemons Are Forever David Gordon White, 2024-05-31 A richly illustrated tapestry of interwoven studies spanning some six thousand years of history Daemons Are Forever is at once a record of archaic contacts and transactions between humans and protean spirit beings Daemons and an account of exchanges among human populations of the science of spirit beings Daemonology Since the time of the Indo European migrations and especially following the opening of the Silk Road a common Daemonological vernacular has been shared among populations ranging from East and South Asia to Northern Europe In this virtuoso work of historical sleuthing David Gordon White recovers the trajectories of both the inner demons cohabiting the bodies of their human hosts and the outer Daemons that those same humans recognized each time they encountered them in their enchanted haunts sylvan pools sites of geothermal eruptions and dark forest groves Along the way he invites his readers to reconsider the potential and promise of the historical method in religious studies suggesting that a connected histories approach to Eurasian Daemonology may serve as a model for restoring history to its proper place at the heart of the discipline of the history of religions

Sense and Nonsense. Innocence Revisited with Experience Dr. Seema Sinha, 2025-03-08 Sense and Nonsense Innocence Revisited with Experience A Retelling is a quirky and humorous take on some famous works from Panchtantra Aesop s Fables Fairy Tales Arabian Nights and Nursery Rhymes In the tradition of spoofs and doggerels and inspired by the puns and twists of the famous rhymes of Ogden Nash and Roald Dahl and also Vikram Seth in Beastly Tales this book is an attempt at a lighthearted spin on the popular and familiar stories Viewed in the modern context there can be new interpretations to these literary masterpieces Some like the nursery rhymes have always belonged to the genre of spoofs and lampoons with political social and historical overtones They can be adapted

to the present realities perfectly proving human truth is universal The light hearted spinoffs in this book are divided in four sections and are accompanied by an analysis and explanation of the background of that particular class of popular literature A living work of creative art is always flexible and can be viewed with new insights and with new meanings I hope the readers enjoy the mock serious take on some enduring classics

Iranian Entomology - An Introduction Cyrus Abivardi, 2001-07-03 This major work presents the first comprehensive survey on entomological studies in Iran from prehistoric periods up to modern times This concise collection and excerpts from the literature are complemented by over 130 color figures of superb quality showing insects and their habitats Volume 1 Faunal Studies concentrates on the systematic taxonomy of Iranian insects It also lists all members of Rhopalocera butterflies and four families of Heterocera moths An introductory chapter is reserved for basic information on the geography vegetation and climate of Iran Volume 2 Applied Entomology starts with a chapter on the history of entomology in Iran until current times Several chapters cover agricultural aspects of entomology such as destructive insects biological control or cultivars exhibiting resistance to insect pests Other chapters are on medical entomology e g mosquito sandfly or flea borne diseases and human myiasis

Mankind and Deserts 1 Fernand Joly, Guilhem Bourri , 2021-02-17 The wild beauty of deserts has always been a source of fascination the world over Mankind and Deserts 1 the first of three volumes describes their location and geographic variety There are both hot and cold deserts those at high altitude or those at sea level differing in climate but sharing the scarcity of water extreme temperatures and often violent winds According to paleoclimate evidence however deserts have not always been as arid as they are today Deserts were a source of inspiration for many spiritual leaders among them Moses Jesus and Muhammad as well as conquerors from Alexander the Great to Genghis Khan Some avoided these deserts or crossed them as fast as they could Others adapted to them and developed vibrant civilizations and cities From ancient almost mythical exploration to modern scientific studies deserts have come to be better known yet still hold great appeal This book traces the history of their knowledge while providing a basis for understanding their features and the tools needed for their protection in an ever changing world

Al-Hind: The Making of the Indo-Islamic World Andr  Wink, 2025-02-27 This book provides a new answer to an old and often asked question why did the bulk of conversion to Islam take place not in the imperial heartlands of the Indo Islamic world but among the indigenous populations of the Indus borderlands and the coastal maritime and insular peripheries of the Indian Ocean and the Malay Indonesian archipelago The answer is found in the conjunction of geographical political and economic factors affecting the Indo Islamic states of the 13th to 17th centuries both in their medieval origins and their interaction with the Portuguese Estado da India and the East India Companies

Nature and Identity in Cross-Cultural Perspective A. Buttner, L. Wallin, 2013-04-17 Nature and Identity in Cross Cultural Perspective presents 20 essays which explore diverse cultural interpretations of the earth s surface Contrasted with each other and with the potentially cosmopolitan culture of science these detailed studies of ways in which different cultures conceptualise nature

appear in the context of global environmental change Understanding across cultural lines has never been more important This book shows how individual cultures see their own histories as offering protection for nature while often viewing others as lacking such ethical restraints Through such writing a discourse of understanding and common action becomes possible The authors come from the places they discuss and offer passionate as well as scholarly visions of nature within their cultural homes Audience This volume is of interest to academics and professionals working in the fields of cultural geography environmental history environmental studies history of environmental ideas environmental education landscape and literature nature and culture It can be used for courses in the above mentioned areas and seminars in comparative literature It can also be used as a complimentary text to provide cultural context to literary readings and for seminars on cultural aspects of the environment

Encyclopedia of the Literature of Empire Mary Ellen Snodgrass,2010 Examines the world's greatest literature about empires and imperialism including more than 200 entries on writers classic works themes and concepts

The Middle East Today Dona J. Stewart,2013 The new edition of The Middle East Today provides an accessible and comprehensive introductory textbook for undergraduate students of Middle East Studies Middle East politics and geography This updated and revised edition features a host of pedagogical features to assist students with their learning including detailed maps and images case studies on key issues boxed sections and suggestions for further reading The book highlights the current issues facing the Middle East linking them to the rich political geographical and cultural history of the region The author examines the crises and conflicts both current and potential likely to dominate the region in coming years The second edition has been fully updated and revised to include discussion of such recent events as the effects of the Arab Spring Turkey's growing influence in the region the dramatic increase in Iran's nuclear capabilities Usama bin Laden's death and declining support for violent extremist movements in the Middle East Further supplemented by a companion website containing sample chapters a selection of maps formatted for use in presentations and annotated links to online resources and websites The Middle East Today is an essential resource for all students of Middle East Studies Middle East politics and geography

The Kingfisher History Encyclopedia Editors of Kingfisher,2004-09-09 What was it like to live in the city of Rome in 700 B C Where was the Silk Road China's trading route with the Western world Why did the Native American tribes in North America lose their land at the end of the 1800s Who fought the war on terror These questions and many more are answered in this authoritative up to the minute reference guide The Kingfisher History Encyclopedia is full of information about the people places and events that have shaped our history The book is organized both chronologically and then thematically within each time period in order to allow young readers quick and easy access to specific information while giving them a firm idea of where they are in relation to historical time and how the past relates to life in the modern world Lavish illustrations contemporary photographs and detailed maps accompany the clear fact filled text Book jacket

The Caspian Sea Encyclopedia Igor S. Zonn,Aleksey N Kosarev,Michael Glantz,Andrey G. Kostianoy,2010-05-26 The Caspian

Sea Encyclopedia is the second one in the new series of encyclopedias about the seas of the former Soviet Union published by Springer Verlag. The first volume, The Aral Sea Encyclopedia, was published by Springer in 2009. The series will be continued by The Black Sea Encyclopedia in 2010. Today the Caspian Sea is known to readers thanks to its oil and gas resources, sturgeon and caviar, significant sea level variations, socio-economic and political problems, The Caucasus and Central Asia. <http://eurodialogue.org/les/fckeditor/les/Caspian%20map2.png> vii-viii Introduction. For more than 250 years the Caspian Sea was shared by two states: Russia, the Soviet Union, and Persia (Iran). After the disintegration of the USSR in 1992, the new independent states of Azerbaijan, Turkmenistan, and Kazakhstan have radically changed the political and economic situation in the region. In addition to Russia and Iran, who had determined the situation on the Caspian for a long period, Azerbaijan, Turkmenistan, and Kazakhstan are now interested parties, beginning a new stage in the historical development of the Caspian region. This increase in the number of the Caspian legal entities from two to five has given rise to a whole tangle of geopolitical, economic, international, legal, ethnic, and environmental problems, each of which demands its own approach and settlement mechanism.
