## **Apprenticeship Of Dr Laverty:**

**The Apprenticeship of Dr. Laverty** Patrick Taylor, 2004 Set in a general medical practice in the eccentric Ulster village in 1964 Dr Fingal Flahertie O Reilly is a fifty six year old unmarried country doctor He is joined by the wet behind the ears medical graduate who is unsure of where his future lies From their initial encounter when O Reilly hurls a hapless carpenter by trade into a bed of rose bushes to the final chapter wherein Laverty solves his dilemma about whether to join O Reilly in a permanent position *An Irish Country Doctor* Patrick Taylor, 2007-02-06 An Irish Country Doctor from bestselling author Patrick Taylor is a charming and engrossing tale that will captivate readers from the very first page and leave them yearning to visit the Irish countryside of days gone by Barry Laverty M B can barely find the village of Ballybucklebo on a map when he first sets out to seek gainful employment there but already he knows that there is nowhere he would rather live than in the emerald hills and dales of Northern Ireland The proud owner of a spanking new medical degree and little else in the way of worldly possessions Barry jumps at the chance to secure a position as an assistant in a small rural practice At least until he meets Dr Fingal Flahertie O Reilly The older physician whose motto is to never let the patients get the upper hand has his own way of doing things At first Barry can't decide if the pugnacious O Reilly is the biggest charlatan he has ever met or the best teacher he could ever hope for Through O Reilly Barry soon gets to know all of the village's colorful and endearing residents including A malingering Major and his equally hypochondriacal wife An unwed servant girl who refuses to divulge the father of her upcoming baby A slightly daft old couple unable to marry for lack of a roof And a host of other eccentric characters who make every day an education for the inexperienced young doctor Ballybucklebo is long way from Belfast and Barry is quick to discover that he still has a lot to learn about the quirks and traditions of country life But with pluck and compassion and only the slightest touch of blarney he will find out more about life and love than he ever imagined back in medical school At the Publisher's request this title is being sold without Digital Rights Management Software DRM applied

Dokter in Ierland Patrick Taylor, 2011-01-05 Ballybucklebo een schilderachtig dorpje in Noord Ierland De jonge dokter Barry Laverty komt daar terecht in een kleine huisartsenpraktijk bij de felle oudere dokter O Reilly Maar al spoedig neemt Barry het motto van zijn strijdlustige baas over laat de patiënten nooit de overhand krijgen Want de kleurrijke dorpsbewoners onder wie een malafide majoor een zwanger dienstmeisje en een hond genaamd Arthur Guinness stellen de onervaren jonge huisarts ernstig op de proef Als Barry volhoudt zal hij nog veel kunnen leren over het leven en de liefde tussen de groene heuvels en dalen van het charmante Ballybucklebo *The Wily O'Reilly: Irish Country Stories* Patrick Taylor, 2014-02-04 Long before Dr Fingal Flahertie O Reilly made most readers acquaintance in Patrick Taylor's bestselling novel *An Irish Country Doctor* he appeared in a series of humorous columns originally published in *Stitches The Journal of Medical Humour* These warm and wryly amusing vignettes provide an early glimpse at the redoubtable Dr O Reilly as he tends to the colourful and eccentric residents of Ballybucklebo a cozy Ulster village nestled in the bygone years of the early sixties Those seminal

columns have been collected in *The Wily O Reilly Irish Country Stories* In this convenient volume Patrick Taylor's legions of devoted fans can savor the enchanting origins of the Irish Country series and newcomers to Ballybucklebo can meet O Reilly for the very first time An ex Navy boxing champion classical scholar crypto philanthropist widower and hard working general practitioner Fingal Flahertie O Reilly is crafty and cantankerous in these charming slices of rural Irish life Whether he is educating a naive man of the cloth in the facts of life dealing with chronic hypochondriacs and malingerers clashing with pigheaded colleagues or raising a pint in the neighborhood pub the wily O Reilly knows a doctor's work is never done even if some of his cures can't be found in any medical text At the Publisher's request this title is being sold without Digital Rights Management Software DRM applied

**An Irish Country Christmas** Patrick Taylor, 2008-10-28 Patrick Taylor's New York Times and USA Today bestseller *An Irish Country Christmas* celebrates the season in this third novel of his beloved series Barry Laverty M B is looking forward to his first Christmas in the cozy village of Ballybucklebo at least until he learns that his sweetheart Patricia might not be coming home for the holidays That unhappy prospect dampens his spirits somewhat but Barry has little time to dwell on his romantic disappointments Christmas may be drawing nigh but there is little peace to be found on earth especially for a young doctor plying his trade in the emerald hills and glens of rural Ireland Along with his senior partner Doctor Fingal Flahertie O Reilly Barry has his hands full dealing with seasonal coughs and colds as well as the occasional medical emergency To add to the doctor's worries competition arrives in the form of a patient poaching new physician whose quackery threatens the health and well being of the good people of Ballybucklebo Can one territory support three hungry doctors Barry has his doubts But the wintry days and nights are not without a few tidings of comfort and joy Between their hectic medical practice Rugby Club parties and the kiddies Christmas Pageant the two doctors still find time to play Santa Claus to a struggling single mother with a sick child and not enough money in the bank Snow is rare in Ulster and so are miracles but that doesn't mean they never happen EditBuild At the Publisher's request this title is being sold without Digital Rights Management Software DRM applied

Miller, 2015-09-29 A new edition of this best selling textbook reintroduces the topic of library cataloging from a fresh modern perspective Not many books merit an eleventh edition but this popular text does Newly updated *Introduction to Cataloging and Classification* provides an introduction to descriptive cataloging based on contemporary standards explaining the basic tenets to readers without previous experience as well as to those who merely want a better understanding of the process as it exists today The text opens with the foundations of cataloging then moves to specific details and subject matter such as Functional Requirements for Bibliographic Records FRBR Functional Requirements for Authority Data FRAD the International Cataloging Principles ICP and RDA Unlike other texts the book doesn't presume a close familiarity with the MARC bibliographic or authorities formats ALA's Anglo American Cataloging
