Family Diversity Olaf Kapella, Christiane Rille-Pfeiffer, Marina Rupp, Norbert F. Schneider, 2010-03-17 Family in all its aspects Familienbande International experts provide an overview of the current state of the art of European family research and outline the multiple formations structures and configurations of family in Europe Four aspects are discussed in depth family images sex gender roles globalisation and family development processes Influenced by globalisation European countries experience processes which still have greatly varying consequences Cultural differences reflected in a range of family schemes and national family policies are one reason for the continued existence of differences in the scope and speed of change processes Quite generally images and concepts of family have become more heterogeneous and flexible The flip side of this coin is that family members are increasingly faced with the challenges of achieving a satisfactory work life balance a task aggravated by globalisation We therefore need to ask how family policy can help families enjoy adequate freedom of action and latitude for their decision making To summarise a read well worth the effort for all experts working in family research and family policy **New Horizon in Male-Female Relationships** David Samuel Green, 2010-04-09 New Horizon in Male Female Relationships attempts to break new ground in the discourse on gender equality love happiness and marriage Author David Samuel Green succeeds admirably and wastes no time in tracing the evolution of human relationships

But he also puts forward new theories regarding the state of relations between males and females across the globe including married couples What Green s new book further accomplishes lies in its no holds barred exploration of matters of the heart Specifically the author examines methods we can employ to eliminate problems that tend to hamper our relationships and shows us how best to get the most out of our unions with emphasis on how product thinking and egalitarianism assist remarkably Besides offering solutions for troubled marriages and other relationships the book also extols several concepts that go hand in hand with love and happiness At the same time it becomes clear that if we want our unions and partnerships to work we have to bring the right attitude to the table After all as we learn the ingredients for a successful relationship must include compassion forgiveness and understanding *Monthly Catalog of United States Government Publications* ,2004
