Araminta And The Coyotes

Paul C. Metcalf

Araminta And The Coyotes:

Araminta and the Coyotes Paul C. Metcalf, 1991 **A Gathering of Poets** Maggie Anderson, Alex Gildzen, Raymond A. Craig, 1992 A collection of poems commemorating the twentieth anniversary of the killing of four Kent State students on May 4 1970 **Shy of the Squirrel's Foot** Andy Martrich, 2024-11-12 The Jargon Society a boundary pushing publisher of poetry and experimental writing was founded by Jonathan Williams 1929 2008 in 1951 Jargon quickly gained a reputation as the home of the poetic and literary avant garde including noted midcentury poets like Charles Olson and Lorine Niedecker Williams himself looms large in this story as the publisher at Jargon until his death making this book as much about his life and work as the press he founded which today operates through the Black Mountain College Museum in Asheville North Carolina Andy Martrich authors this story in a manner befitting Jargon's ethos of literary experimentation by focusing on the books the Society cataloged but never published While it's not uncommon for a small press to plan for books that don't make it to publication Martrich argues that Jargon's incessant financial difficulties coupled with Williams's impressive network makes its trail of unfinished projects unique and an ideal way to chronicle the press itself Using archival research interviews with volunteers at Jargon and more Martrich gives readers not only an intimate look into a Southern press and publisher but also an important history of modern and experimental literature in twentieth century America *Shy of the Squirrel's Foot* includes an epilogue by Anne Midgette an afterword by Nicole Raziya Fong and Jargon's complete annotated bibliography which details every book the press published compiled in one place for the first time **Collected Works, 1956-1976: 1987-1997** Paul C. Metcalf, 1996 **Collected Works** Paul C. sartorial style contrasted sharply yet pleasingly with his delight in the bawdy with his incisive humor and social criticism and his confidently experimental masterful poems and prose His interests raised the common to grace while paying close attention to the earthy At the forefront of the Modernist avant garde yet possessing a deep appreciation of the traditional Williams celebrated rescued and preserved those things he described as more and more away from the High Art of the city settling for what I could unearth and respect in the tall grass Subject to much indifference despite being celebrated as publisher and poet he nurtured the nascent careers of hundreds of emerging or neglected poets writers artists and photographers Recognizing this Buckminster Fuller once called him our Johnny Appleseed Guy Davenport described him as a kind of polytechnic institute while Hugh Kenner hailed Jargon as the Custodian of Snowflakes and Williams as the truffle hound of American poetry Lesser known for his extraordinary letters and essays and his photography and art collecting he is never only a poet or photographer an essayist or publisher This book of essays images and shouts aims to bring new eyes and contexts to his influence and talent as poet and publisher but also heighten appreciation for the other facets of his life and art One might call Williams life a poetics of gathering and this book a first harvest
