**Ayurvedic Tongue Diagnosis** Walter 'shantree' Kacera,2007-01-01 In addition to offering a comprehensive understanding of the art of tongue diagnosis this book includes ancient and modern healing practices based on Healing Tastes Herbal Therapies and Dietary Protocols The knowledge contained in this book is invaluable for supporting oneself and others on the journey to wholeness The educational foundation of the book prepares us to really understand the meaning and use of tongue diagnosis The ancient art of tongue diagnosis as this book defines it is the science of the shape shadings and markings of the tongue which describe the current state of an individual s health as well as their inherited constitution The potential of tongue diagnosis is that it gives a non invasive way to measure the tissue integrity of the body especially the Agni of the digestive system or the Fire or strength of the digestive system This can be assessed by simply observing the color and structure of the tongue then we have a very simple way to take preventive steps to correct those imbalances and we have a very simple feedback system meaning the tongue s color size shape and shading to let us know how successful our approach has been

*The Mind's Eye* Peter Jackson-Main,2024-10-29 A guide to the the relationship between the human iris and psychological characteristics Written by renowned and established iridologist Peter Jackson Main this expertly conceived book provides a ground breaking methodological model of how the iris might be used to understand the energetic psychological and emotional attributes of a person The analysis presented in *The Mind s Eye* places energy as the central aspect of an individual s reality It argues that the physical body is an extension of such energy in the physical realm a map of one s intentions in manifesting as a physical being Jackson Main situates the irises as this map which when studied will allow true depth understanding of the human body The book begins with a brief examination of the epistemological foundations of accepted theory and practice in medicine and healing It continues as a journey exploring the development of iris analysis throughout the twentieth century including information on the possibility of heritable personality traits seen in the iris Jackson Main then provides his own perspectives on iris analysis in a manner which is accessible for both practitioners and any lay person looking to learn more about themselves The book also contains a comprehensive guide to completing an energetic iris chart and suggested exercises of practice Not only is *The Mind s Eye* an indispensable guide for any health practitioners wishing to incorporate behavioural iridology to into their work but it is also an invitation for all humans to embark on a deeply symbolic journey of self discovery initiated through the marvels of the eye

**Practical Iridology** Peter Jackson-Main,2023-11-28 How to use the iris of the eye as a diagnostic medical tool The human iris provides a unique window into our bodies offering clues to our past present and future health Its related science iridology allows us to assess our wellbeing and provides pathways to follow to ensure we remain physically and emotionally fit Iridologist and herbalist Peter Jackson Main demonstrates just how easy it is for readers to make use of this diagnostic tool With just a small flashlight and a mirror you can begin to compare your eyes with the dozens shown in this book learning about your constitution and

how you can avoid potential health problems In this revised and expanded edition Practical Iridology also explains what the colours and markings of your eyes reveal details dietary and exercise routines for different iris types provides a visual glossary of the different iris signs and offers guidance in preparing remedies *My Journey as an Iridologist* Joshua Wong,2016-04-21 My Journey As an Iridologist open up my mind that one should not immediately write off alternative new knowledge without giving it a chance and going deeper into it As my original profession as an Internal Auditor require solid evidence before coming to any conclusion on my findings I was initially very skeptical of iridology This book tells about the various iris that I come across that correlate with their health status While observing one of my clients who was listless as if giving up hope on living after losing her jobs her husband children and money I began to focus on trauma in life by combining iridology to Oriental Health knowledge The contents have many case study of unique cases where I may even enquire my clients on their lifestyle home environment or personal emotional hurt as I strongly believe that health is not only dealing with physical body but should also include the emotional health of a person It is very satisfying when my clients says Your explanation is a wake up call or I finally realize where actually is the source of my problem Variety's Complete Home Video Directory ,1988 **Iridology Study Manual: Level One** Francine Milford,2013-12-29 Iridology Study Manual Level One is a basic introduction into the world of Iridology This book will cover the history of iridology the uses for reading the eyes what certain markings and pigmentations found in the iris mean and what iridology can not do In this book you will discover how your eyes will alert you to areas that need attention You will see how too much sugar can form rings around your iris To help aid you in your learning and understanding this book contains exercises for you to do so that you can gain valuable insight into Iridology Think of this book as the beginning steps to understanding the basics of this wonderful and ancient form of assessing the body See for yourself how you can view the signs of the iris that indicate if you have an inflammation in your body and even where that inflammation exists Because of the high cost of printing for color pages this book is in black and white But color photos are available for the asking **Science Confronts the Paranormal** Kendrick Frazier,2023-10-17 A Gallop poll surveyed 506 American teenagers aged 13 to 18 and discovered the following 69% believe in angels 59% believe in ESP 55% believe in astrology 28% believe in clairvoyance 24% believe in Bigfoot 22% believe in witchcraft 20% believe in ghosts 18% believe in the Loch Ness MonsterCarl Sagan has said that the wonders of real science far surpass the supposed and imagined mysteries of fringe science Yet as statistics show the paranormal is still an endless source of fascination for people around the world This collection of critical essays and investigative reports examines virtually every area of fringe science and the paranormal from a refreshingly scientific and clear minded viewpoint The authors are noted scientists philosophers psychologists and writers All bring to the task a determination to sift sense from nonsense and fact from fiction in an area notorious for misinformation misperception self delusion and wishful thinking They do so in a way that highlights the differences between real science and pseudoscience They ve made special efforts first to

find the actual facts behind numerous claims that have popular appeal and then to explain and communicate what scientific investigation and reasoning reveal about them Subjects treated to incisive and entertaining examination include astrology ESP psychic detectives psychic predictions parapsychology remote viewing UFOs creationism the Shroud of Turin coincidences cult archaeology palmistry and fringe medicine There are also explorations of the implications of paranormal beliefs for science education      Artificial Intelligence in e-Health Framework, Volume 1 Sudip Paul,Jasjit S.
