Hewitt, 2024-09-18 A totally gorgeous brand new romance from million copy bestselling author Kate Hewitt Welcome to the

town of Starr's Fall where Autumn can feel like it goes on forever and two people have a chance to fall in love. The leaves are falling with a crispness to the air along with the scents of coffee and pumpkin spice past a half-empty street of shuttered storefronts and a bandstand that has seen better days. Just like the whole town of Starr's Fall, Laurie Ellis and her beloved dog Max head to collect the store keys. Maybe she has seen better days too, but she's certainly ready for a new start and to leave her past behind. Still, Laurie wonders whether she made a terrible mistake in coming to lovable but shabby Starr's Fall. Will she even find customers for her pet store and bakery? Never mind a community to welcome and accept her. Not according to Joshua Reilly, the handsome but grumpy manager of the bookstore across the road who claims he's never heard of anything so ridiculous as a bakery for dogs. But Laurie remains stubbornly undeterred. She's starting over right here. Not least because she has another secret reason for being here: one she isn't telling anybody at least not yet, as it involves her own tragic past. What she doesn't yet know is that a clue to the mystery is hidden deep in Joshua's bookstore. And he doesn't yet realize that Laurie herself might be the key to mending his own battered heart. For Laurie and Joshua and the whole town, it's going to be a fall to remember.

Reader Review Coming Home at Last Mike Holst, 2013-05-28. Devon Harrington had his world the way he wanted it. He had a great job teaching at the college and the love of his life, Margie, to come home to each evening in their snug home in Suburban Boston. Then a dream trip to the Galapagos for research came along, and he jumped at the chance. It was the South Seas adventure he had often dreamed about. Then out of nowhere, his old Navy Seal buddy Arnie came along and offered him a chance to make some fast money. More money than Devon had seen in a while. Take this instrument with you and leave it in the Galapagos, he said. Simple as that, and no one will be the wiser. The only

stipulation is its our little secret But a storm sank the schooner on the way and Devon nearly died before washing ashore weeks later on a radioactive atoll Nursed back to life by the islands only inhabitant Devon couldnt wait to be rescued and get back home to Margie A formable task seeing he had no boat didnt know where he was and was increasingly torn by his love for his rescuer Then he found a way and then he also found out he was a wanted man without a country and without a wife
