Animals And The Afterlife True Stories Of Our Best Friends Journey Beyond Death Paperback:

Animals and the Afterlife Kim Sheridan, 2011-04-25 Kim Sheridan grew up with animals as her constant companions. Each time she faced the death of a beloved animal along with the pain came the same questions to which she could find no answers. Then mysterious things began to happen that she couldn't explain which led her on an incredible journey to uncover the truth. Along with her own extraordinary experiences she compiled heartwarming and meaningful true stories of everyday people around the world and discovered compelling evidence that forever erased her own doubts about an afterlife for animals. This book provides enormous comfort and reassurance to anyone who has ever cherished an animal and food for thought for anyone who has ever questioned the place of these beloved creatures in the larger scheme of things both here on Earth and beyond.

Communication with All Life (Large Print 16pt) Joan Ranquet, 2010-06-21 Although Communication with All Life is about animal communication, it isn't just a how-to book but a guide that will help you discern how much you're already exchanging feelings, words, and pictures with your pet. Woven throughout the book are many stories to illustrate and support the theory that animal communication isn't something that you do or need to learn; it just is. By tuning in telepathically, Joan Ranquet has helped thousands of people and animals deepen their connections with each other, resolve behavioral problems, assist in the process of death and dying, and examine issues surrounding illness and accidents. Many of the situations that are dealt with throughout the book are actually people perception problems rather than stories of an ill-behaved dog, cat, horse, bird, or other pet. Communication with All Life illustrates how to move past the emotional patterns that create unwanted behavior and ultimately demonstrates that animal companions give humans the opportunity to enact leadership and responsibility in their thoughts and feelings to ensure harmony at home.
