Animals At Peace:

Animals at Peace Alison Maddock, 1971-01-01 **God's Future for Animals** Raymond R. Hausoul, 2021-08-16 God loves animals and gives them a special place in creation So do animals also have a place in God s work of redemption Will there be animals on the new Earth Will we see our beloved pets in the afterlife This book takes up the challenge to think in a responsible way through these questions The author focuses in particular on the physical restoration the prophetic proclamation of the coming animal peace the attitude of God and humanity towards animals and the question of the relationship between biblical life the future of animals and vegetarianism What can the Bible and Christian doctrine reveal to us about God s way with animals

Back to The God (2016) Aydın Türkgücü, 2017-01-27 I started the Golden Information Age the dimension where there is no time and space in 2014 with the slogan Do not decide who creates it and how you will live before you understand where you live in I was nominated for the Nobel Peace Prize in 2015 because I draw attention to Holistic Peace which includes not only peace amongst people people but also amongst people animals and people nature I sent an introductory letter to the Nobel Peace Prize Committee for the inclusion of a new category titled Holistic Peace Page 7 Not winning a prize enabled me to find a better solution by motivating me to explore and think deeper Technological developments have overturned economies and societies throughout history While the beginning of the Artificial Intelligence period called the Fourth Industrial Revolution was announced at the Davos Summit in January 2016 the real revolution has been happening in humanity as he was passing from the BELIEF to the COMPREHENSION phase Peace is where everyone comes together and lives in harmony with the same objectives World peace will arrive when we 1 unite against extraterrestrial attack or danger 2 have unquestionable proof of God This book invites people to compulsory Holistic Peace using science and technology while giving new answers to the existence of God and creation especially from a perspective of the conscious artificial intelligence based point of view This book which will be distributed worldwide free of charge in Turkish and English as an e book with the aim of creating individual contributions to Holistic Peace is asking the readers to make small favors to people animals or nature and share these under butunselbaris or holisticpeace to spread the Holistic Goodness movement The over 100 year history of the Nobel Peace Prize shows us that there are many different paths to peace The greatest platform acknowledged in the world is God s faith When we find indisputable evidence to the existence of God by using faith together with science and technology in the course of philosophical inquiries Holistic Peace will prosper spontaneously Initiating the Holistic Peace Category in the context of the 2017 Nobel Peace Prize with the inclusion of the first award to myself as I place my candidacy once again will be a great opportunity and inspiration for all those Good People who work for Holistic Peace around the world With Love and Respect Aydın TURKGUCU Thinker Thought Stimulator www.aydinturkgucu.net Knowledge Golden Age AI VR Virtual Holistic Holly Personell Eden Hell Robot Artificial Holographic Dimension Time Human History Space Mental tools social political name limits unlocked Love Religion exit God Aliens
