Arabia The Gulf The West:

Arabia The Gulf & The West John Barrett Kelly, 1980-09-25 This meticulously researched book provides a timely and absolutely indispensable guide to the nations of the Persian Gulf on which the West's security and oil supplies critically depend their political regimes and policies their economies and the mind sets of their leaders But it does more than that Dr Kelly one of the world's leading authorities on the modern history of Arabia and the Gulf for the first time tells the full story of how the West's supine policies deliberately pulled us out of the region and thus led inevitably to the dangerous power vacuum that now exists in the world's most important strategic area The author also shows that one cannot fully understand the dangerous situation in which the West now stands with regard to its oil supplies without understanding the nature of the regimes in power in the Arabian peninsula from Book Jacket

Arabia, The Gulf & The West J. B. Kelley, 1991-04-04 An incisive meticulously researched look at the political regimes policies and economies which have made the oil rich Persian Gulf the world's most strategic area and a major source of predicaments for the West

Arabia, the Gulf and the West J. B. Kelly, 1997-08-01 First published more than 15 years ago this book was immediately hailed as an indispensable guide for understanding a much misunderstood region It discusses in rich fascinating detail the nations of the Persian Gulf on which the West's security oil supplies now more than ever depend their political regimes policies their economies the mindsets of their leaders It also tells the story of how the West's supine policies deliberately pulled us out of the region led to a dangerous power vacuum in the world's most important strategic area a vacuum that the West feels it must fill by force of arms
