Anna I Nikolai:

Sundog Highway Larry Warwaruk, 2000 Finalist Award for Publishing Publishing in Education Saskatchewan Book Awards Saskatchewan's most established writers come together with the province's brightest new voices to create a comprehensive anthology that showcases some of the finest literature in the world Their talents are combined with works by nearly a dozen Saskatchewan visual artists to create a definitive collection of the best Saskatchewan's writers and artists have to offer in terms of fiction poetry dramatic scripts personal journalism and art *Anna Akhmatova and Her Circle* Konstantin Polivanov, 1994-01-01 This powerful collection of fifteen memoirs by and about one of the greatest poets of our time weaves an unforgettable drama of friendship grace and courage through long years of heartbreak and hunger

Valiant Dreamers Jack Poole, 2001-08-23 In the 17th and 18th centuries the great powers of the world were concentrating energy wealth and ingenuity on the expansion of their empires far beyond the historical examples of Rome Greece and Egypt The Empire of Russia expanding her borders under Peter the Great and Catherine the Great was pressing toward the development of a Russian North America in the reign of Tsar Alexander His weapon unlike the military conquests of Spain Portugal France and England was trade and commerce like the Dutch Along with the giants of the North Pribylov Bering Golikov and Shelikhov Count Nikolai Rez nov earned fame and fortune as an intrepid explorer of the 18th Century This is his story and the story of the valiant men and women who adopted his dream of an Empire stretching from St Petersburg to San Francisco **Events and People** Helmut Huebert, 1999 **Love Like Winter** Pieter de Klerk, 2016-09-11 Russia 1899 A young Muscovite has a dream to attend Moscow State University and become one of the most gilded novelists of his era One day a seemingly chance encounter with a trapeze artist in a French traveling circus shakes his foundations and forces him to make a choice between his family his dreams or spending the rest of his life with the man that he loves Do soulmates really exist Or are we destined to spend the rest of our lives alone *Nietzsche's Orphans* Rebecca Mitchell, 2016-01-05 A prevailing belief among Russia's cultural elite in the early twentieth century was that the music of composers such as Sergei Rachmaninoff Aleksandr Scriabin and Nikolai Medtner could forge a shared identity for the Russian people across social and economic divides In this illuminating study of competing artistic and ideological visions at the close of Russia's Silver Age author Rebecca Mitchell interweaves cultural history music and philosophy to explore how Nietzsche's orphans strove to find in music a means to overcome the disunity of modern life in the final tumultuous years before World War I and the Communist Revolution *Nikolai's Fortune* Solveig Torvik, 2012-11-27 As a child Solveig Torvik heard stories of a lost mysterious great grandfather who left Finland for America to make his fortune leaving Torvik's great grandmother and his unborn daughter behind As a reporter Torvik determined to discover the fate of the man who followed his dreams to Oregon She uncovered not only the story of one man but also the saga of an entire family In Nikolai's Fortune a tale of Scandinavian women the journalist turns fact into fiction and shares the tales of her ancestors as she imagines they

would have told them Nikolai's Fortune is a heartbreaking multigenerational epic chronicling family secrets and sufferings against the backdrop of Scandinavian history and culture. Blending memoir and historical fiction, grandmother, mother, and daughter each share their own story. Kaisa of her mother's love for Nikolai and her own 500-mile trek at the age of twelve from impoverished Finland across the snowy mountains of Lapland. Berit of child slavery and an obsession with seeking out her grandfather's fortune for her mother and Hannah, the voice of Torvik of her childhood during the Nazi occupation of Norway and her family's emigration to Idaho. Through detailed historical research into census, church, and weather records, as well as academic and museum sources, Torvik recaptures a dramatic story nearly lost to memory and inherits something worth more than a fortune in riches: a sense of her family history, ethnic background, and the generations of remarkable women who came before her. Norwegian-born Solveig Torvik was a reporter, editor, and columnist at the Seattle Post-Intelligencer for thirty years. She was also a reporter for United Press International in Salt Lake City and for the San Francisco Chronicle and an editor at the San Jose Mercury News.

An Enduring Faith - Mennonite Stories Their History Their Persecution Emma Salmon-Plett, 2013. Vernice Shostal writes about An Enduring Faith. Born and raised in Paraguay, Emma Salmon-Plett is the author of An Enduring Faith, a chronicle of the trials of the Mennonites while they moved from country to country seeking a place where they could practise their faith in freedom. She has personally endured and persevered to overcome language, health, and financial difficulties. Emma likes to spend time with her two children and one grand daughter, as well as gardening. I have a miniature Butchart Garden, she says. I keep my memory sharp by being involved in church planting and teaching Bible at our Bible study meetings. Every life is a journey. Emma Salmon's journey of faith has given her the strength to overcome financial hurdles, a language barrier, and cancer surgery that left her partially incapacitated to achieve a doctoral degree, marry, raise a family, and live a full life. Senior Living Vancouver Island's 50 Lifestyle Magazine. Every life is a story inside a much larger story. Every life gathers and refracts a hundred other stories, a thousand each worthy of a book all by itself. The joy of Emmi Salmon's book is how seamlessly she knits together her own story with the thousand others. This is at once a compelling history of the Mennonites, a gripping narrative of several Mennonite communities and families, a loving tribute to one family, and a personal memoir of one woman's life and times. It has all the makings of a great novel: suffering and endurance, betrayal and loyalty, love and faith, and a plot that sweeps the globe. That the events narrated here actually happened make it all the more poignant and inspiring. Mark Buchanan, Pastor and author of Your God is Too Safe and many others. A deeply personal account of the trials and tribulations suffered over the centuries by a Mennonite family in their determination to remain true to the faith of their fathers. The author's sense of identity with the entire historical Mennonite community combines with her own individual reactions to events that both affect her personally and that determined her family's destiny to bring the entire story to life in a way that resonates with her sense of humour and outrage and the steadfastness of her faith. Gray Sutherland, author of A Twitter of Sparrows, NATO translator.
