Animals Men:

Animals, Gods and Humans Ingvild Saelid Gilhus, 2006-09-27 Consulting a wide range of key texts and source material *Animals Gods and Humans* covers 800 years and provides a detailed analysis of early Christian attitudes to and the position of animals in Greek and Roman life and thought Both the pagan and Christian conceptions of animals are rich and multilayered and Ingvild S lid Gilhus expertly examines the dominant themes and developments in the conception of animals Including study of biographies of figures such as Apollonius of Tyana natural history the New Testament via Gnostic texts the church fathers and from pagan and Christian criticism of animal sacrifice to the acts of martyrs the source material and detailed analysis included in this volume make it a veritable feast of information for all classicists *The Rights of Nature* Roderick Frazier Nash, 1989-01-17 Charting the history of contemporary philosophical and religious beliefs regarding nature Roderick Nash focuses primarily on changing attitudes toward nature in the United States His work is the first comprehensive history of the concept that nature has rights and that American liberalism has in effect been extended to the nonhuman world A splendid book Roderick Nash has written another classic This exploration of a new dimension in environmental ethics is both illuminating and overdue Stewart Udall His account makes history come alive Sierra So smoothly written that one almost does not notice the breadth of scholarship that went into this original and important work of environmental history Philip Shabecoff New York Times Book Review Clarifying and challenging this is an essential text for deep ecologists and ecophilosophers Stephanie Mills Utne Reader *Animals, Men, and Myths* Richard Lewinsohn, 1954

The Free Animal Lee MacLean, 2013-10-28 Free will is a key but contested concept in the work of Jean Jacques Rousseau while the famed philosopher is known to have asserted that free will distinguishes human beings from animals several interpreters have argued that he merely pretends to have this belief for the sake of healthy politics and to avoid persecution by religious authorities Through careful readings of key texts and letters *The Free Animal* offers a new and original exploration of Rousseau s views on free will Lee MacLean shows that Rousseau needs and uses the idea of human consciousness of free will to explain the development of morality convention and vice MacLean bases her argument on a broad range of texts from canonical works to Rousseau s untranslated letters and drafts Featuring careful analyses and an extensive engagement with the secondary literature *The Free Animal* offers a novel interpretation of the changing nature and complexity of Rousseau s intention *Our Dumb Animals* George Thorndike Angell, 1915 **Men and Masculinities in**

Contemporary China Geng Song, Derek Hird, 2013-11-07 In *Men and Masculinities in Contemporary China* Geng Song and Derek Hird offer an account of Chinese masculinities in media discourse and everyday life covering masculinities on television in lifestyle magazines in cyberspace at work at leisure and at home No other work covers the forms and practices of men and masculinities in contemporary China so comprehensively Through carefully exploring the global regional and local influences on men and representations of men in postmillennial China Song and Hird show that Chinese masculinity is

anything but monolithic They reveal a complex shifting plurality of men and masculinities from stay at home internet geeks to karaoke singing relationship building businessmen which contest and consolidate conventional notions of masculinity in multiple ways Animals, Men, and Morals Stanley Godlovitch, Roslind Godlovitch, John Harris, 1972 Artikler om menneskets udnyttelse af dyr bl a ved vivisektion til luksus og kosmetikbranchen til jagt og til f devareindustrien **The Amazing Adventures of the Kettlepans and Their Animal Friends** Sally Parker Frizzell, 2015-01-20 Have you ever thought about completely changing your life Maybe circumstances have changed or maybe you are bored with things the way they are Whatever the reason you feel the need for a change But unlike Mr and Mrs Kettlepan few of us have the chance to make big changes in our lives Author Sally Parker Frizzell s *The Amazing Adventures of the Kettlepans and Their Animal Friends* is the story of a New York City couple who tired of the hubbub of the city remake their lives They move to a farm in New Hampshire and soon discover the farmhouse isn t exactly their dream home With the farmhouse in need of major repairs inside and out they live in an RV while work is being done They find wild animals popping up and causing problems around the house These aren t ordinary animals though They can talk and drive But it s not just the animals that take them by surprise One day without warning the former owners cause a scare when they show up as ghosts while the Kettlepans are in the house Another day carpenters uncover a long kept secret as they rip out walls *The Amazing Adventures of the Kettlepans and Their Animal Friends* takes you on a journey of mystery excitement and fun This isn t your ordinary farm Sane Sex Life and Sane Sex Living H. W. Long, 2022-09-04 In *Sane Sex Life and Sane Sex Living* H W Long presents an erudite exploration of sexual health and morality aimed at providing a comprehensive understanding of sex nature and functioning Long s work is meticulously rooted in the scientific temperament of his time yet it transcends mere medical discourse to contemplate the broader philosophical and ethical considerations of sexuality His literary style is didactic yet accessible making complex concepts digestible for a general readership Key themes include the positioning of sexual health within the broader spectrum of life s economy the advocacy for proper education and the dignified expression of sexual impulses Long s work serves as a mirror to the sociocultural fabric of his era providing valuable insights into the early 20th century mindset regarding sex and morality H W Long s treatise on sexual ethics stems from his profound interest in the welfare and education of society on matters often shrouded in taboo and misinformation Possibly informed by the puritanical and often repressive attitudes of his epoch Long seeks to dispel myths and promote a rational approach to sexual health that is both enlightened and pragmatic The impetus behind his work likely reflects a desire to contribute to a societal shift towards a more informed and less prejudiced understanding of one of humanity s most fundamental aspects *Sane Sex Life and Sane Sex Living* is a seminal work that will resonate with readers interested in the intersection of sex health and society It is particularly recommended for those who seek a historical perspective on sexual ethics and education Long s commitment to a rational and humane approach to sexuality makes his work as relevant today as it was at the time of its conception This book

is a valuable addition to the libraries of scholars and laymen alike who wish to engage with a critical and formative text in the evolution of modern sexual discourse **Sacrifice and Sharing in the Philippine Highlands** Thomas P.
