understanding of biography as a genre This book provides a thorough exploration of this genre from a wide range of postmodern perspectives The Seductions of Biography brings together a number of essays which reflect in culturally critical as well as autobiographical terms on current themes and practices of contemporary biography Issues addressed by these essays focus on the postmodern dilemma itself as new voices from excluded communities make themselves heard in biographical works the decentralization of new issues such as gender ethnicity and sexuality becomes problematic Contributors question the responsibilities a biographer has both to the subject and the public and consider also questions of morality and taste for example is it fair to use private tapings made by your subject s analyst And how much do we really need to know about Eleanor Roosevelt s sex life The impact of sexuality on our reading of public figures is addressed as well as other issues which explore the popular and provocative nature of biography Interdisciplinary and wide ranging in scope The Seductions of Biography will appeal to biographers historians cultural critics and the vast population of avid biography readers Contributors Kwame Anthony Appiah Clark Blaise Marilyn L Brownstein Blanche Wiesen Cook John D Emilio Jeffrey Louis Decker Michael Eric Dyson Diana Fuss Marjorie Garber Henry Louis Gates Jr Hayden Herrera Maurice Isserman Barbara Johnson William S McFeely Diane Wood Middlebrook Richard J Powell Phyllis Rose Doris Sommer Marita Sturken Sherley Anne Williams Jean Fagan Yellin **Anne Sexton** Frank R. Moose, Alison Aves, 1999-11 Each volume of the Dictionary of World Biography contains 250 entries on the lives of the individuals who shaped their times and left their mark on world history This is not a who's who Instead each entry provides an in depth essay on the life and career of the individual concerned Essays commence with a quick reference section that provides basic facts on the individual's life and achievements The extended biography places the life and works of the individual within an historical context and the summary at the end of each essay provides a synopsis of the individual's place in history All entries conclude with a fully annotated bibliography Young Ovid Diane

Middlebrook, 2015-01-06 After writing two extremely well received biographies the first about Anne Sexton and the second about poets Ted Hughes and Sylvia Plath world renowned scholar Diane Middlebrook's final project was a study of Ovid's work Though he has been dead for over two thousand years and had left no personal records not even the name of his mother his poetry endures Middlebrook was convinced that her intimate knowledge of Ovid's poetry and the approach she used in Her Husband winner of the Prix Du Meilleur Livre Etranger combined with a deep immersion into the Rome of Ovid's time would enable her to write what could without bragging be called an Ovidian biography However severe health issues interfered with Middlebrook's work and she was ultimately unable to complete this ambitious project before her death in 2007 She left behind an extraordinary look at the conditions and customs to which Ovid was exposed as a young Roman as well as an acute interpretation of his family and personal life gleaned from close readings of his poetry and letters from exile Exhaustively researched and carefully constructed Middlebrook's portrayal of Ovid is certain to be studied by scholars and read by historians for years to come **Anne Sexton** Arthur Furst, 2001-10-12 Striking photos of the alluring defiant and mesmerizing poet Anne Sexton many published for the first time in this exclusive collection taken during the last summer of her life before her suicide on October 4 1974 According to those who knew her best Anne Sexton was always preparing for her death almost like an Egyptian queen constructing her pyramid She wanted to create the most poignant version of her life story which would best serve as her monument after she was gone She left behind a study filled with her papers writings and photographs On a photo assignment from Houghton Mifflin Arthur Furst first met Anne Sexton in April 1974 just two months after she was revived against her wishes from a suicide attempt Welcoming him into her life as a friend Sexton entrusted Arthur Furst to capture her image over the last months of her life Undoubtedly she intended his photographs to become part of her legacy Anne Sexton The Last Summer beautifully juxtaposes Furst's exclusive photos with letters and unpublished drafts of Sexton's poems written during the last months of her life as well as previously unpublished letters to her daughters giving unprecedented insight into the life of this legendary poet **Anne Sexton** Anne Sexton, Barbara Kevles, 1971
