Double Delight Animals Mary Novick, *Teaching Beginner ELLs Using Picture Books* Ana Lado, 2012-09-12 Picture your beginning ELLs reading their way to success For beginning English language learners a picture really is worth a thousand words Picture books can unlock puzzling cultural and social meanings for students at all ages and grade levels ELL educator Ana Lado illustrates how picture books are an especially useful tool for building important language and social foundations foundations that students may miss through traditional instruction Lado provides all the tools you need to engage your English learners with picture books including how to Design lesson plans around themed units Select appropriate picture books using specific criteria Incorporate fun and engaging strategies like singing and reenacting Integrate picture book learning to facilitate development of English Language Proficiency In addition you will gain access to a searchable online database to find just the right book for your lessons based on author title genre and English Language Proficiency level With practical classroom friendly techniques *Teaching Beginner ELLs Using Picture Books* helps teachers ESL ELD specialists and bilingual teachers transform lessons into richly illustrated learning opportunities This book is a great tool to use when teaching level one students and contains the different strategies necessary for complete English instruction Giuliana Jahnsen ELL Teacher Sterling Middle School Sterling VA This book makes the TESOL standards accessible by summarizing the three main goals of learning a language and how picture books support these concepts Blanca L Campillo Professional Development Specialist Chicago Public Schools Area 9 Chicago IL Double pleasure Mat Marlin, *Four cats that talk* The true story of my four cats and the teaching of learning to love and respect what is given to us four cats talking showing their independence and feeling character Only when an animal enters the house do we realize that it becomes irreplaceable and that our love grows day by day until we consider it a family member or our best friend In this story my four cats speak and respond to our thoughts too bad we can't perceive their every word if it ever happened to be able to hear their speeches perhaps there would be more goodness among people Different times A brief thought that takes me back in time to my 18 years and then forward again to my first daughter's 18 years how many differences My youth friends raids on mopeds a low wall where you can sit in the evening and tell every story the ever present football the desire to know and make new friends the loves that blossomed during a village festival or a walk in the most important way My daughter turns 18 today Life is different the difficulties are greater economies are smaller technology has invaded our existence but deep down we are a family and what we have around us will never affect the true values the children of the past and the children of now do not they will never be different in the eyes of their parents **Zoo** Mary Novick, 2001 Introduces zoo animals by offering clues to each animal's identity and inviting young readers to open the flap to confirm their guess *Double Happiness* Tony Brasunas, 2013-12-12 Tony Brasunas's award winning debut memoir is a portrait of life in China and a groundbreaking story of coming of age in today's era of globalization In a classroom in sultry Guangzhou having

never before left the United States nor taught a class on anything armed only with a beginner's grasp of the language. Brasunas confronts thirty-seven expectant ninth graders in white uniforms. When he fails repeatedly, often humorously, in the tense classroom, an intrinsic curiosity about Chinese culture and about himself springs from within and drives him not only to keep trying with his ninth graders but to trust his instincts in the dishonest streets as well and ultimately to make new friends from all walks of life. When the school year ends, Brasunas sets off with just a backpack across the vast hinterlands of China along the Silk Road in the north and to the edge of ancient Tibet in the west. His intrepid odyssey not only brings him face to face with a rich tapestry of people from Muslim political dissidents in Linxia to monks in mountainous Tibetan monasteries but also plunges him into unexpected peril, torturous romance, and wild twists of fate that transform his basic understanding of right and wrong, beauty and truth, suffering and happiness. *Double Happiness* is a vivid journey across China and through the soul of a young American. EDITORIAL REVIEWS: A very talented writer, a journey filled with rich insight. Writer's Digest Book Awards. A life-altering experience teaching, traveling, and transformation. San Jose Mercury News: Inspirational and striking travel writing at its best. Midwest Book Review: This book will sweep you across the ocean to another land, and you will take a journey that will leave you forever changed. The Book Wheel: A brilliant new writer, an unforgettable journey. Anodea Judith, author of *Waking the Global Heart*. **The Cambridge Platonists** Sarah Hutton, 2023-10-17. This book illustrates the vitality and diversity of the seventeenth-century philosophers now known as the Cambridge Platonists, focusing chiefly on Henry More, Ralph Cudworth, and two women associated with the group, Anne Conway and Damaris Masham. The Cambridge Platonists made significant contributions to early modern philosophy. Their Platonist sobriquet obscures the fact that they were at the forefront of new thinking of their day. Some of the first English philosophers to write in the vernacular, they tackled the big themes of seventeenth-century philosophy: materialism, determinism, scepticism, atheism, and contributed original and innovative ideas in metaphysics, epistemology, psychology, and ethics. This volume highlights their treatment of some key philosophical themes: from the infinity of the world and the concept of substance to consciousness, animals, love, and their interconnections with contemporary philosophers Descartes, Leibniz, and Locke. This book will be a valuable resource for academics, researchers, and Philosophy graduates. The chapters in this book were originally published in the *British Journal for the History of Philosophy*. *Animals* Mary Novick, Jenny Hale, 2002.
