Pier Francesco Tosi,1966 **Anleitung zur Singkunst** Pier Francesco Tosi,1757 , **Music Education and the Art**
of Performance in the German Baroque John Butt,1994-05-26 In considering the role of practical music in education this
book explores the art of performance in Germany during the Baroque period The author examines the large number of
surviving treatises and instruction manuals used in the Lutheran schools during the period 1530 1800 and builds up a picture
of the function and status of music in both school and church This understanding of music as a functional art musica practica
in turn gives us insight into contemporary performance of the sacred work of Praetorius Sch tz Buxtehude or Bach
Classical and Romantic Performing Practice Clive Brown,2025-02-12 Drawing upon early recordings documentary
evidence and the few surviving mechanical instruments author Clive Brown investigates how we might rediscover the
subliminal messages Classical and Romantic music notation was intended to convey to performers and argues that composers
intentions for their notation ought not to be confused with their expectations for its execution The revised and expanded
second edition incorporates new information resulting from the author s continued research and practical experimentation
since 1999 and his work with a succession of talented doctoral students **Handbuch der musikalischen Literatur** C.F.
