Anna Kingsford Edward Maitland,1896 **The Hermetic Kabbalah of Anna Kingsford** Anna Kingsford,2007-03-20
The Hermetic Kabbalah of Anna Kingsford The Credo of Christendom other addresses and essays on Esoteric Christianity by Anna Kingsford and Edward Maitland represented for the 21st century enquirer In 1883 Anna Kingsford was made President of the Theosophical Society promoted a Western Christian and Hermetic Esotericism She claimed to receive mystical insights in trance states and sleep she was an advocate of women s rights anti vivisection vegetarianism Mahatma Gandhi is said to have sold her books 'Clothed with the sun', the book of the illuminations of A. Kingsford, ed. by E. Maitland Anna Bonus Kingsford,1889 **Anna Kingsford, Her Life, Letters, Diary and Work** Edward Maitland,1896 Cursed Britain Thomas Waters,2019-10-07 The definitive history of how witchcraft and black magic have survived through the modern era and into the present day Cursed Britain unveils the enduring power of witchcraft curses and black magic in modern times Few topics are so secretive or controversial Yet whether in the 1800s or the early 2000s when disasters struck or personal misfortunes mounted many Britons found themselves believing in things they had previously dismissed dark supernatural forces Historian Thomas Waters here explores the lives of cursed or bewitched people along with the witches and witch busters who helped and harmed them Waters takes us on a fascinating journey from Scottish islands to the folklore rich West Country from the immense territories of the British Empire to metropolitan London We learn why magic caters to deep seated human needs but see how it can also be abused and discover how witchcraft survives by evolving and changing Along the way we examine an array of remarkable beliefs and rituals from traditional folk magic to diverse spiritualities originating in Africa and Asia This is a tale of cynical quacks and sincere magical healers depressed people and furious vigilantes innocent victims and rogues who claimed to possess evil abilities Their spellbinding stories raise important questions about the state s role in regulating radical spiritualities the fragility of secularism and the true nature of magic **Occultists & Mystics of All Ages** Ralph Shirley,1920 **The Place of Enchantment** Alex Owen,2006-12-15 By the end of the nineteenth century Victorians were seeking rational explanations for the world in which they lived The radical ideas of Charles Darwin had shaken traditional religious beliefs Sigmund Freud was developing his innovative models of the conscious and unconscious mind And anthropologist James George Frazer was subjecting magic myth and ritual to systematic inquiry Why then in this quintessentially modern moment did late Victorian and Edwardian men and women become absorbed by metaphysical quests heterodox spiritual encounters and occult experimentation In answering this question for the first time The Place of Enchantment breaks new ground in its consideration of the role of occultism in British culture prior to World War I Rescuing occultism from its status as an irrational indulgence and situating it at the center of British intellectual life Owen argues that an involvement with the occult was a leitmotif of the intellectual avant garde Carefully placing a serious engagement with esotericism squarely alongside revolutionary understandings of rationality and

consciousness Owen demonstrates how a newly psychologized magic operated in conjunction with the developing patterns of modern life She details such fascinating examples of occult practice as the sex magic of Aleister Crowley the pharmacological experimentation of W B Yeats and complex forms of astral clairvoyance as taught in secret and hierarchical magical societies like the Hermetic Order of the Golden Dawn Through a remarkable blend of theoretical discussion and intellectual history Owen has produced a work that moves far beyond a consideration of occultists and their world Bearing directly on our understanding of modernity her conclusions will force us to rethink the place of the irrational in modern culture An intelligent well argued and richly detailed work of cultural history that offers a substantial contribution to our understanding of Britain Nick Freeman Washington Times

Esotericism and Narrative: The Occult Fiction of Charles Williams Aren Roukema,2018-05-29 Esotericism and Narrative The Occult Fiction of Charles Williams situates the life and fiction of the Inkling Charles Williams in the network of modern occultism with special focus on his initiatory experiences in A E Waite s Fellowship of the Rosy Cross Aren Roukema evaluates fictional projections of magic kabbalah alchemy and ritual experience in Williams s seven novels of supernatural fantasy From this specific analysis he develops more broadly applicable approaches to the serious expression of religious experience in fiction Roukema shows that esoteric knowledge has frequently been blurred into fiction because of its inherent narrativity and adaptability particularly by authors already attracted to the syncretism multivalence and lived fantasy of the modern occult experience
