Volokhonksky's groundbreaking translation of Tolstoy's epic novel of love, destiny, and self-destruction now in a new Bickford Smith designed clothbound edition. Part of Penguin's beautiful hardcover Clothbound Classics series designed by the award-winning Coralie Bickford Smith, these delectable and collectible editions are bound in high quality tactile cloth with foil stamped into the design. Described by William Faulkner as the best novel ever written and by Fyodor Dostoevsky as flawless, *Anna Karenina* tells of the doomed love affair between the sensuous and rebellious Anna and the dashing officer Count Vronsky. Tragedy unfolds as Anna rejects her passionless marriage and must endure the hypocrisies of society. Set against a vast and richly textured canvas of nineteenth-century Russia, the novel's seven major characters create a dynamic imbalance, playing out the contrasts of city and country life and all the variations on love and family happiness. While previous versions have softened the robust and sometimes shocking quality of Tolstoy's writing, Pevear and Volokhonsky have produced a translation true to his powerful voice. This authoritative edition, which received the PEN Translation Prize and was an Oprah Book Club™ selection, also includes an illuminating introduction and explanatory notes, as well as a foreword by critic John Bayley. Beautiful, vigorous, and eminently readable, this *Anna Karenina* will be the definitive text for generations to come.

Anna Karenina Graf Leo Tolstoy, 2020-05-15
Happy families are all alike; every unhappy family is unhappy in its own way. Everything was in confusion in the Oblonskys' house. The wife had discovered that the husband was carrying on an intrigue with a French girl who had been a governess in their family, and she had announced to her husband that she could not go on living in the same house with him. This position of affairs had now lasted three days, and not only the husband and wife themselves but all the members of their family and household were painfully conscious of it. Every person in the house felt that there was no sense in their living together, and that the stray people brought together by chance in any inn had more in common with one another than they, the members of the family and household of the Oblonskys. The wife did not leave her own room; the husband had not been at home for three days. The children ran wild all over the house; the English governess quarreled with the housekeeper and wrote to a friend asking her to look out for a new situation for her; the man-cook had walked off the day before; just at dinner-time the kitchen-maid and the coachman had given warning. Three days after the quarrel Prince Stepan Arkadyevitch Oblonsky, Stiva as he was called in the fashionable world, woke up at his usual hour, that is at eight o'clock in the morning, not in his wife's bedroom but on the leather-covered sofa in his study. He turned over his stout, well-cared-for person on the springy sofa as though he would sink into a long sleep; again he vigorously embraced the pillow on the other side and buried his face in it, but all at once he jumped up, sat up on the sofa and opened his eyes. Yes, yes, how was it now? he thought, going over his dream. Now how was it? To be sure Alabín was giving a dinner at Darmstadt, no, not Darmstadt but something American. Yes, but then Darmstadt was in America. Yes, Alabín was giving a dinner on glass tables, and the tables sang *Il m i o t e s o r o* not *Il m i o t e s o r o* though, but something better, and there were some sort of little decanters on the table, and they were women too, he remembered Stepan Arkadyevitch's eyes twinkled gaily, and he pondered

with a smile Yes it was nice very nice There was a great deal more that was delightful only there s no putting it into words or even expressing it in one s thoughts awake And noticing a gleam of light peeping in beside one of the serge curtains he cheerfully dropped his feet over the edge of the sofa and felt about with them for his slippers a present on his last birthday worked for him by his wife on gold colored morocco And as he had done every day for the last nine years he stretched out his hand without getting up towards the place where his dressing gown always hung in his bedroom And thereupon he suddenly remembered that he was not sleeping in his wife s room but in his study and why the smile vanished from his face he knitted his brows

Tolstoy's Art and Thought, 1847-1880 Donna Tussing Orwin,2013-05-16 My aim is to present Tolstoy s work as he may have understood it himself writes Donna Orwin Reconstructing the intellectual and psychic struggles behind the masterpieces of his early and middle age this major study covers the period during which he wrote The Cossacks War and Peace and Anna Karenina Orwin uses the tools of biography intellectual and literary history and textual analysis to explain how Tolstoy s tormented search for moral certainty unfolded creating fundamental differences among the great novels of the pre crisis period Distinguished by its historical emphasis this book demonstrates that the great novelist who had once seen a fundamental harmony between human conscience and nature s vitality began eventually to believe in a dangerous rift between the two during the years discussed here Tolstoy moved gradually from a celebration of life to instruction about its moral dimensions Paying special attention to Tolstoy s reading of Rousseau Goethe Schopenhauer and the Russian thinker N N Strakhov Orwin also explores numerous other influences on his thought In so doing she shows how his philosophical and emotional conflicts changed form but continued unabated until with his religious conversion of 1880 he surrendered his long attempt to make sense of life through art alone
