time that is Jo's choice. It's not like Louisa May Alcott was forced by anyone to have a Jo teach boys only. This is also another case of how those people see themselves in Jo. There's nothing wrong with relating to her and using her as a self-insert, yet failing to understand her because you can see how Jo relates more to boys and has an easier time communicating with them. I don't think Jo has any female friends outside of her family, plus Jo says this herself who believes is Nat in one chapter of *Little Men* when they talk. The two things she loves are books and boys. Does that make Jo a misogynist for not including girls? No. She just happens to have an easier connection with boys, same as she feels a connection to books. **ANNE OF GREEN**
