Bluegrass Brothers Collection Kathleen Brooks,2023-01-10 The

Bluegrass Brothers Collection contains all seven books that are a follow up to Kathleen Brooks's Bluegrass series. The book follows the Davies family and close friends that live in Keeneston, Kentucky. Bluegrass Undercover: The Davies boys are now the primary targets of every single woman in Keeneston and a few criminals determined to make the small town their safe haven. The first book in the Bluegrass Brothers series features Cade Davies, an ex-Army Ranger, teacher, and the new head coach of the high school football team in Keeneston. He barely has time to adjust to all of the changes in his life before he runs into the school's fiery new guidance counselor and a new threat to the peaceful town of Keeneston. DEA Agent Annie Blake was undercover to bust a major drug ring preying on high school athletes across the South. After her transfer from Miami to Kentucky, Annie looks to make her career by solving the biggest case the DEA has open. What Annie didn't count on was becoming the local gossip. Amid marriage bets placed by the entire town, a priest as a landlord, and a trio of thugs after her, Annie looks to Cade for help in bringing down the drug ring before anyone else is hurt. But can the unflappable Annie deal with the feelings that follow?

Rising Storm: Brought together by a brutal crime nearly torn apart in their search for those responsible, Katelyn Jacks was used to being front and center as a model. But she never had to confront the Keeneston Grapevine. After retiring from the runway and returning to town to open a new animal clinic, Katelyn found that her life in the public eye was anything but over. While working hard to establish herself as the new veterinarian in town, Katelyn finds her life uprooted by a storm of love, gossip, and a vicious group of criminals.

Marshall Davies is the new Sheriff in Keeneston. He is also right at the top of the town's most eligible bachelor list. His affinity for teasing the hot new veterinarian in town has led to a rush of emotions that he wasn't ready for. Marshall finds his easy days of breaking up fights at the local PTA meetings are over when he and Katelyn discover that a dog fighting ring has stormed into their normally idyllic town. As their love struggles to break through, they must battle to save the lives of the dogs and each other.

Secret Santa: It wouldn't be Christmas in Keeneston without a party. Everyone's invited, even Santa. Kenna's court docket is full. Dani's hiding from her in-laws. Paige and Annie are about to burst from pregnancy, and Marshall is breaking up fights at the PTA Christmas Concert. The sweet potato casserole is made, the ham and biscuits are on the table, and men are losing their shirts, and not because of bets placed with the Rose Sisters. All the while, the entire town is wondering one thing: who is the Secret Santa that showed up with special gifts for everyone?

Acquiring Trouble: At one time, Miles Davies thought Morgan Hamilton had ruined his life. Now she may be just what he never realized he wanted. As a natural-born leader, Miles Davies accomplishes anything he puts his mind to. Upon returning home from his special forces duties, he has become the strong foundation of the Davies family and his company. But that strong foundation is about to get rocked in a big way by the one woman that always left him fascinated and infuriated. Keeneston's notorious bad girl is back. Morgan Hamilton's life ended and began on her high school graduation night when she left Keeneston with no plan to ever return. As a self-made businesswoman, Morgan is always looking for her next victory. Little did she know that next victory would involve acquiring the company that belonged to the one man she

always wanted for herself With their careers and lives on the line will Miles and Morgan choose love or ambition Relentless Pursuit Pierce Davies was too busy to settle down and then he realized the one girl he thought would never give up on him was now in the arms of another man Pierce Davies watched as his older siblings fell in love something this bachelor was not ready for After all he was now the most eligible man in all of Keeneston Though Pierce enjoys the playboy lifestyle his life is his work and that hard work is set to pay off big time with the unveiling of a big secret However this work hard play hard attitude may have also landed him in hot water as he finds himself arrested for a brutal murder with all evidence pointing to him Tammy Fields has been suffering from the crush to end all crushes But her flirtations have fallen short as Pierce Davies always ended up in the arms of a Keeneston Belle Having waited long enough Tammy decides now is the time to grow up and move on She has a good job as a paralegal and a hot new boyfriend But everything changes quickly when Pierce is arrested and Tammy is called upon to help with his case While working closely with Pierce to prove his innocence she realizes her crush is something far more meaningful as she risks everything to save him Will they finally find love or will the increasing danger prevent their happily ever after Secrets Collide After spending the past few months wrapping up his life outside of Keeneston the mysterious Cy Davies is finally coming home And he s not coming alone After rescuing a sassy investigative reporter for a gossip magazine in a dark alley he takes her to the one place he knows he can keep her safe Keeneston Gemma Perry was having the worst week of her life Now she finds herself in a small town where gossip is the currency a place where she should fit right in During the most difficult time of her life Gemma must trust the man that came to her rescue to unlock the clues to bring down a dangerous criminal intent on silencing her With their lives in danger will Gemma and Cy be able to discover themselves and true love Final Vow Everything that has happened in Keeneston has boiled down to this moment Ahmed must fight for his life and for love As the ultimate bodyguard Ahmed s focus has been protecting the lives of everyone he cares about When the darkest part of his past resurfaces Ahmed knows he must go on the offensive to protect his future a future with the one woman that can match his toughness and return the love that was once robbed from him Bridget Springer s private security work involves training with a mysterious man feared by many in her line of work She finds herself drawn to Ahmed despite his attempts to remain distant Bridget vows to help Ahmed in his pursuit of justice not knowing the full danger that she would find along the way As Bridget and Ahmed s passion heats up so does the threat from Ahmed s oldest enemy Can they defeat him and finally be free to pursue their chance at love **Annie Kilburn** William Dean Howells,1888 After 11 years in Rome Annie Kilburn returns home to the US after the death of her father But the home she knew is dramatically changed in many ways She starts to work with sick children and finds herself attached to them and to the minister who helps her Mr Peck Branching Out: Adventures & Roots Lorraine Lohr Cathro,2016-08-30 Branching Out Adventures Roots is a blend of family stories and history The diverse often witty stories are written from the perspective of a woman marrying developing a career and raising a family Lorraine has used short stories and a conversational tone to bring
