Approaches To Ancient Judaism New Series Vol 4 Usf Studies In The History Of Judaism:

Approaches to Ancient Judaism: Religious and theological studies Jacob Neusner, 1990 *Beware the Evil Eye Volume 4* John H. Elliott, 2017-04-25 This first full scale study of the Evil Eye in the Bible and the biblical communities has traced in four volumes evidence of Evil Eye belief and practice in the ancient world from Mesopotamia c 3000 BCE to Late Roman Antiquity c 600 CE The fourth and final volume considers the literary and material evidence of the unabated thriving of Evil Eye belief and practice in Israel following the destruction of the Jerusalem temple in 70 CE chapter 1 and in early Christianity chapter 2 through Late Antiquity 500 600 CE with a brief reference to Evil Eye lore in early Islam Numerous cross references relate the subject matter of this volume to that of the previous three A concluding Epilogue chapter 3 offers some final thoughts on this survey of Evil Eye belief and practice in antiquity and their role in conceptualizing and combatting the pernicious forces of evil in daily life Beside presenting the first full scale monograph on the Evil Eye in the Bible and the biblical communities volumes 3 and 4 the volumes summarize a century of research since the milestone two volume study of Siegfried Seligmann *Der böse Blick und Verwandtes* 1910 and they describe the ecological historical social and cultural contexts within which the biblical texts are best understood Throughout the study the Evil Eye in antiquity is treated not as an instance of vulgar superstition or deluded magic but as a physiological psychological and moral phenomenon whose operation was deemed explicable on rational grounds **The Three Questions of Formative Judaism** Jacob Neusner, 2002-01-01 Bringing nearly fifty years of research to bear on these fundamental questions Jacob Neusner challenges his readers to face the difficult often unasked or neglected questions about the nature background and purposes of Rabbinic Judaism and rewards them with an enriched understanding and a stronger foundation for tackling the even more elusive questions concerning the theology of formative Judaism **BOOK JACKET** *If Sons, Then Heirs* Caroline Johnson Hodge, 2007-07-13 By extending Christ's redemption to those who were not ethnically Jewish Paul has long been credited with transforming Christianity into a universal ethnically neutral religion In this book Caroline Johnson Hodge challenges this interpretation through a detailed examination of kinship and ethnic language in Paul's letters Arguing against firmly entrenched claims that Paul's Epistles eliminate ethnicity from Christianity Johnson Hodge claims the exact opposite Paul treats ethnicity as a central element of the Gentile believer's entrance into communion with Jesus Paul creates a myth of origins for Gentiles through baptism Jews and Gentiles alike could share a common ancestor in Abraham In Johnson Hodge's reading Paul does not combine Jews and Gentiles under a new homogenous group of Christians but instead sees baptism as a way of creating two separate but related lineages of Abraham **Beware the Evil Eye, 4-Volume Set** John H. Elliott, 2017-09-20 In the Sermon on the Mount Jesus of Nazareth makes reference to one of the oldest beliefs in the ancient world the malignity of an Evil Eye The Holy Scriptures in their original languages contain no less than twenty four references to the Evil Eye although this is obscured by most modern Bible translations John H Elliott's *Beware the Evil Eye* describes

this belief and associated practices its history its voluminous appearances in ancient cultures and the extensive research devoted to it over the centuries in order to unravel this enigma for readers who have never heard of the Evil Eye and its presence in the Bible The four volumes cover the ancient world from Sumer to the Middle Ages **Paul's Interlocutor in Romans 2** Runar Thorsteinsson, 2015-12-22 Thorsteinsson's study of Romans poses a thoroughly argued challenge to Pauline scholarship His argument has the potential of invalidating the reading of Romans 2 that has contributed to a perception of Paul as utterly negative towards his fellow Jews and first century Judaism Among matters of scholarly dispute is the function and identity of Paul's interlocutors in chapter 2 of Romans Scholars agree universally that the individual addressed in 2:17-29 is a Jew but with respect to the identity of the interlocutor of 2:1-5 there is no consensus The majority of scholars hold that the interlocutor is a Jew throughout the chapter A weighty minority argues that the individual addressed in 2:1-5 is a Gentile and that there is a shift of interlocutor in 2:17 In his investigation into the pros and cons of these positions Thorsteinsson endeavors to challenge both majority and minority Basic to his approach is to allow the larger context and framework of the letter to be of help in assessing the function and identity of Paul's partner's in dialogue Thus the epistolary structure and setting of Romans the relationship between Paul and his audience the identity of the audience and the dialogical style of the letter are used to ascertain the function and identity of Paul's interlocutors in Romans 2 By engaging an imaginary interlocutor Paul utilizes a well established epistolary technique in Greco-Roman antiquity Thorsteinsson concludes that Paul wrote Romans to a particular group of people in a specific contemporaneous situation The letter's message arose out of Paul's missionary obligation to proclaim God's good news to Gentiles in Rome The minority view that Paul's interlocutor in 2:1-5 is a Gentile is combined with the majority opinion that there is but one interlocutor throughout the chapter In sum the common opinion that Romans 2 contains Paul's piercing critique of his fellow Jew should be rejected The individual censured in the chapter is not a Jew but a Gentile who claims to be a Jew *Judaism, Jewish Identities and the Gospel Tradition* James G. Crossley, 2016-04-08 Contemporary Gospel studies have recently taken increasing interest in the Jewish context of Jesus and the gospels Judaism Jewish Identities and the Gospel Tradition offers an overview of the ways in which Judaism is used in the canonical gospels and how this relates to the idea of a Jewish Jesus The essays bring together a range of influential scholars to analyse the role of Judaism in gospel studies The book explores constructions of gender the impact of the historical Jesus and the significant steps toward Christian distinctiveness made in the gospel of John The essays cover a range of biblical texts from the Lord's Prayer to Mark's Christology and the Gerasene Demoniac to themes of poverty in Luke Beware the Evil Eye Volume 3 John H. Elliott, 2016-07-26 The Evil Eye is mentioned repeatedly throughout the Old Testament Israel's parabiblical writings and New Testament with a variety of terms and expressions The Old Testament Greek Septuagint contains no less than fourteen text segments involving some twenty explicit references to the Evil Eye Deut 15:9, 28:54, 56; Prov 23:6, 28:22; Tob 4:7, 16; Sir 14:3, 6, 8, 9, 10, 18, 31, 13, 37, 11; Wis 4:12, 4; Macc 1:26, 2:15; Ep Jer 69, 70 At least three further

texts are also likely implied references to an Evil Eye 1 Sam 2 29 32 18 9 with some other texts as more distant possibilities The Evil Eye is mentioned also in the Old Testament Pseudepigrapha the Dead Sea Scrolls and the writings of Philo and Josephus all of which are discussed in the following pages Evil Eye belief and practice continued in the early Jesus movement Jesus mentions the Evil Eye on more than one occasion Matt 6 22 23 Luke 11 33 36 Mark 7 22 Paul makes explicit and implicit mention of the Evil Eye in his letter to the Galatians 3 1 4 12 20 Possible implicit references to the Evil Eye are also examined Both the common and the distinctive features of biblical Evil Eye belief are identified along with its operation on multiple levels biological physiological psychological economic social and moral and its serving a variety of purposes The numerous references to the Evil Eye in Israel's rabbinic writings and those of postbiblical Christianity second sixth centuries CE together with the material evidence from this period are examined in volume 4

"Let the Little Children Come to Me" Cornelia B. Horn, John W. Martens, 2009 Providing a wealth of detail about childhood and family structure this book explores the hidden lives of children at the origins of Christianity Let the Little Children Come to Me pays careful attention to the impact of gender class and slave status on children's lives

Journal for the Study of Judaism in the Persian, Hellenistic, and Roman Period, 1993 **Subject Guide to Books in Print**, 1996 **Building Jewish in the Roman East** Peter Richardson, 2004 Archaeology has unearthed the glories of ancient Jewish buildings throughout the Mediterranean but what has remained shrouded is what these buildings meant Building Jewish first surveys the architecture of small rural villages in the Galilee in the early Roman period before examining the development of synagogues as Jewish associations Finally Building Jewish explores Jerusalem's flurry of building activity under Herod the Great in the first century BCE Richardson's careful work not only documents the culture that forms the background to any study of Second Temple Judaism and early Christianity but also succeeds in demonstrating how architecture itself like a text conveys meaning and thus directly illuminates daily life and religious thought and practice in the ancient world

In the Shadow of the Temple Oskar Skarsaune, 2025-08-04 Oskar Skarsaune makes a fresh contribution to our understanding of the development of the early church in its practice e.g. worship baptism and Eucharist and doctrine e.g. Scripture Christology pneumatology This book offers the new perspective that Christians were in ongoing and deep conversation with Jews during the early centuries leading up to Constantine The common perception of a drastic parting of the ways after the destruction of Jerusalem in 70 AD has tended to distort our understanding of the succeeding decades and centuries of Jewish and Christian history Notwithstanding the fact that there were points of bitterness and strife the relationship is better viewed as that of a younger and older sibling There is much evidence of interaction between the early Christians and rabbinic Judaism both at the level of leadership and laypeople and this left its impression on the church Skarsaune gives us numerous fascinating episodic and topical glimpses into this untold story

Herod Antipas in Galilee Morten Hørning Jensen, 2006 *The New Quest for Paul and His Reading of the Old Testament* Timo Laato, Bror Erickson, 2023-06-27 The author is known as a strong opponent of the

so called New Perspective on Paul In this book he seeks to move beyond that debate and open new vistas in Pauline research There is a need for much revision The author first dives in to a detailed exegetical study of 2 Corinthians 3 a chapter that has a reputation of being an exegetical nightmare He examines the interpretational problems associated with the opposition between the letter that kills and the Spirit that gives life Fresh insights emerge Ultimately the whole issue turns on the question whether to understand the Old Testament according to the literal letteral or literal spiritual sense As a consequence Paul breaks up with Judaism and pulls down the works of the law since he competes against the view of observing the Torah in flesh and according to the literal letteral meaning of the text He regards such a religious pursuit as the worst form of human self righteousness and self praise despite the serious efforts to true piety On the other hand Christians have undergone a transformation in terms of re creation regeneration resurrection or revitalization The Spirit gives them life He reigns in them Hence Christians do fulfill the whole Mosaic law Yet they fulfill it in Spirit and not in flesh in other words according to the literal spiritual and not literal letteral sense of Scripture As a consequence they do not bolster their self righteousness and self praise To corroborate his thesis the author draws on similar wordings in other Pauline letters and several passages in the Old Testament from Exodus Jeremiah and Ezekiel The author concludes that the New Perspective on Paul has run its course A New Quest for Paul is needed Therefore this book is needed

The Jewish Dialogue with Greece and Rome Tessa Rajak, 2018-12-10 Twenty seven interdisciplinary essays on aspects of Judaism in the Greco Roman world exemplifying a wide range of techniques by a well known scholar Three are previously unpublished including a reappraisal of the Judaism and Hellenism debate and a study of the Sardis synagogue The book's overall coherence derives from the author's long standing interests in the analysis of texts as documents of cultural and religious interaction and in how Jewish communities were woven into the social fabric of Greek cities in the Hellenistic and Roman East The four sections are Greeks and Jews Josephus The Jewish Diaspora and Epigraphy and finally Beyond the Greeks and Romans essays which extend into Christian literature and on to the nineteenth century reception of the Judaism Hellenism dichotomy Scholars and students from a wide variety of backgrounds will benefit This publication has also been published in paperback please click here for details

Early Christianity in Alexandria M. David Litwa, 2023-12-21 Utilizing the Nag Hammadi codices and early Christian writings this book explores the earliest development of Christianity in Alexandria

The Epistle to the Romans Douglas J. Moo, 1996-09-30 Paul's letter to the Romans has been called the quintessence and perfection of saving doctrine Perhaps the most challenging and thoroughly doctrinal book of the entire New Testament Romans deals with many issues that are basic to Christian theology and practice In The Epistle to the Romans respected New Testament scholar Douglas Moo provides a superb study of Paul's letter to the Roman Christians and restates the enduring message of Romans for Christians today Originally written for the Wycliffe Exegetical Commentary series this work has been substantially expanded and adapted for the NICNT series it now treats the entire book of Romans

rather than the first half Based on the English text but bringing into the discussion the underlying Greek at every point this commentary focuses both on theological meaning and on contemporary significance Moo makes a contribution to the continuing debate regarding Paul's teaching on such issues as Jewish law and the relationship between the Jews and Gentiles in the people of God He also critically interacts with the new perspective on Paul highlights Romans's emphasis on practical divinity and traces the theme of gospel throughout the epistle The Aroma of Righteousness Deborah A. Green, 2011
Studies aroma in Jewish life and literature in Palestine in the late Roman and early Byzantine periods Uses the history and material culture of perfume and incense as a lens to view daily activities Provided by publisher **Jesus in Context** Bruce D. Chilton, Craig A. Evans, 2018-12-10 The Proclamation of Jesus seeks to place Jesus in the context of first century Palestinian Judaism The authors hope to discern the essence of his preaching his concept of the kingdom of God and the place of purity in his teaching and activities Better methods for assessing not simply the authenticity of reported sayings and deeds but for tracing the development of tradition are considered The authors are convinced that most of the Synoptic tradition is authentic but that much of it has been reinterpreted and recontextualized Herein lies the real challenge for those investigating the historical Jesus The Proclamation of Jesus opens up new avenues of study and makes new proposals for understanding Jesus in the context of his place and time
