Union and Confederate biographies. General references. Armed forces. Campaigns and battles, 2003 Volume IV Compiled and revised by Silas Felton 1063 pp revised with books missed in vols I II and III regimental publications personal narratives biographies campaigns and battles Northern and Southern Felton's new compilation is without peer He covers the subject from five different perspectives Regimental Publications and Personal Narratives Union and Confederate Biographies General References Armed Forces and Campaigns and Battles And making the work extremely useful the last 236 pages contain a complete Index of Authors of Volumes I through IV as well as a new Index of Titles in the Revised Volume IV Furthermore to clear up confusion created by the multiple names often used by Confederate units during the war artillery batteries in particular which carried a state designation but were commonly known by the battery commander's name Felton has cited a written work with a single number designation but indexed and listed it under its common appellation to aid the researcher and eliminate confusion      **Bluecoats and Tar Heels** Mark L Bradley, 2009-01-30 Though the Civil War ended in April 1865 the conflict between Unionists and Confederates continued The bitterness and rancor resulting from the collapse of the Confederacy spurred an ongoing cycle of hostility and bloodshed that made the Reconstruction period a violent era of transition The violence was so pervasive that the federal government deployed units of the U S Army in North Carolina and other southern states to maintain law and order and protect blacks and Unionists Bluecoats and Tar Heels Soldiers and Civilians in Reconstruction North Carolina tells the story of the army's twelve year occupation of North Carolina a time of political instability and social unrest Author Mark Bradley details the complex interaction between the federal soldiers and the North Carolina civilians during this tumultuous period The federal troops attempted an impossible juggling act protecting the social and political rights of the newly freed black North Carolinians while conciliating their former enemies the ex Confederates The officers sought to minimize violence and unrest during the lengthy transition from war to peace but they ultimately proved far more successful in promoting sectional reconciliation than in protecting the freedpeople Bradley's exhaustive study examines the military efforts to stabilize the region in the face of opposition from both ordinary citizens and dangerous outlaws such as the Regulators and the Ku Klux Klan By 1872 the widespread organized violence that had plagued North Carolina since the close of the war had ceased enabling the bluecoats and the ex Confederates to participate in public rituals and social events that served as symbols of sectional reconciliation This rapprochement has been largely forgotten lost

amidst the postbellum barrage of Lost Cause rhetoric causing many historians to believe that the process of national reunion did not begin until after Reconstruction Rectifying this misconception Bluecoats and Tar Heels illuminates the U S Army s significant role in an understudied aspect of Civil War reconciliation *A History of Franklin County, North Carolina* Eric Medlin,2020-10-19 The story of Franklin County is one of remarkable change and growth over the past 250 years From its Native American roots this corner of the eastern Piedmont has become a center for tobacco plantations textile mills and cotton cultivation It has seen seminal moments in the history of public education Methodism and even capital punishment One governor called Louisburg home while several more have visited and even presidents have made brief stops Local historian Eric Medlin narrates the history of one of the most exceptional parts of the great state of North Carolina **Weary of War** Joe A. Mobley,2008-02-28 Providing a fresh look at a crucial aspect of the American Civil War this new study explores the day to day life of people in the Confederate States of America as they struggled to cope with a crisis that spared no one military or civilian Mobley touches on the experiences of everyone on the home front white and black male and female rich and poor young and old native and foreign born He looks at health agriculture industry transportation refugees city life religion education culture families personal relationships and public welfare In so doing he offers his perspective on how much the will of the people contributed to the final defeat of the Southern cause Although no single experience was common to all Southerners a great many suffered poverty dislocation and heartbreak For African Americans however the war brought liberation from slavery and the promise of a new life White women too saw their lives transformed as wartime challenges gave them new responsibilities and experiences Mobley explains how the Confederate military draft heavy taxes and restrictions on personal freedoms led to widespread dissatisfaction and cries for peace among Southern folk He describes the Confederacy as a region of divided loyalties where pro Union and pro Confederate neighbors sometimes clashed violently This readable one volume account of life behind the lines will prove particularly useful for students of the conflict *Blood and War at my Doorstep* Brenda Chambers McKean,2011-07-08 Continuing from Volume I Volume II intersperses numerous soldiers letters with those from home The issue of slavery from both the owners and individuals is brought forth Did colored men really serve as Confederate soldiers Did free black men Union soldiers described southern women as defiant beautiful crude and pitiful Read of women aboard blockade runners the fall of Wilmington Sherman s march Stoneman s western raiders and the end of the war Did any civilians die due to these raids Did they idly sit by as their lives and homes were destroyed The war did come to their doorstep during the second half of the conflict Both Volume I and II tell something from each of the state s 87 counties Perhaps you may find information about your ancestor among these pages Information from period newspapers as well as mostly unpublished letters tell their stories *The North Carolina Historical Review* ,2011 **American Book Publishing Record** ,2000-07 *Fredericksburg!
