Yeats Twentieth Century Magus** Susan Johnston Graf,2025-09-12 W B Yeats Twentieth Century Magus is a comprehensive study of his magical practices and beliefs Yeats moved through many different phases of spiritual development believing that his life was an intellectual spiritual and artistic questa quest greatly influenced by Celtic lore Theosophy Golden Dawn ceremonial magic Swedenborg's metaphysics the works of Jacob Boehme and NeoPlatonism For Yeats writing poetry was an act of divine possession and he believed that a perfected soul was the source of his inspiration visiting him during times of superconscious

awareness Susan Johnston Graf meticulously documents and provides evidence that Yeats's poetry is brilliant lyric narrative of reality captured through the mind of a practicing magician working in the Western Tradition

The Way of Deep Magick Ian Rees, 2024-11-26 An exploration of the art of magic and qabalistic psychology as practiced by Aleister Crowley through the lens of the authors W E Butler and Tom Oloman Aleister Crowley is one of the best known figures in Western Occultism but books about him tend to focus on his life and personality either idealising or demonising him In this groundbreaking book established author of the occult Ian Rees focuses instead on Crowley's practice of magick tracing its roots back to ancient Egypt and considering his radical simplification of the Qabalah called the Naples Arrangement Rees also explores the ways in which Crowley brought teaching from Buddhism Taoism and Advaita Vedanta into western practice Particular attention is given to Crowley's novel Moonchild which is at its core a guide to the practice of deep magick and introduces readers to the figure of Simon Iff who is Crowley's image of the Master Magickian The Way of Deep Magick explores Crowley's inspirational works The Book of the Law and The Holy Books unearthing the magical formulae found within them It also looks at Crowley's central practice of the Mass of the Holy Ghost These works are linked to the traditions of the Divine Name and the ancient tradition of the Tree and the Fountain the Moon and the Mountain Central to the book is the communion with the mysterious presence of the Holy Guardian Angel which leads us through the reactive and restrictive patterns of the past establishes us in pure presence and enables us to bridge between dualistic existence and the experience of non dual states of consciousness which unite Love Will and the simple and direct experience of Being The book concludes by considering the mystery of embodying the generative star of will and uniting with and being upheld by the serpent of deep imagination or in other words becoming the Servant of the Star and Snake

The Occult Sourcebook Nevill Drury, Gregory Tillett, 2019-09-10 Originally published in 1978 The Occult Sourcebook has been compiled primarily for the many people who are for the first time becoming engrossed by the numerous and often confusing possibilities underlying the occult sciences It consists of a series of articles on key areas providing the reader with easy access to basic facts together with a carefully planned guide to further reading Critical comments on the recommended books allow the reader to select those which best suit their interests The authors have also included a Who's Who of the occult to provide short biographies of some of the more amazing figures who have already travelled down the mystic path The book offers a programmed system of exploration into the realms of the unknown It will be invaluable to the increasing number of people who are concerned with the exploration of enlarging human consciousness

The History of Magic in the Modern Age Nevill Drury, 2000 An guide to understanding the dynamics of magical belief and practice in the modern era this book traces the development of modern magical consciousness from its roots to the revival of Celtic religious traditions

Hidden Wisdom Richard Smoley, Jay Kinney, 2012-12-13 Contemporary seekers on the hunt for an overview of the Western mystery traditions often face a small selection of dense out of date tomes Alternatively Hidden Wisdom is a fresh coherent and accessible work that expounds many of the teachings of Western

esotericism examining its key figures and movements *Publishers Weekly* ,1993 Magic David Conway,2016-03-01
David Conway s *Magic An Occult Primer* is a seminal work that brought magical training to the every magician in the early 70s David is an articulate writer presenting the mysteries in a very workable manner for the serious student Along with the updated texts on philosophy and practical magic is a plethora of graphics that have all been redrawn promising to be another collector s edition published by The Witches Almanac The book is divided into two sections Magical Theory and Magical Practice Magical Theory presents a very concise accounting of the philosophy behind magic Conway begins with a expos of magic within the confines of natural law taking the time to meticulously find corollary for the basis of magic He then takes us into an exposition of the Kabbalah and broader cosmological concerns Conway drills down into daily practice and further explores the basic training necessary for a magician in this day and age Magical Practice begins with the preparations necessary for the practice of magic Conway begins this section with several tables of correspondences that will prove helpful to even the advanced magician He continues with an examination of the timing of rituals as well as the place and ritual equipment necessary for rites Conway then provides master rituals presented for both Kabbalistic and Egyptian approaches He also presents detail on astral projection talismanic magic and prophecy *Magic An Occult Primer* ends with appendices that present detailed magical recipes an examination of magical alphabets and an extensive occult Who s Who
