

THE RELIABILITY OF THE BIBLE

THE BIBLE AND PSEUDEPIGRAPHICAL LITERATURE

PSEUDEPIGRAPHIA, meaning "false title," refers to Jewish books that falsely claimed to have been written by Moses, Enoch, Abraham or some other ancient hero of the faith. Most pseudepigrapha were written between 250 B.C. and A.D. 200. A few examples are as follows:

- **Incidents of the Twelve Patriarchs:** A series of documents claiming to be the "testaments" of the patriarchs of the tribes of Israel, in which they by turn give exhortations to their descendants. This work was probably written in the second century A.D., but its present form seems to reflect revision by a Christian. Depending upon interpretation, it may present a doctrine of two messiahs: a priestly messiah (from Levi) and a royal messiah (from Judah). In a manner typical of *Intertestamental Judaism*,¹ this work describes the Mosaic Law as the wisdom of God but reflects also the influence of Stoicism, a Hellenistic school of philosophy.²

- **Testament of Solomon:** An outlandish tale, in which Solomon receives a magical ring from the archangel Michael and uses it

Top row right 1853, "Addition"; top row left 1858, "Addition"; center and bottom rows 1858, "Enoch's Apocrypha"

tury A.D. and the first century A.D., has some curious emphases. For example, it devotes a great deal of attention to Heberiah and considers the slaughter of Shechem (for 14) to have been a praiseworthy event. The book is also intensely concerned with priestly matters.

- **First Enoch:** Early mystics of both Jewish and Christian background were fascinated by Enoch, the man who, after having walked with God, "was no more" (for 5:24). First Enoch is the first of many "accounts" detailing Enoch's ascent into heaven, but even this

work is a composite of texts written from approximately the third century B.C. to the first century A.D. The narrative is highly fantastic in nature. For example, 1 Enoch 6-11 describes the rebellion of the "watchers," the angels who, according to Genesis 6:1-4 (cf. Jude 6) took the daughters of men to be their wives. In 1 Enoch 72-82, a section referred to as the *Astronomical Book* of Enoch, Enoch is given a tour of the heavens by the angel Uriel and sees the gates out of which the sun and moon rise and set. This section is also highly concerned with calendar issues.

ARCHAEOLOGY & THE OLD TESTAMENT Edward D. Andrews, 2023-02-20

Archaeology and the Old Testament is a comprehensive examination of the history of the Old Testament from before the time of Abraham to the Maccabee period The book explores the significance of archaeological discoveries in our understanding of the Old Testament and provides a detailed look at the major events and figures of the period Through a combination of biblical narrative and archaeological evidence the book offers a rich and insightful view of the history of the Old Testament and the role it played in the formation of Israelite identity Each chapter provides a comprehensive overview of a specific period or event including the biblical narrative, archaeological evidence and the significance of that period or event in the formation of Israelite identity The book concludes with a discussion of the intersection of archaeology and the Old Testament and the importance of this intersection for biblical studies This book is ideal for students of biblical studies, archaeologists and anyone interested in the history of the Old Testament and the role of archaeology in our understanding of that history Whether you are a scholar or simply a curious reader Archaeology and the Old Testament provides a fascinating and enlightening look at the rich and complex history of the Old Testament
